Greetings Seasonal Boaters!

We are looking forward to your return to Beaver Island Municipal Marina this summer. Our north marina opens May 15 through September 30. Our south marina opens to transient traffic from June 10 through September 4. While not guaranteed, you will likely be assigned the same slip as in 2022.

If you are interested in retaining a seasonal slip you **MUST** complete the following steps before April 21, 2023. **If we do not receive your completed seasonal slip rental agreement form WITH PAYMENT IN FULL by April 21, 2023, the slip will be re-assigned by lottery to interested applicants on our waiting list.** If you wish to decline the slip rental please indicate that on your returned form. If you choose to decline a 2023 seasonal slip, you forfeit a slip in subsequent seasons. To retain a seasonal slip, please follow the steps listed below.

- 1 Open, print, complete and sign the attached seasonal slip rental agreement.
- 2 Write a check payable to St. James Township for full payment. Write BIMM on the memo line. We are not accepting credit card payments for seasonal slips this year.
- 3 MAIL the seasonal slip rental agreement with check payment in full to St. James TWP Treasurer Diane McDonough, PO Box 42, Beaver Island, MI 49782 **by April 21, 2023.**

2023 seasonal rate 3 and transient rate G have been approved by St. James Township and the MIDNR. Boats 25' and above will be accommodated in slips (not straight dockage) equipped with power and water. Seasonal rates for 2023 are:

30' North marina, slips with power and water - \$2,820.00

40' North marina, slips with power and water - \$3,760.00

Seasonal rates for boats less than 25' that can be accommodated on the straight or floating dock with no power or water are rate 8:
