WHAT CAN YOU BRING TO THE TABLE?

In brief, why you are interested in, and what you can bring to the table to the benefit of the Committee, Commission, Authority or Board in which you are interested?

I've been fortunate in life to gain a wide range of experiences, skillsets, and training in numerous fields. I look forward to offering the knowledge acquired with the community of Beaver Island. Serving the community in this way will offer an opportunity to learn more about what makes this place, we all call home, special. It means a great deal to even be offered the opportunity to apply. Thank you for the consideration.
