

Statements required in notice if the proposed tax rate exceeds the no-new-revenue tax rate but does not exceed the voter-approval tax rate, as prescribed by Tax Code §26.06(b-2).

NOTICE OF PUBLIC HEARING ON TAX INCREASE

A tax rate of \$ 0.446872 per \$100 valuation has been proposed by the governing body of City of Buffalo.

PROPOSED TAX RATE	\$	<u>0.446872</u>	per \$100
NO-NEW-REVENUE TAX RATE	\$	<u>0.406043</u>	per \$100
VOTER-APPROVAL TAX RATE	\$	<u>0.446872</u>	per \$100

The no-new-revenue tax rate is the tax rate for the 2020 tax year that will raise the same amount of property tax revenue for City of Buffalo from the same properties in both the 2019 tax year and the 2020 tax year.

The voter-approval rate is the highest tax rate that City of Buffalo may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that City of Buffalo is proposing to increase property taxes for the 2020 tax year.

A PUBLIC HEARING ON THE PROPOSED TAX RATE WILL BE HELD ON September 15, 2020 at 6 PM at Buffalo City Hall and Convention Center, 812 N. Buffalo Ave, Buffalo, Texas.

The proposed tax rate is not greater than the voter-approval tax rate. As a result, City of Buffalo is not required to hold an election at which voters may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the City Hall of City of Buffalo at their offices or by attending the public hearing mentioned above.

YOUR TAXES OWED UNDER ANY OF THE TAX RATES MENTIONED ABOVE CAN BE CALCULATED AS FOLLOWS:

$$\text{Property tax amount} = (\text{tax rate}) \times (\text{taxable value of your property}) / 100$$

(List names of all members of the governing body below, showing how each voted on the proposal to consider the tax increase or, if one or more were absent, indicating absences.)

- FOR the proposal: Dianne Ryder, Travis Crowder, Jerry Salazar
- AGAINST the proposal: None
- PRESENT and not voting: Jerrod Jones
- ABSENT: Glenn Hightower, Martin Housler

The 86th Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.

The following table compares the taxes imposed on the average residence homestead by City of Buffalo last year
(name of taxing unit)
to the taxes proposed to be imposed on the average residence homestead by City of Buffalo this year.
(name of taxing unit)

	2019	2020	Change
Total tax rate (per \$100 of value)	2019 adopted tax rate \$.448911	2020 proposed tax rate \$.446872	Decrease of (nominal difference between tax rate for preceding year and proposed tax rate for current year) per \$100, or (percentage difference between tax rate for preceding year and proposed tax rate for current year) -0.45%
Average homestead taxable value	2019 average taxable value of residence homestead \$ 65,178	2020 average taxable value of residence homestead \$67,417	Increase of (percentage difference between average taxable value of residence homestead for preceding year and current year) .0343%
Tax on average homestead	2019 amount of taxes on average taxable value of residence homestead \$292.59	2020 amount of taxes on average taxable value of residence homestead \$301.26	Increase of (nominal difference between amount of taxes imposed on the average taxable value of a residence homestead in the preceding year and the amount of taxes proposed on the average taxable value of a residence homestead in the current year), .02963%
Total tax levy on all properties	2019 levy \$194,653	(2020 proposed rate x current total value)/100 \$202,388	Increase of (nominal difference between preceding year levy and proposed levy for current year), or (percentage difference between preceding year levy and proposed levy for current year) .03973%
