Ordinance Meeting November 2, 2022 6:30pm at the Library

Present: Chair Susan Herman, Secretary Quimby Robinson, Heather Roberts, Fred Webber, Michele Pino, Kiley De Haven.

Greg Cauldwell and David Sanders from the Planning Board

Greg and David presented us with ambiguity in the old ordinance regarding Campgrounds in the Land Use Ordinance and the 3200 square feet limit on construction there. The new owners of Five Seasons Campground want to construct small cabins for expected campers which would exceed that limit in total. Discussion proceeded with no decision made except possible change in the ordinance, which could only be decided at town meeting, OR no change. We made it clear that the Ordinance Review Committee is an advisory committee to the Select Board only.

Next meeting November 16.

Meeting adjourned 8:30

Respectfully submitted, Quimby Robinson
