

ORDINANCE 2010-05
SIGN ORDINANCE
NUMBER 43

INTRODUCTION - PREAMBLE

These Sign Standards are being ordained pursuant to MCL 252.304 of the Highway Advertising Act of 1972, which applies to cities, villages, townships and charter townships, to preserve the public health, safety, and welfare of our municipality.

This Ordinance shall be known as Ordinance 43 Sign Standards and shall be deemed to repeal the previous Ordinance 43 Sign Standards and replace same as follows:

These Standards are adopted to:

- a. Maintain and enhance the aesthetics of our community.
- b. Enhance pedestrian and traffic safety.
- c. Limit the intrusion of visual messages.
- d. Minimize the adverse effects of signs on nearby public and private property.
- e. Minimize driver distraction.
- f. Encourage native plants and landscaping material.
- g. Avoid excessive signage.
- h. Protect and enhance the scenic views and natural landscapes.
- i. Protect and enhance economic viability by assuring aesthetic appeal for tourists, resorters, visitors, and residents.
- j. Promote the use of esthetically pleasing Sign materials and colors.
- k. Avoid obstacles, distractions, or traffic hazards, which impair a traveler's ability to see pedestrians, traffic signs, or vehicles.
- l. Preserve the right to enjoy scenic amenities.
- m. Preserve public health, safety and welfare.
- n. Enhance the effectiveness of necessary directional and warning signs.
- o. Enhance air movement and natural light.
- p. Preserve property values.
- q. Provide for the effectiveness of Permitted Signs.
- r. Reduce the blighting influence of Signs.
- s. Protect the night sky from stray lighting.
- t. Avoid adverse lighting or reflection.
- u. Require structurally safe Signs.

The Standards in this Ordinance are determined to be the minimum necessary to achieve the above stated purposes.

c. Residential Neighborhood Identification Signs:

1. A residential neighborhood (single-family subdivision, multiple-family, attached housing development, etc.) is permitted to have one residential neighborhood identification sign for each entrance street. Such signs shall not extend into any public right-of-way.

a. The face of the sign shall not exceed thirty-two (32) square feet.

b. The area of the structural supporting elements shall not exceed fifty percent (50%) of the area of the message portion of the sign.

c. The height of the sign may not exceed five (5) feet above the uniform finished grade.

2. Non-dwelling Use Signs: A non-dwelling use in a residential area, such as a school, a religious facility, an institutional use, a club house, etc., is permitted to have one ground sign and one wall sign, neither of which shall exceed twelve (12) square feet in area. The height of a ground sign may not exceed five (5) feet above uniform finished grade.

b. Building Construction or Land Development Signs: Three signs not exceeding fifty (50) square feet of display area during the period of construction. Signs designating "the future site" of a proposed use or establishment shall not be considered eligible under this subsection.

Section 4: SIGN PERMIT REQUIREMENTS

a. Enforcement: The Department shall administer and enforce this Sign Ordinance.

b. Permit: A permit is not required for "Signs Authorized without a Permit". A permit must first be obtained from the Department for all other signs.

c. Application: Applications for sign permits shall be made upon a Form provided by the Department for this purpose. The application shall contain the following information:

1. Name, address, phone, and if available fax and e-mail, of the person applying for the permit.
2. Name, address, phone, and if available, fax and e-mail, of the person owning the parcel upon which the sign is proposed to be placed.
3. Location of the building, structure, and parcel on which the sign is to be attached or erected.
4. Position of the sign in relation to nearby buildings, structures, property lines, and existing or proposed rights-of-way.
5. Two copies of the plans and specifications. The method of construction and/or attachment to a building, or in the ground, shall be explained in the plans and specifications.
6. Name, address, phone, and if available, fax and e-mail of the person erecting the sign.
7. The zoning district in which the sign is to be placed.

d. Permit Fees: Permit fees for signs shall be established by the Township Board by resolution from time to time. The permit fees must relate to the cost of issuing the permit and may vary based on the size, type and height of the sign.

e. False Information: A person providing false information under this ordinance shall be guilty of a misdemeanor.

Section 5: PROHIBITED SIGNS

The following limitations, obligations, and prohibitions apply to all signs:

a. Absence of Permit: Any sign for which a permit has not been issued and which is not a permitted sign is prohibited.

b. Roof Signs and Projecting Signs: Roof signs and projecting signs are prohibited.

ORDINANCE 2010-05

NUMBER 43

c. Public Property: No portion of a privately-owned sign, or its supporting structures, such as poles or cables, shall be placed on, or within the air space above, publicly owned property, a public right-of-way (such as a street or sidewalk).

d. Internally Lit Light Background Sign: Internally lit signs with a transparent background are prohibited. Dark and translucent background internally lit signs are permitted when in compliance with other provisions of this ordinance.

e. Revolving Signs: Revolving, oscillating, flashing signs or signs imitating or resembling official traffic or government signs or signals are prohibited.

f. Traffic Interference: A sign (other than a traffic sign installed by a governmental entity) shall not simulate or imitate the size, lettering or design or any traffic sign in such manner as to interfere, mislead or confuse the public.

g. Parked Vehicle: Any sign on a motor vehicle or trailer which is parked in a position visible to traffic on a public road or parking area for a period longer than six days in a 60-day period is prohibited.

h. Off-premise Signs: Any sign that is not located on the premises of the business it advertises is prohibited.

i. Billboards: Erection and maintenance of billboards or other similar off-premise signs on any parcel of land within Surrey Township, or the use of any parcel for said purpose, is hereby prohibited.

This section shall not apply to billboards or outdoor advertising signs lawfully in existence at the time this ordinance becomes effective, nor to these specific signs which are expressly allowed elsewhere in this ordinance.

Section 6: CONSTRUCTION REQUIREMENTS

a. Material. Where feasible, signs should be made of materials such as cedar, fir, pine, weather-tolerant wood, or natural material.

b. Codes. All signs shall conform to the latest edition of the applicable building and electrical codes.

c. Fastenings. All signs must remain safe and secure during the period of use. All parts of the signs, including bolts and cables, shall remain painted, and free of corrosion.

d. Fire Escapes. A sign may not obstruct a fire escape.

e. Lighting. External lighting shall be shielded from view and shall be focused upon the sign to avoid stray lighting. Flashing, rotating and intermittent lighting are prohibited.

f. Identification. All signs for which a permit is required shall identify the name and operating telephone number of the person responsible for the sign.

g. Proximity to Electrical Conductors. Signs and all supporting structures shall be no closer to electrical utilities than is permitted by applicable codes. No sign, including cables and supports, shall, in any event, be within six feet (6') of any electrical conductor, electrical light pole, electric street lamp, traffic light, or other public utility pole.

h. Sanitation. Property surrounding any ground sign shall be maintained in a clean and sanitary condition. It shall be free from weeds, rubbish, and flammable materials.

i. Landscaping. The area beneath and around a sign shall be landscaped with native plants and material so as to complement the site and integrate the sign with buildings, parking areas, and natural site features.

ORDINANCE 2010-05
SIGN ORDINANCE
NUMBER 43

j Responsibility for Compliance. The owner of the parcel on which a sign is placed, and the Person maintaining the sign are each fully responsible for the condition and the maintenance of the sign, and the area around the sign.

Section 7: NON-CONFORMING SIGNS

- a. Determination of legal non-conformity: Existing signs which do not conform to the specific provisions of this ordinance may be eligible for the designation "legally non-conforming" provided that the sign was authorized by a valid permit or variance or complied with all applicable law on the date of the adoption of this ordinance.
- b. A non-conforming sign may be continued if it is maintained in good condition. It shall not, however, be replaced by another non-conforming sign. It may not be structurally altered so as to prolong the life of the sign. It may not be reestablished after damage or destruction if the department determines that the estimated cost of reconstruction exceeds fifty percent of the estimated replacement cost.

Nuisance:

- a. An unsafe or abandoned sign is declared a public nuisance, which shall be abated.

Section 8: SIGN COMPUTATION.

The following regulations shall control the computation and measurement of sign area, sign height, and building frontage:

(a) Determining Sign Area. Sign area shall include the sign face and frame, but shall not include the structural support unless such structural support is illuminated or determined to constitute an integral part of the sign design.

(1) For a sign that is framed, outlined, painted or otherwise prepared and intended to provide a background for a sign display, the area of the sign shall be the area of one rectangular shape that encompasses the entire background or frame.

(2) For a ground or wall sign comprised of individual letters, figures or elements, the area of the sign shall be the area of one rectangular shape that encompasses the perimeter of all of the elements in the display, including any open space separating such elements.

(3) For a window sign comprised of individual letters, figures or elements, the area of the sign shall be the area of one or more rectangular shapes that encompass the perimeter of each of the elements in the display, excluding any open space separating such elements.

(4) One minor extension may be permitted to extend above or below the sign area when the area of the extension is less than 25 percent of the open space created by the extension. For the purposes of this Chapter, only the open space within the sign area shall be included in the calculation.

(5) The area of a sign with more than one face shall be computed by adding together the area of all sign faces. When two identical sign faces are joined back to back, and not more than 12 inches apart or form an angle not more than 45 degrees, the sign area shall be the area of one of the sign faces.

(6) Air under a ground sign between supporting posts, air between a projecting sign and the wall to which it is attached, and lighting fixtures and associated brackets shall not be included in the calculation of sign area.

(7) Street address numerals not exceeding seven inches in height shall not be included in the calculation of sign area. Street address numerals exceeding seven inches in height shall be included in the calculation of sign area.

Adopted Date: 11/09/2010
Effective Date: 12/09/2010

ORDINANCE 2010-05

(b) Determining Sign Height. The height of a sign shall be measured from the average grade at the base of the sign or support structure to the tallest element of the sign structure. Decorative caps, finials, and similar design elements not exceeding 12 inches in height and located on top of supporting posts for a ground sign shall not be included in the calculation of sign height.

(c) Determining Building Frontage and Building Unit for Wall Signs. For the purposes of this Ordinance, the length of the building wall that faces a street or building wall that contains a public entrance to the uses therein shall be considered building frontage.

(1) Building frontage shall be measured along such building wall between the exterior faces of the exterior side walls.

(2) In the case of an irregular wall surface, a single straight line extended along such wall surface shall be used to measure the length.

(3) A building shall have only one building frontage except as otherwise set forth below.

(4) A building shall be considered to have two frontages whenever the lot fronts on two or more streets, or the building has a public entrance on a wall other than the wall that faces the street. The property owner shall determine which wall shall be the primary building frontage and which wall shall be the secondary building frontage. Only one outside wall of any building shall be considered its primary frontage, and only one additional wall shall be considered its secondary frontage.

(5) For multi-occupant buildings, the portion of a building that is owned or leased by a single occupant shall be considered a building unit. The building frontage for a building unit shall be measured from the centerline of the party walls defining the building unit

Section 9: FIRST AMENDMENT PROTECTION

All signs allowed under this Ordinance may contain any lawful message.

Section 10: ADMINISTRATION

a. Administrator. The Department shall appoint personnel to administer and enforce the terms and conditions of this Ordinance and all other provisions relating to signs.

b. Enforcement. The Department shall issue permits, as required by this Ordinance. The Department shall also ensure signs comply with this Ordinance and other applicable law. The Department shall also enforce the requirement that all signs properly comply with this Ordinance by procuring a permit. The Department shall make such inspections as may be necessary and shall initiate appropriate action to enforce compliance with this Ordinance and other applicable sign laws.

c. Department Powers. The Department shall have the power and authority to administer and enforce this Ordinance. Included among such powers are the following specific powers:

1. Every sign for which a permit is required shall be subject to the inspection and approval of the Department. When deemed advisable, a sign may be inspected at the point of manufacture. Upon presentation of proper identification to the sign owner or owner's agent, the Department may enter the sign area for purposes of inspecting the sign, sign structure, and any fasteners securing the sign to a building or support. In cases of emergency, where imminent hazards to persons or property are known to exist, and where the sign owner, or owner's agent, is not readily available, the Department may enter the sign area for purposes of inspection or remediation. When on private property, the Department shall observe rules and regulations concerning safety, internal security, and fire protection. If the Department is denied admission to inspect any sign, inspection shall be made only under authority of a warrant issued by a court of proper jurisdiction. When applying for such warrant, the Department shall submit an affidavit setting forth a belief that a

ORDINANCE 2010-05
SIGN ORDINANCE
NUMBER 43

violation of this Ordinance exists with respect to a particular sign, and the reasons for forming this belief. The affidavit shall designate the place and name of the person believed to own or possess the sign. If the court finds probable cause exists for the search of the sign, and supporting structures, then a warrant authorizing the search shall be issued. The warrant shall describe the property with sufficient certainty to identify the same.

This warrant shall constitute authority for the Department to enter the sign area and to inspect the property.

3. Upon issuance of a stop order from the Department, work on any sign that is being conducted in any manner contrary to this Ordinance shall be immediately stopped. This notice and order shall be in writing and shall be given to the owner of the parcel, the sign owner, or to the person performing the work. The stop order shall state the conditions under which work may be resumed.

4. The Department has the authority to revoke any permit authorized by this Ordinance if the sign violates this Ordinance or another law, provided that the Department shall offer the sign owner an opportunity to be heard. The person whose permit is under consideration shall be given at least ten (10) days' written notice of the time, place, and reason for the hearing. The sign owner and/ or person identified in the permit shall be permitted to present relevant facts and legal argument concerning the pending revocation. Following this hearing, the Department shall consider the merits of the case and shall present a written opinion prior to any action. If, however, the Department believes the health, safety, or welfare of the citizens is endangered by any violation of this Ordinance, the Department may immediately revoke any sign permits.

5. A sign installed after the effective date of this Ordinance, and not conforming to this Ordinance, shall be removed by the owner. The sign owner shall not be entitled to compensation for the sign removal and shall reimburse the Department for any costs incurred in connection with the removal.

6. Penalty. A first offense under this ordinance shall be deemed to be a municipal civil infraction. A. The following civil fines shall apply in the event of a determination of responsibility for a municipal civil infraction, unless a different fine is specified in connection with a particular ordinance provision:

1. The First Offense: The civil fine for a first offense violation shall be in an amount of Seventy-five Dollars (\$75.00), plus cost and other sanctions, for each offense.

B. In addition to ordering the defendant determined to be responsible for a municipal civil infraction to pay a civil fine, costs, damages and expenses, the Judge or Magistrate shall be authorized to issue any judgment, writ or order necessary to enforce, or enjoin violation of, this ordinance.

C. Continuing Offense: Each act of violation and each day upon which any such violation shall occur, shall constitute a separate offense.

D. Remedies Not Exclusive: In addition to any remedies provided for in this ordinance, any equitable or other remedies available may be sought.

E. Judge or Magistrate: The Judge or Magistrate shall also be authorized to impose costs, damages and expenses as provided by law.

F. Default on Payment of Fines and Costs: A default in payment of a civil fine, costs, damages or expenses ordered under Subsection A or B or an installment of the fine, costs, damages or expenses as allowed by the court, may be collected by Surrey Township by a means

authorized for the enforcement of a judgment under Chapters 40 1 r 60 of the Revised Judicature Act, MCL 600.101, et. Seq. ISA 27A. 101, et Seq, as amended.

G. Failure to Comply With Judgment of Order. If a defendant fails to comply with an order or judgment issued pursuant to this section within the time prescribed by the court, the court may proceed under Subsection I.

H. Failure to Appear in Court: A defendant who fails to answer a citation or notice to appear in court for a violation of this ordinance is guilty of a misdemeanor, punishable by a fine of not more than Five Hundred Dollars (\$500.00), plus costs and/or imprisonment not to exceed ninety (90) days.

I. Civil Contempt:

1. If a defendant defaults in the payment of a civil fine, costs, damages, expenses, or installment as ordered by the district court, upon motion of SURREY TOWNSHIP or upon its own motion, the court may require the defendant to show cause why the defendant should not be held in civil contempt and may issue a summons, order to show cause, or bench warrant of arrest for the defendant's appearance.

2. If a corporation or an association is ordered to pay a civil fine, costs, damages or expenses, the individuals authorized to make disbursements shall pay the fine, costs, damages or expenses, and their failure to do so shall be civil contempt unless they make the showing required in this subsection.

3. Unless the defendant shows that the default was not attributable to an intentional refusal to obey the order of the court or to a failure on his or her part to make a good faith effort to obtain the funds required for payment, the court shall find that the default constitutes a civil contempt and may order the defendant committed until all or a specified part of the amount due is paid.

4. If it appears that the default in the payment of civil fines, costs, damages or expenses does not constitute civil contempt, the court may enter an order allowing the defendant additional time for payment, reducing the amount of payment or of each installment or revoking the fine, costs, damages or expenses.

5. The term of imprisonment on civil contempt for nonpayment of a civil fine, costs, damages or expenses shall be specified in the order of commitment and shall not exceed one day for each Thirty Dollars (\$30.00 due).

A person committed for nonpayment of a civil fine, costs, damages or expenses shall be given credit toward payment for each day of imprisonment and each day of detention in default of recognizance before judgment at the rate of Thirty Dollars (\$30.00) per day.

6. A defendant committed to imprisonment for civil contempt for nonpayment of a civil fine, costs, damages or expenses shall not be discharged from custody until one of the following occurs.

(a) Defendant is credited with an amount due pursuant to Subsection 1 (5).

(b) The amount due is collected through execution of process or otherwise.

(c) The amount due is satisfied pursuant to a combination of Subsection I (6) (a) and (b),

7. The civil contempt shall be purged upon discharge of the defendant pursuant to Subsection 1 (6).

J. Second or Subsequent Offenses: Any person, firm, or corporation who violates any of the provisions of this ordinance for a second or subsequent time shall be deemed guilty of a misdemeanor and shall be punished by a fine of not more than \$500.00, or by imprisonment in

ORDINANCE 2010-05

the county jail for a period of not to exceed 90 days, or by both such fine and imprisonment. Each day that a violation continues to exist shall constitute a separate offense.

K. In addition to the imposition of the foregoing fines and penalties, Surrey Township may petition for a court order to cause any junk, blighted structure, building materials, trash or rubbish, vehicle, trailer, or parts thereof, which violate the provisions of the ordinance to be removed from the premises, impounded and destroyed or sold for junk, and the cost thereof assessed against the owner of such vehicle, trailer or parts thereof, or of the premises on which same are located. Any sums realized on the sale of same may be retained by Surrey Township to reimburse it for the cost incurred in such removal and sale, to the extent of such cost. Any balance of sums remaining after such reimbursement shall be returned to the owner of such a vehicle, trailer or parts thereof.

Section 11: SEVERABILITY AND CONFLICT

a. Severability. This Ordinance, and its parts, is declared to be severable. If any section, clause, provision, or portion of this Ordinance is declared invalid or unconstitutional by a court of competent jurisdiction, this decision shall not affect the validity of the Ordinance as a whole. All parts of the Ordinance not declared invalid or unconstitutional shall remain in full force and effect.

b. Conflict. If any part of this Ordinance is found to be in conflict with any other Ordinance or with any other part of this Ordinance, the most restrictive or highest standard shall prevail. If any part of this Ordinance is explicitly prohibited by federal or state statute, it shall not be enforced.
