RE: James & Leslie Visser
37835 White Birch Rd
Beaver Island, MI, 49782

To whom it may concern,

I have reviewed the site plan for the proposed construction of a new residential building(s) at referenced property. The proposed site at 37835 White Birch Rd is more than 1000' of any water source and proposed excavations will not exceed the one-acre limitation of the Charlevoix County Soil & Erosion Ordinance. This being the case I see no reason for the need for a Soil & Erosion Permit through our office.

If there are any questions, please feel free to contact our office @ 231-547-7236 or email smithr@charlevoixcounty.org

Sincerely Russell Smith
