No new volunteers came to the meeting.

Lions Club - Nancy sent an email to them to see if they were going to participate in Community Days this year. She did not get a response.

Penny emailed the Rec Committee and asked if she could attend one of their meetings to ask for volunteers. She did not get a response but they just voted in new members yesterday so we will wait for a response.

Nancy asked Steve Guilmette to attend our meeting. He came and said that he could help out with the event by setting people up on the day of the event, contacting the deputy/sheriff to help with the event for traffic control. He will also reach out to his staff asking if anyone or their families would like to volunteer that day. He will ask about Sanfords Smokehouse they had another year. He suggested we call Rising Revolution (Josh) and ask about creating banners to recruit volunteers and announce the event. Phone is 207-636-7136.

We received one application for the scholarship. Linda suggested that we market it differently next year. Contact tech people at the high school, financial aid, and Community Colleges etc.

Save ½ of the parking for the vendors to park.

Penny said that Carrie wasn't sure if they would be handing out water for free again this year. We will revisit in June.

Penny and Nancy will go to the next Selectmen's meeting asking for volunteers. They will also ask if they approve of asking if Joanne Rankin would like to be the grand marshall for the parade.
