

Shapleigh Conservation Commission

April 18, 2022

Call to Order: Committee Chair, Chuck Desmond, called the meeting to order at 7:10 pm.

Attending: Chuck Desmond, Susan Baker, Susie Marcoux, and David Mann.

New Business: The committee discussed the roadside clean-up on Earth Day, Friday, April 22, 2022.

Susan Baker posted the following notice on What's Shakin' in Shapleigh (Facebook)

Is your road littered with trash? I know mine is! The Shapleigh Conservation Commission is sponsoring a roadside clean-up on Earth Day: Friday, April 22nd, which is also school vacation week. We will also be sponsoring YUMMY treats afterwards in the Commons.

Do's:

- 1. Get your family or a group of families together. Many hands make light work!*
- 2. Wear durable gloves.*
- 3. DM me if you need trash bags.*
- 4. Remember you're on a roadway - Be SAFE!*
- 5. Post pics of your crew on What's Shakin' In Shapleigh.*
- 6. And most importantly, join us in The Commons (park next to town hall) at noontime for post-cleanup treats!*

Don't:

Pick up medical waste, needles or anything you deem dangerous to children or adults. You can take a pic of it and send it to one of our committee members with an accurate location and we'll take care of it.

Rain Date: not needed!

After picking up roadside trash, people can come to the Commons for Klondike Bars, cookies, and a certificate.

Susan will print up certificates and David will print up posters for around town.

Committee posted trail clean-up originally scheduled for Sunday, April 24th to Friday, May 13th. We'll meet at 10 am at Chuck's.

The next meeting will be May¹⁶, 2022.

Meeting adjourned at 7:40 pm.

Minutes respectively submitted by David Mann
