

Ordinance Committee January 4, 2023 6:30pm

Corrected:

Present: Sue Herman, Chair, Quimby Robinson, Secretary, Heather Roberts, Kiley De Haven.

New rules for remote meetings approved 4-0 with changes and signed.

Discussion of proposed minor grammatical and punctuation changes to correct errors in the entire Land Use Ordinance that have evolved over the years as new and changed ordinances have been added. This will not change the purpose of the ordinance but will facilitate search to find and read them. Chair to incorporate them for further discussion and proposed approval at a future meeting.

Discussion of Monmouth's ordinance regarding camps and campgrounds to see if a proposed change to ours might facilitate approvals and denials.

Next meeting January 18, 6:30 at Library.

Meeting adjourned 8:30 pm.

Respectfully submitted Quimby Robinson.
