

# Surrey Township Building Department

## Building Inspection List

### Roofs:

- Underlayment / Weather Shield
- Final

### Siding / Windows\*:

- Flashing / House Wrap
- Final

### Window Replacement\* (without residing) or Demos<sup>+</sup>:

- Final

### New Construction / Additions:

- Footings – after re-rod is in place and before concrete is poured
- Flashing / House Wrap / Roof Underlayment
- Rough
- Insulation
- Final

### Pole Barns / Storage:

- Footings
- Final

**Rough and Final Building Inspections will not be completed unless all other associated permits are completed to the respective levels and approved.**

All new construction / additions are required to complete and pass blower door testing.

A Certificate of Occupancy must be applied for, and will not be issued until all permits and blower door tests are completed and approved.

\*Windows MUST be new, meet current energy codes, and have manufacturers stickers in place at time of inspection.

<sup>+</sup>Demos must provide documentation siting proper disposal of materials prior to finalization.

Any work requiring inspection must be visible at the time of inspection. Covering up work prior to inspection may result in removal of any and all obstructions to allow inspection completion.
