

Holiday Season for All

Pocket Garden Decorations by the Community for the Community

Many faiths celebrate significant holidays during late December; help our community celebrate our multiple communities of faith and those that just want to celebrate winter.

**Register at the Community Center
before the Season Decorations Day
Season Decorations Day: 11/24/23
Decorating Starts at Noon at the BIC Center
There is a \$20 fee to participate.**

If this fee is not affordable, privately discuss your concerns with the Decorations Manager – Lu O'Connor - who can be contacted through the BIC Center. Program donors will have your back.

There are 58 pocket gardens throughout the community, we are seeking community members throughout Beaver Island interested in decorating these pocket gardens for the Holiday Season for All. Gardens 1-13 (those in the commercial area) will have a specific theme. Property owners have the first opportunity to decorate the pocket garden in front of their homes. Those not selected by the property owners and others are available for those to decorate by signing up for them, which may include a lottery system based on overlapping interests. Other rules will be shared when you register.

Sponsored by St James and Peaine Townships and organized by a Team of Community Members. (No township funds will be used for these decorations)
