# Town of Brooklin

Incorporated June 2, 1849  
23 Bay Road – PO Box 219  
Brooklin, Maine 04616

HANCOCK, SS

STATE OF MAINE

To Samuel Friend

A Constable for the Town of Brooklin, in said County

## GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Brooklin, in said county and state, qualified by law to vote in town affairs, to meet at the Brooklin Town Office on Friday, the 5th day of April A.D. 2019 at 2:00 P.M., then and there to act upon Article M1 and by secret ballot on Article M2 as set out below, the polling hours therefore to be from 2:00 P.M. until 8:00 P.M. And to notify and warn said inhabitants to meet at the Brooklin School Gymnasium in said town on Saturday, the 6th day of April, A.D. 2019 at 9:00A.M., then and there to act on Articles M3 through M59, and Articles S1 through S22, as set out below, to wit:

M1. To choose a moderator to preside at said Town Meeting.

*George Eaton was nominated, seconded and elected unanimously as Moderator for this meeting. After his oath, Eaton amended the polling hours from 2:00 P.M. to 7:00 P.M. per the error in the opening in the meeting. Eaton then appointed Valerie Chiasson to act as Deputy Moderator.*

M2. To elect all municipal officers and school committee members as required to be elected. *A total of 84 ballots were cast. Selectmen/Assessor/Overseer of the Poor, 3 years: David Reiley 75 votes; Tax Collector, 3 years: Heather Candage, 84 votes; Road Commissioner, 1 year: Neil Allen, 79 votes; School Board, 3 years: Nicholas Carter, 75 votes; School Board, 3 years: write-ins as follows: David Putnam 1 vote, Valerie Chiasson 1 vote, Marion Morris 2 votes, Tara Clark 2 votes, Jodie Schneider 2 votes, Randy Eaton 1 vote and David Chase 1 vote. Voters approved non-residents to speak during the meeting.*

M3. To see what sums the Town will vote to approve as **Compensation** for the following officers:

### **Recommended by Select Board:**

Clerk: \$11,422.00

Registrar of Voters: \$2,353.00 Admin. Asst./Dep. Clerk/Tax Collector: \$10,854.00

Road Commissioner, Code Enforcement Officer, Animal Control Officer, and all other compensations to be determined by Selectmen. *(Eaton amended to read Select Board)*  
***Passed unanimously***

M4. To see if the town will vote to allow the Select Board to appoint all other Town Officials.  
***Passed unanimously***

M5. To see what sum the town will vote to raise and appropriate for Administration for the following tax year.  
Prior year \$141,060.00 **(Recommended by the Select Board \$148,050)**  
***Passed unanimously***

### **BROOKLIN SCHOOL ARTICLES**

S1. To see if the Town will vote to authorize the School Committee to enter into agreements with other Towns or Schools for the 2019-2020 school year for the tuition of secondary students up to the legal limit established by the Maine Revised Statutes for the education of its secondary students. ***Passed unanimously***

S2. To see if the Town will vote to authorize the School Committee to enter into agreements, to the best advantage of the Town, with other Towns, companies, and/or individuals for the 2019-2020 school year for transporting elementary and secondary students. ***Passed unanimously***

S3. To see what sum the Town will authorize the School Committee to expend for PreK-12 Regular Instruction. School Committee Recommends: \$969,754. This article includes regular elementary and secondary education accounts. Prior Year \$961,653. ***Passed unanimously***

S4. To see what sum the Town will authorize the School Committee to expend for Special Education. School Committee Recommends: \$214,881. This article includes special education instruction and administration accounts. Prior Year \$217,463. ***Passed unanimously***

S5. To see what sum the Town will authorize the School Committee to expend for Career and Technical Education (CTE). School Committee Recommends: \$2,600.  
Prior Year \$11,000. *A resident questioned an explanation. Elkington explained that the law changed last year and this was an estimate based on the number of students needing services.*  
***Passed unanimously***

S6. To see what sum the Town will authorize the School Committee to expend for Other Instruction. School Committee Recommends: \$22,559. This article includes extra and co-curricular accounts. Prior Year \$22,497. ***Passed unanimously***

S7. To see what sum the Town will authorize the School Committee to expend for Student and Staff Support. School Committee Recommends: \$78,818. This article includes guidance, school nurse (health), technology, curriculum development, staff development, school library and student assessment accounts. Prior Year \$81,254. ***Passed unanimously***

S8. To see what sum the Town will authorize the School Committee to expend for System Administration. School Committee Recommends: \$85,700. This article includes school committee, superintendent's office and central office services accounts. Prior Year \$88,673. *Passed unanimously*

S9. To see what sum the Town will authorize the School Committee to expend for School Administration. School Committee Recommends: \$138,694. This article includes the school principal office account. Prior Year \$112,730. *Passed unanimously*

S10. To see what sum the Town will authorize the School Committee to expend for Transportation and Buses. School Committee Recommends: \$171,636. This article includes the bus contract/bus fuel account. Prior Year \$150,544. *A resident questioned an explanation. Elkington explained that there was an error in calculation regarding percentages per miles. Passed unanimously*

S11. To see what sum the Town will authorize the School Committee to expend for Facilities Maintenance. School Committee Recommends: \$223,077. This article includes school building maintenance and operation account. Prior Year \$218,835. *A resident asked what maintenance would be included. Elkington replied that it included the normal maintenance in addition to a 3 year lease/purchase for a generator for the school.*

S12. To see what sum the Town will authorize the School Committee to expend for All Other Expenditures Including School Lunch. School Committee Recommends: \$36,359. This article includes school lunch. Prior Year \$21,914. *A resident questioned why the increase. Elkington reported that revenues had reduced, fewer lunches were being purchased and an increase in compensation for kitchen staff based on experience.*

S13. To see what sum the Town will appropriate for the school administrative unit's contribution to the total cost of funding public education from prekindergarten to grade 12 as described in the Essential Programs and Services Funding Act (Recommended: \$1,004,932) and to see what sum the town will raise as the municipality's contribution to the total cost of funding public education from prekindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with the Maine Revised Statutes Title 20-A, § 15688. School Committee Recommends: \$956,978

The town must raise \$956,978 to get state subsidy of \$76,000.

Explanation: The town's contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount that the town must raise in order to receive the full amount of state dollars. *A resident confirmed that voters were voting on the amount of \$956,978. A resident asked what ages and how many students this affected, Elkington reported that the earliest age is 4 and there were 60 Pre K to 8<sup>th</sup> graders and 30 high school students. Passed unanimously*

S14. **(Written Ballot Required)** To see if the Town will raise and appropriate \$790,341 in additional local funds, which exceeds the State's Essential Programs and Services allocation model by \$790,341 as required to fund the budget recommended by the school committee. School Committee Recommends: \$790,341. Prior year \$755,217.

The School Committee gives the following reasons for exceeding the State’s Essential Programs and Services funding model.

Reasons: The additional local fund request exceeds the EPS funding model because the school spends more per pupil on regular education, special education, transportation, student and staff support, administration and facilities maintenance than the EPS formula recognizes.

Explanation: The additional local funds are those locally raised funds over and above the town’s local contribution to the total cost of funding public education from pre- kindergarten to grade 12 as described in the Essential Programs and Services Funding Act that will help achieve the school’s budget for educational programs. *Passed by majority (57-2)*

S15. To see what sum the Town will authorize the School Committee to expend for the fiscal year beginning July 1, 2019 and ending June 30, 2020 from the school administrative unit’s contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act, additional local funds for school purposes under the Maine Revised Statutes, Title 20 A, §15690, sabbatical reserve account funds, unexpended balances, tuition receipts, local appropriations, state subsidy and other receipts for the support of schools. School Committee Recommends: \$1,944,078. Prior Year \$1,886,563. *Passed unanimously*

S16. To see what sum the Town will raise and appropriate for food service. School Committee Recommends: \$36,359. Prior Year \$21,914. *A resident questioned the difference between this article and article 12. Elkington explained that article S12 was to “expand” and this article was asking to “raise”. Passed unanimously*

S17. Shall the Town vote to accept the categories of estimated funds listed below as provided by the Maine State Legislature?

<u>Category</u>	<u>Anticipated Amount</u>
N.C.L.B. Funds	\$29,000.
State Subsidy	\$76,000.
School Lunch Reimbursement	\$12,000
Special Educ. Local Entitlement	\$27,000

*Passed unanimously*

S18. To see if the Town will authorize the School Committee to expend grant monies in addition to expenditures approved in the regular school budget. *A resident asked about the amount of grant money. Elkington states that it fluctuates from year to year. Passed unanimously*

S19. To see if the Town will authorize the School Committee to expend monies from the Bus Fuel Reserve Account.

Committee Recommends: \$3,000 *Passed unanimously*

S20. To see if the Town will authorize the School Committee to transfer an excess of 5% between cost centers, not to exceed the total spending allocation for the 2019-2020 school year, to balance accounts.

Reasons: Under Maine Law only the voters can give authority for the School Committee to transfer in excess of 5% between cost centers. By granting this authority now, it would eliminate the calling of a special town meeting, if necessary, to balance accounts. *Passed unanimously*

S21. To see if the Town will appropriate: \$6,790 for Adult Education and raise \$6,790 as the local share; with authorization to expend any additional, incidental, or miscellaneous receipts in the interest and for the well-being of the adult education program.

School Committee Recommends: \$6,790 *Elkington added that this article passed, Adult Education would be available for Brooklin residents. Passed unanimously*

S22. To see if the Town will vote to reduce the amount raised and assessed as the Town's contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with Maine Revised Statutes, Title 20-A, section 15688 to the extent of any unanticipated increase in the adjusted state contribution under the Essential Programs and services funding model.

Net total for the 2019-20 school budget to be raised from local taxes: \$1,747,319.

\$1,712,195 raised in 2018-19.

Approximate Reserve Account Balances from the end of 2018-2019 (pre-audit)

Technology \$13,980.

Secondary Tuition \$52,157.

Maintenance \$55,822.

Sabbatical \$2,139.

Bus Fuel \$9,000.

*Passed unanimously*

**(Recommended by Select Board \$5,000.00)**

*Passed unanimously*

M55. To see if the town will vote to fix a date when taxes will be due and payable and to see if the town will fix a rate of interest to be charged on taxes unpaid after said date. All real estate and personal property taxes for the fiscal year July 1, 2019 through June 30, 2020 shall be due and payable as follows: the town shall collect taxes on a semi-annual basis; one half due August 31, 2019 and the last half due January 31, 2020, and that 9% interest, per annum, be charged on all unpaid taxes after each due date.

*Passed unanimously*

M56. To see if the town will vote to authorize the Select Board to borrow funds, if necessary, in anticipation of tax revenues to be repaid from 2019-2020 fiscal year municipal taxes.

*Passed unanimously*

M57. To see if the Town of Brooklin will authorize the Select Board, on behalf of the Town, to sell and dispose of, by sealed bid on such terms as they may deem advisable and in the best interest of the Town, any real estate acquired by the Town for nonpayment of taxes thereon, and to execute a quit claim deed for such real estate. Before putting the real estate out to bid, the Selectmen shall authorize the Treasurer to offer the real estate to the immediate prior owner of record, his/her estate, heirs or assigns on or before a date certain, for the total taxes, costs and interest owed. The Select Board shall use the special sale process required by 36 M.R.S. §943-C for qualifying homestead property if they choose to sell it to anyone other than the former owner(s). In the event the real estate is to be sold by sealed bid, a notice of the time, date and place for the submission of bids and opening of said bids shall be published in a newspaper of general circulation in Brooklin at least two weeks prior to the date of the bid opening and posted for two weeks at the Post Office and two other conspicuous places in Brooklin. *Eaton amended the word Selectmen to Select Board. Passed unanimously*

M58. **(Written ballot required)** To see if the town will vote to increase the property tax levy limit of \$627,470 established for the Town of Brooklin by state law in the event that the municipal budget approved under the previous articles will result in a tax commitment that is greater than that property tax levy limit.

*Passed by majority (33-2)*

M59. To see if the town will vote to hold the Annual Town Elections and Meeting on Friday, April 3 and Saturday April 4, 2020.

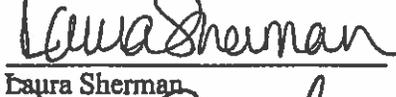

*Passed unanimously*

April, 2020

To Our Fellow Brooklin Citizens,

The employees of the town, the volunteers finding time to staff town committees, our first responders, and town volunteers to area organizations are all vital to what makes Brooklin a better place to live, work, and play. THANK YOU for your time and dedication. It means a lot!

Last year we talked about three major initiatives we were undertaking in 2019-2020:

**Broadband:** We are pleased to report that by town meeting this project will be complete and 100% of Brooklin homes and businesses will have access to broadband. If you are not experiencing a minimum of 10 MB download and 1 MB upload please let us know.

**Updating our assessing records:** This project is entering its final stage and will be completed by the time we make the 2020-2021 tax commitment in late June or early July.

**Trash disposal:** We have joined our counterparts in Sedgwick, and Brooksville to explore transfer station options, and the disposal of our trash at a reasonable cost. This long-term planning issue will take some time to identify the best option.

Looking forward to 2020-2021 we have four major areas of focus:

**Sensitivity to budget and taxes:** We are now in our fourth year of zero-based budgeting and each year the cost to provide basic services goes up. Coupled with the need to maintain infrastructure, the ability to avoid a major property tax increase becomes more challenging. We believe good long-range planning will help the selectboard make sound fiscal decisions. We will continue to spend a large amount of time on this area.

**Trash disposal:** We will continue our conversations with Sedgwick and Brooksville as we explore best options for trash disposal.

**Technology:** We have been updating our IT technology and improving our internal and external security over time. This year we will complete bringing our town office technology up to date with the necessary security to protect town records.

**Affordable Housing:** This is an issue that continues to deserve our attention and imaginative problem solving to ensure that Brooklin remains a town in which young people can afford to rent or own property. Our schools depend on it, as do the many town employers.

**Peninsula cooperation:** We are spending more time in cooperative conversation with area communities. These activities help us to identify opportunities for cooperative agreements and enhancing local service with an eye to reducing costs. Trash, education, and replacement of the Falls Bridge are three areas of current conversation and we look forward to identifying more areas in the next year.

Sincerely,

  
Bill Coher,

## Town of Brooklin, Maine

### Summary

Last year, Consolidated Communications (CCI) and the Town of Brooklin reached a unique agreement to upgrade and expand the community's current broadband infrastructure in such a way that will pave the way for future growth and enhancements.

Together, the town and Consolidated worked to design an incremental network build that is adding fiber capacity, upgrading existing equipment and building new remote terminal sites, resulting in significantly faster broadband connectivity. When the project is completed, Consolidated will offer broadband internet access to all residential and business premises in the town.

Consolidated's community broadband team worked closely with Brooklin's town leaders to find an innovative broadband solution for the community. The town explored a number of options to improve broadband access and services for the community, but most were beyond taxpayer's means. Brooklin ultimately choose the approach that best fits not only its present needs, but one that helps plan for the future.

Here's an overview of what the project is bringing to Brooklin:

- The project provides all the locations in the town access to a minimum of 10M/1M speed.
- When Consolidated started the project there were approximately 125 locations below 10M/1M out of 800 total locations in the town.
- After the project is complete more than 80% of the locations will have access to download speeds of 20Mbps or greater.
- Additionally, more than 35% of the households in Brooklin will have access to speeds between 40M/10M up to 100M/40M.

Summary of the project work:

- CCI crews have placed some 22,600 feet of new fiber optic cable in the town.
- CCI has built two new remote terminal sites in the town. This involves building the site from scratch, connecting to the existing fiber and adding new electronics.
- CCI is also upgrading an existing remote terminal site in the Harriman Point Road area – which includes connecting the site with fiber and installing all new electronics.
- CCI is adding capacity to two other existing remote terminal sites and back feeding from these sites to locations nearby.
- Additionally, the company is installing battery back-up in four remote terminals in the town that were not equipped with batteries. Now all the remote terminal sites in the town will be equipped with battery back-up capability after the project is completed.

Consolidated and Brooklin are sharing the cost of constructing the network, which is on target to be completed by the end of March 2020. Information will be shared with Brooklin residents when the project is completed and Consolidated is ready to take orders for service.

**MEMO TO: Select Boards of Brooklin, Brooksville and Sedgwick**  
**FROM: Blue Hill/ Surry Transfer Station Board (Blue Hill & Surry Select Boards)**  
**DATE: January 21, 2020**  
**RE: 2020 Blue Hill/Surry Transfer Station Budget & Town Contributions**

The total projected cost of operating the Transfer Station in 2020, based on the budget we have just completed, is set out below. Also below are each of the five town’s respective share of that cost.

**2020 Budget Total: \$785,971**

**Total Town Shares: \$635,052**  
 Blue Hill.....\$204,140  
 Surry.....\$119,242  
 Sedgwick.....\$113,907  
 Brooklin.....\$102,516  
 Brooksville.....\$ 95,247

**Other Revenue: \$150,919**

Each town’s share is an 8% increase over its 2019 share. This is the first increase in several years. It reflects the fact that the operating budget reserves that have subsidized the budget in recent years have been depleted. (Those reserves came from payments made in earlier years by each town to cover the cost of closing the old landfill, but which were not all needed because state funds were awarded toward that closing. Those earlier town payments were put into an operating reserve and have been used over the last few years to reduce the funds needed annually from towns.) It also reflects the fact that tipping fees have increased slightly at the Fiberight facility.

To avoid having to increase the town’s costs even more in order to have a balanced budget, we will be making some changes in the operation of the landfill, including reducing the times that the transfer station is open, increasing the demolition debris fees and improving the collection of recyclable materials. More details about these changes will be forthcoming.

As you are likely aware, solid waste management has been in turmoil for many months because of the change in China’s policy about accepting waste products and the delay in the opening of the Fiberight facility in Hampden. Fiberight is now functioning, after more than a year and a half delay, and now receives all of the Transfer Station’s municipal solid waste. It reportedly is diverting 56% of that waste from landfilling by various recycling methods. Its goal is to divert/recycle 80%.

Disposing of our towns’ waste is an expensive business. Finding ways to reduce our waste stream is something we all need to consider.

As always, you are welcome to attend the Transfer Station’s Board meetings on the 4th Tuesday of each month at the Blue Hill Town Hall at 4pm. The next one is January 28th.

## **BROOKLIN FIRE DEPARTMENT**

Dear Town of Brooklin:

### **INCIDENTS & TRAINING**

This year the Fire Department has been very busy, with our Volunteer Firefighters responding to 103 incidents (743.5 total hours), we also completed 810 hours of training. This training included the following:

Structural Fire Attach

Emergency Vehicle Operation

EMS

Pumper Training

Basic Firefighter Training

2 EMS volunteers spent 2 days training at the EMS Conference held in Rockland, ME.

### **FUTURE GOALS**

The Department will continue to focus on Recruitment, Education and Training.

### **CHIMNEY INSPECTION**

The Brooklin Fire Department would like to remind you to have your chimney inspected annually by a professional chimney sweep. It is important to check the batteries in your smoke/ carbon monoxide detectors and hold family drills regularly.

### **BURN PERMITS**

As spring is approaching on us, remember you are required to have a burn permit for any burning brush or fields. To obtain your permit, please contact Peter Gray (610-3791), Jerry Gray (359-2055), Scott Holden (479-1355), Tom Morris (619-3360).

### **VOLUNTEERS NEEDED**

We are always looking for volunteers, so please feel free to check out our website at [www.brooklinfd.org](http://www.brooklinfd.org) , call by the firehouse any Tuesday night at 6:00pm, or contact Sam Friend at 669-2469 for more information.

### **THANK YOU VOLUNTEERS**

Our volunteers dedicate many hours of training to ensure all emergencies are handled in a professional and timely manner. Without their dedication, the Fire Department would not be able to operate as efficiently as it does, and I THANK EACH AND EVERY FIRE FIGHTER & EMS MEMBER VERY MUCH!

**EMERGENCY CALL LOG**

### What is the Planning Board?

The Planning Board consists of five volunteer members and two alternate members, appointed by the Board of Selectmen. Each member serves for five years, with one member's term expiring each year. The Board's public sessions are held at the Town Office, on the first Thursday of each month. All meetings are open to the public. The Planning Board reviews and approves subdivisions applications and all site plan review applications and shoreland zone permits applications not reviewable by the Code Enforcement Officer.

To the Citizens and Taxpayers of Brooklin,

January 30, 2020

2019 was a quiet year for the Planning Board. We reviewed and issued only three Shoreland Zoning permits, two for sheds and one for a replacement deck. Also approved were an amendment to a subdivision, a deck for a business and a commercial kitchen.

We look forward to a new year!

Respectfully submitted,

The Brooklin Planning Board

February 2020

Dear Brooklin Taxpayers:

In 2019, the Shellfish Committee had a roadside clean-up with the help of many volunteers. This will be an annual springtime event, and will be held this year on Saturday, May 2, at 8 am, and will convene at the Brooklin school, if weather permits. This date was chosen to coordinate with other peninsula town clean-up days. Please contact me for more information about this project at 460-9472.

With the help of The Maine Shellfish Restoration and Resilience Project and Maine Department of Marine Resources, the Shellfish Committee was able to perform water quality sample testing in Herrick's Bay. The North end of Herrick's Bay has been closed for an extended period of time because of problematic bacteria results. We are unable to pinpoint a source of bacteria this year, but will be continuing our efforts. There was a lot of depuration digging going on in the Herrick's Bay this summer, and because we are concerned about the volume being harvested, the town obtained a one year closure in that area. Our work on this issue continues.

Our committee meets the first Wednesday of each month at the Brooklin Town Hall at 6:30 pm. Anyone is welcome to attend.

Respectfully submitted,

David M. Tarr, Chair

## **Paving and Reconstruction Report for the Town of Brooklin**

**February 1, 2020**

The Road Commissioner and the Select Board have developed a priority list for repaving existing town roads over the next 5 years based on the following criteria: the amount of use of the road, cracking of the road surface, and the shape of the road (i.e. sinking).

2020 Finish Harriman's Point Road and Naskeag Point Main Road

2021 Naskeag Point Main Road

2022 Naskeag Point Main Road

2023 Hales Hill Road

2024 Town Office and School

2025 Flye Point Road

The Lane Construction Corporation did a road survey for the Town of Brooklin following the repaving a section of Harriman Point Road in 2019. The recommendation from The Lane Construction reads as follows:

To pave every road in a 12 year cycle you would need to appropriate approximately:

Based on 1,200 ton@ \$90/ton	\$108,000.00
Based on placing an average of 1- 1/2" average of mix	1,200 ton/year
Based on 16 miles of roadway paved in 12-year cycle	1.5 miles/year

- Hot top has cost as much as \$110/ton during the last decade. Approximation is based on the most recent quote from the Lane Construction Corporation.

The Road Commissioner recommends using a minimum of 900 to 1000 tons of hot top per year to keep the town roads in good repair.

Neil S. Allen  
Road Commissioner  
Town of Brooklin

To the Citizens of the Town of Brooklin:

The following complaints were received by the Office of Animal Control during the calendar year 2019:

MISSING CATS: 3

ANIMAL TRESPASS COMPLAINTS: 3 (It is illegal for a dog to be at large and on someone else's property)

POSSIBLE RABID ANIMALS: (Mostly coyotes approaching homes)

DOGS AT LARGE: 3, but numerous complaints about the same dog(s)

DISTURBANCE OF PEACE: (Barking Dogs) (Brooklin does not have a Barking Dog Ordinance in place at this time, so complaints of this type are referred to Law Enforcement for action, and citation if needed)

CRUELTY COMPLAINTS: None

FARM ANIMAL COMPLAINTS: 2

KEEPING A DANGEROUS DOG: None Reported

SHERRIFF ASSISTS: 1

RABIES VACCINE VIOLATIONS: None Known

Please remember that ALL dogs 6 months of age and older are required by State Law to be licensed within the municipality (Brooklin) before December 31<sup>st</sup> of each year. Dogs must show proof of rabies vaccine to the Town Clerk and pay a small fee in order to be licensed.

THE BROOKLIN DOG PARK:

With the Selectboard and Animal Control Officer working together in 2019 changes were made to the "Open" hours of the park. The current hours are listed below, and on signage at the entrance of the Park. For safety purposes we ask that all dogs adhere to these adjusted hours, AND all owners of dogs within the Park MUST be able to show proof that their dog is licensed for the current year. It is the responsibility and duty of the ACO to issue citations to the owners for both issues: 1) having an unlicensed dog at the Park, and 2) trespassing on private Town property during the Park's Closed Hours.

PARK OPEN HOURS: Sunday through Saturday. 8-10 am and 4-6pm

I appreciate the opportunity to be employed by the Town of Brooklin as your Animal Control Officer, and I thank the Selectboard and Town Clerk for their assistance throughout the year. Please feel free to contact me anytime if you have any questions or concerns, and/or to report lost or found animals, including farm animals.

The Brooklin Select Board  
Town of Brooklin  
PO Box 219  
Brooklin, ME 04616

Dear Select Board Members and Residents of Brooklin,

For more than 20 years, the Brooklin Youth Corps has provided local teens the opportunity to learn about the responsibilities, requirements and satisfaction of hard work. We are filled with gratitude for the continued support from the town of Brooklin in making the Brooklin Youth Corps a vibrant and significant program for our kids.

Local homeowners, businesses, town event planners, and non-profit organizations have enthusiastically enlisted the services of the BYC over the years and have been instrumental in helping our program continue to serve the kids of Brooklin.

The BYC is now in transition. For the past four years, we have struggled to recruit enough teenagers to maintain our program. The changing demographics of our community have rendered our program unable to continue.

The Steering Committee has made efforts over the past two seasons to modify the program so as to best serve the youth of Brooklin. At this time, unfortunately, we do not see a clear path forward and are putting the program on hold for the coming year.

Thank you to everyone who has contributed to the success of our program over the past two decades: those who have hired the BYC, those who have purchased and enjoyed the fruits of their labors at the weekly Brooklin Farmers' Market, those who have sent in contributions, those who have given their precious time serving on the steering committee. Our community's contribution to the learning, growth and development of young people wearing those red BYC t-shirts has been truly inspiring. We are so grateful to our town and its residents for the support over the years.

Sincerely,

A handwritten signature in black ink that reads "Robyn Sealander". The signature is written in a cursive, flowing style.

## The Friend Memorial Public Library

### Town Report 2019 – Friend Memorial Library

When you stomp the snow off your boots and come into the warm library to choose new books and chat with friends, or you enjoy the Internet Pavilion for a shady, bug-free, high speed internet connection, our library is here for you.

Friend Memorial Library is proud to be able to meet our community's evolving digital needs and interests with ever-growing offerings of downloadable eBooks and eAudiobooks, Mango online language learning, Freegal free streamable music, and high-speed internet service. This is in addition to our usual fine selection of new books for adults and children, magazines, DVDs, and audio books on CD. If you don't already have a library card, come in and see everything we have to offer you.

As always, the library hosted monthly art exhibits and artists' receptions, author readings, our Children's Summer Reading Program, and an interesting range of library programs for kids and adults, including our annual summer Cakes & Authors Party and Love Your Library Valentines.

As many of you know, I will be retiring at the end of 2019 after 14 years as your library director. It's been the most satisfying job I've ever had, and I thank you all for being such great supporters of your library. The Library Board has chosen a wonderful person to be the new library director. Her name is Ann Thomas. Come in and meet her in January.

Respectfully,

  
Stephanie Atwater

### *INDEPENDENT AUDITOR'S REPORT*

Members of the Board of Selectmen  
Town of Brooklin  
Brooklin, ME 04616

#### *Report on the Financial Statements*

We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Brooklin, Maine (the Town) as of and for the fiscal year ended June 30, 2019, including the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

#### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### *Auditor's Responsibility*

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### *Opinions*

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Brooklin, Maine, as of June 30, 2019, and the respective changes in financial position for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information and pension disclosure schedules on pages 3 through 7 and 30 through 36 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

***Supplementary Information***

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Brooklin, Maine's financial statements as a whole. The supplementary information and the schedule of expenditures of federal awards are presented for purposes of additional analysis and are not a required part of the financial statements. The supplementary information and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the State of Maine Department of Education.

The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Respectfully Submitted,

**TOWN OF BROOKLIN, MAINE**  
**Management's Discussion and Analysis**  
**For the Fiscal Year Ended June 30, 2019**

Management of the Town of Brooklin, Maine (the Town) provides this *Management's Discussion and Analysis* of the Town's financial performance for readers of the Town's financial statements. This narrative overview and analysis of the financial activities of the Town is for the fiscal year ended June 30, 2019. We encourage readers to consider this information in conjunction with the financial statements and accompanying notes that follow.

The financial statements herein include all of the activities of the Town using the integrated approach as prescribed by Government Accounting Standards Board (GASB) Statement No. 34 and related subsequent statements.

**FINANCIAL HIGHLIGHTS – PRIMARY GOVERNMENT**

**Government-wide Highlights:**

***Net Position*** The assets of the Town exceeded its liabilities at fiscal year ending June 30, 2019 by \$5,122,398 (presented as "net position"). Of this amount, \$1,304,609 was reported as "unrestricted net position". Unrestricted net position represent the amount available to be used to meet the Town's ongoing obligations to citizens and creditors.

***Changes in Net Position*** The Town's total net position increased by \$101,193 (a 2% increase) for the fiscal year ended June 30, 2019.

**Fund Highlights:**

***Governmental Funds Fund Balances*** As of the close of the fiscal year ended June 30, 2019, the Town's governmental funds reported a combined ending fund balance of \$1,508,987 with \$813,803 being general unassigned fund balance. This unassigned fund balance represents approximately 28% of the total general fund expenditures for the year.

**Long-term Debt:**

The Town's general long-term debt obligations decreased by \$12,026 (25%) during the current fiscal year. No new long-term debt obligations were issued during the current fiscal. Existing debt obligations were retired according to schedule.

**OVERVIEW OF THE FINANCIAL STATEMENTS**

This discussion and analysis are intended to serve as an introduction to the Town's basic financial statements. The Town's basic financial statements include three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains additional required supplementary information (budgetary comparison) and other supplementary information. These components are described below:

**Government-wide Financial Statements**

The Government-wide financial statements present the financial picture of the Town from the economic resources measurement focus using the accrual basis of accounting. They present governmental activities and business-type activities (if applicable) separately. These statements include all assets of the Town (including infrastructure) as well as all liabilities (including long-term debt). Additionally, certain elimination entries have occurred as prescribed by the statement in regards to inter-fund activity, payables and receivables.

The government-wide financial statements can be found on pages 8-9 of this report.

**Fund Financial Statements**

The fund financial statements include statements for each of the three categories of activities governmental, business-type (if applicable) and fiduciary. The governmental activities are prepared using the current financial resources measurement focus and the modified accrual basis of accounting. Fiduciary funds are used to account for resources held for the benefit of parties outside the Town government. Fiduciary funds are not reflected in the

government-wide financial statements because the resources of these funds are not available to support the Town's own programs. Reconciliation of the fund financial statements to the Government-wide financial statements is provided to explain the differences created by the integrated approach. The basic governmental fund financial statements can be found on pages 10-11 of this report. Fiduciary funds financial statements can be found on pages 12-13 of this report.

#### Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and the fund financial statements. The notes to the financial statements can be found on pages 14-29 of this report.

#### Required Supplementary Information

This section includes a budgetary comparison schedule, which includes a reconciliation between the statutory fund balance for budgetary purposes and the fund balance for the general fund as presented in the governmental fund financial statements (if necessary). Also included in the Required supplementary information are the pension disclosure schedules as required under GASB Statement #68 and the Other Post Employment Benefits disclosure schedules as required under GASB Statement #75. Required supplementary information can be found on page 30-36 of this report.

### GOVERNMENT-WIDE FINANCIAL ANALYSIS

#### Net Position

71% of the Town's net position reflects its investment in capital assets such as land, buildings, equipment and infrastructure (roads, parking lots and other immovable assets), less any related debt used to acquire those assets that are still outstanding. The Town uses these assets to provide services to citizens; consequently, these assets are not available for future spending. Although, the Town's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

#### Changes in Net Position

Approximately 85 percent of the Town's total revenue came from property and excise taxes, approximately 9 percent came from State subsidies and grants, and approximately 6 percent came from services, investment earnings and other sources. Depreciation expense on the Town's governmental and business-type activity assets represents \$241,427 of the total expenses for the fiscal year.

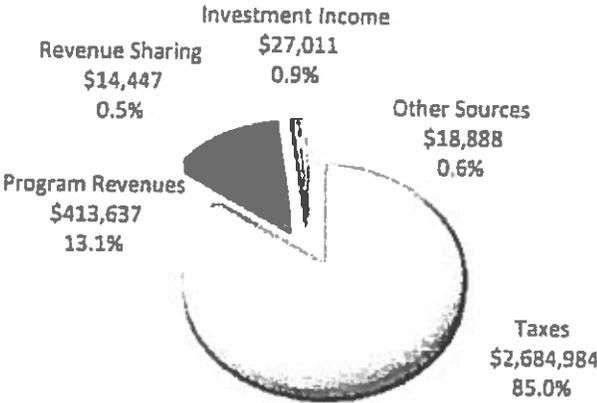

**CAPITAL ASSET ADMINISTRATION**

**Capital Assets**

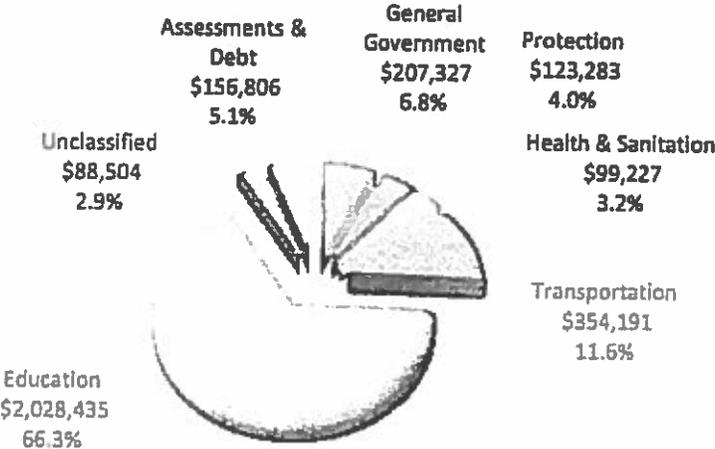

The Town's investment in capital assets for its governmental and business-type activities amounts to \$7,166,486, net of accumulated depreciation of \$3,497,257 leaving a net book value of \$3,669,229. Current year additions include \$52,665 in land and building improvements, \$247,856 for the fire truck purchase (\$100,000 paid in prior year) and \$99,977 in road improvements. There were no current year retirements or deletions.

### Revenues by Source - Governmental and Business-Type

### Expenditures by Source - Governmental and Business-Type

**FINANCIAL ANALYSIS OF THE TOWN'S INDIVIDUAL FUNDS**

**Governmental Funds**

The focus of the Town's governmental funds is to provide information on near-term inflows, outflows, and balances of expendable resources. Such information is useful in assessing the Town's financing requirements. In particular,

unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

At the end of the fiscal year, the Town's governmental funds reported ending fund balances of \$1,508,987, a decrease of \$61,739 in comparison with the prior year. Approximately 54 percent of this total amount constitutes unassigned fund balance. The remainder is reserved to indicate that it is not available for spending because it has been committed to liquidate contracts and commitments of the prior fiscal year or for a variety of other purposes.

Variances between actual General Fund revenues and expenditures and the final amended budget included the following:

\$51,223 positive variance in Revenues. Property and excise tax revenues exceeded budget by \$30,025.

\$76,738 positive variance in Expenditures. Overlay on taxes contributed \$37,142 to the Town's unassigned fund balance.

### **REQUESTS FOR INFORMATION**

This financial report is designed to provide a general overview of the Town's finances for all citizens, taxpayers, investors and creditors. This financial report seeks to demonstrate the Town's accountability for the money it receives. Questions concerning any of the information provided in this report or requests for additional information should be addressed to: Town of Brooklin, P.O. Box 219, Brooklin, ME 04616.

## BROOKLIN SCHOOL

---

On behalf of the Brooklin School, I am delighted to share with you some of the many highlights of the 2019-2020 school year! As always, we remain fully committed to helping students grow, learn, and explore. We will continue to provide an environment that fosters our core values: being respectful, curious and kind and always striving to make the world a better place.

We are very excited to welcome four new staff members. Jennifer Crafts joins us as an Ed Tech III and works with our younger students. Marleina Ford is our new music teacher. She is teaching third and fourth grade students how to play the ukulele and preparing for a spring concert. Michelle Martin, our new Title I Ed Tech III, works hard each day to boost our students' skills and confidence as readers and mathematicians. Sara Phillips, our new performing arts teacher, is excited to direct the spring musical *The Little Mermaid*.

We have implemented several fun and innovative initiatives this year. Pairing up older and younger students during morning meeting and monthly mini-mentor/hang out sessions has been beneficial to all. On early release days, our students get together and eat lunch, read in the library and participate in some team building activities. The smiles on their faces are as priceless as the bonds they are building!

One of our Union-Wide goals is to focus on Social Emotional Learning (SEL) systems to deal with behavior problems/bullying/learning difficulties. These include Response To Intervention (RTI), Restorative Justice, Collaborative Problem Solving, and adapting curriculum to include building on oral learning styles. Kristin Eberdt our school counselor is facilitating Social Emotional Learning curriculum lessons for students in grades K-8 one day per week.

For parent conferences this year, we decided to do things a little differently. Instead of our teachers leading the conversation regarding a student's progress, we thought it would be more valuable for the students to participate in and lead their own conferences. It has been so enjoyable listening to students talk about what they have been learning. It is an important practice for students to talk about areas of growth and set goals with their parents. As we improve the process these conferences will have much potential.

Our students continue to work with members of our community. 7th and 8th grade students work weekly with local boat builders and sail makers to assemble the fixings for amazing sea vessels. This year, students are taking a break from building a boat for the water and instead are building boat essentials. Eric Blake from Brooklin Boat Yard, kicked the year off by introducing our students to sailing, boat balance and navigation on the water with weather elements by having them work in teams to assemble five, 7-foot tall remote control sailboats! Students will take their sailboats on the water and sail them through a course. These boats will maneuverer with the wind and the tides. In the month of December, students made wooden gifts for their families. Local Author Ellen Booream continues to come weekly to help students write a process fiction story that takes them through character and plot development as well as the editing and revision process based on peer feedback.

Once again, teachers are offering mini six-week courses for our *Exploration Block* of time which meets each Tuesday morning. Students select from an array of choices including: bookbinding, gravestone etching and research, lego robotics, murals, toy tinkering, snowshoeing and watercolors. Community member Josh Guyot is working with some of our young scholars on the Rube Goldberg Challenge. This year's challenge: turn off a light. Starting in February, our students will also begin preparations for the Solar Car challenge.

The Strategic Planning Committee is following-up on the work that was completed when we crafted our Mission and Vision. We are in the final process of creating the goals and action steps of our strategic plan—or the how of our school's Mission and Vision.

It's official! We have secured a relationship with a sister school in Brooklyn, New York and our 7th and 8th grade scholars will be heading to the big city in late April. Our students will shadow Brooklyn, New York students during their school day and then stay with host families. Next year, the Brooklyn, NY kiddos will come to our Brooklin.

Come join us on the second Friday of the month for coffee, pastries, and good old-fashion conversations. This is a chance to see your neighbors, make new friends, and find out what's going on in your school.

We continue to feel supported and loved by so many of our local community members and volunteers. A special thank you to The Brooklin Boat Yard, The Brooklin Inn, The Brooklin Baptist Church, The Brooklin PTF, Brooklin Canvas Design, The General Store, Leaf and Anna, The Maine Hideaway, Prin Allen & Sons, The Odd Fellows, The Sail Loft, Wooden Boat, and Union River Gallery to name a few. We have the most beautiful school salad/sandwich bar I have ever seen and special thanks go Mr. Bianco for staying on top of tracking one down for the kiddos. It has gotten them so super excited about eating lunch!

We have a special staff at the Brooklin School without whom we would not be the place that you see today. Thanks for all you do!

To the entire Brooklin Community: your selfless giving of your time and talents are appreciated more than words could ever convey.

Respectfully,  
Jil Blake, Principal

### Superintendent’s Memo

To: Town of Brooklin  
From: Christian M. Elkington  
Re: Superintendent’s Town Report  
Date: 2-5-2020

Another busy year has passed in the growth of the young people at the Brooklin School and so it is again, my pleasure to be sharing my Superintendent’s Report with the citizens of Brooklin. In my four years as Superintendent of School Union 76 (SU76) I have felt fortunate to watch the students at the Brooklin School reach and exceed the increasing expectations for excellence placed on them. Our students’ and school’s results are improving and reaching new heights because of the reimagined and redeveloped ideas and attitudes towards learning, curriculum development, improved instructional transitions and a better partnership being built between home and school.

I have come to appreciate how fortunate our students are to experience the multiple learning opportunities, supports and activities available to them at the Brooklin School. Please know the Brooklin School staff and administration greatly appreciate the community support we receive from you for our greatest resource, our students, and for your support of our school’s 2019-2020 budget. This year’s budget included the recently installed school generator, which will now allow our school to not only stay open during power failures, but also be a greater community resource in times of violent weather.

SU 76 is pooling our resources in order to maximize their impact on students and staff and to either reduce current local costs or limit the growth of future expenses, which would cost more if done in isolation. Sharing responsibility, resources, knowledge and professional expertise within SU76 schools continues to help the Brooklin School be the best place for learning that it can be. At the same time the Brooklin School is also assisting other SU76 schools to grow!

Two examples of this mutual support and success are in Math and Literacy. Over the last year, the Brooklin and Sedgwick Schools’ expertise in math education supported increased learning and professional development for SU 76 staff, as math was added as the next building block in SU 76’s school improvement efforts. We introduced a new curriculum, Eureka Math, which had been first tested in Brooklin. Our shared focus and support will lead to improved math progress for all SU 76 students in the years to come. In Literacy, three years ago CSD 13 took the lead to make needed instructional and curricular changes. Their work and lessons learned have been shared to help spearhead similar learning, change and growth at both the Brooklin and Sedgwick Schools.

The Brooklin School's staff is continuing to improve their instructional prowess through learning and applying "Best Practice" instructional strategies to help increase student focus and understanding. The development of hands-on, interest-based learning, lessons and units is increasing student ownership of their learning. We do this not because it is easy, but because the world of the 21<sup>st</sup> Century demands it. I am more and more impressed with the student work I am fortunate to see and look forward to our staff continuing to improve their craft!

A greater shared-focus in some areas will allow us to reallocate some of our Brooklin community resources for our next big challenge, completing needed school renovations. With the support of Brooklin tax payers some renovation work was completed over the last 5 years (pellet boilers, front and side clapboard/insulation work, new windows, updated kitchen). We now need to look at completing several more major renovations both inside and outside of our building. The Brooklin School Committee commissioned an architect study, being completed this winter, to better identify building needs. Multiple issues with mechanical systems along with wear and tear concerns are being documented and defined. These renovations must be dealt with in the near future in order to ensure the future of this most valuable community resource, the Brooklin School Building. The School Committee has been building up funds in our balance forward to help pay for some of this work and looks forward to working closely with the Select Board to determine the next steps in this process so the community is fully involved in determining next steps.

This year's budget development process was not easy. Because of the previous focus on careful spending by your School Committee, there is not much to trim to support continued progress. The proposed 20-21 School Budget is up 5.07%, but since we qualified for the Minimum Economically Disadvantaged Student Adjustment for 20-21, (approximately \$50,000), the overall funding increase of the proposed education budget for this coming school year will be a 2.86%.

In closing I need to again thank the staff of the Brooklin School along with our Principal Jil Blake for their continued determination and commitment to improve their instructional practice, increase their knowledge and share responsibility for each one of our students. A big part of a small school's success is how everyone in the school works together and, judging from our improving student results, we have much to be proud of! In 2019-2020 many improvements have taken root and are being refined at the Brooklin School. I am confident that our progress will only continue in 2020-2021!

Christian M. Elkington  
School Union 76 Superintendent

## George Stevens Academy Annual Report to the Community

In 1852, Blue Hill shipowner George Stevens left a bequest in his will to establish George Stevens Academy. As an independent town academy, GSA's chief mission is to serve the students who live in surrounding "sending" towns, providing a comprehensive and challenging education both to those who will build futures here and those who will make lives elsewhere in the world. Our many academic and experiential programs foster a love of knowledge, inspire creativity, instill self-confidence, encourage good character, and prepare each graduate for a purposeful life in a changing world. In the past two years we have added classes in digital fabrication, advanced marine science research, and eleventh grade English with extra supports.

We continue our program and facilities planning to correct long-standing issues and set GSA up for the next few decades with a first rate campus and programming, looking at all we do to be sure we are making the best use of the resources we have, and forming plans to get the resources we need. Our goal is to be an exemplary school in all ways, take advantage of our location, and of the communities we are a part of. We welcome support from community members. If you are interested in getting involved with our school, please contact us at 374-2808, or see us on Facebook.

### Finances

The state-set tuition rate for FY19 was \$11,759.07, but our actual per-student-cost was close to \$14,700 (comparable to the costs of similarly-sized public high schools). To close tuition gaps like this one, we have, for years, relied on three additional revenue sources: *income from our endowment* (following strict laws limiting the amount we can spend); *philanthropic gifts* to the school, including the annual GSA Fund which goes directly into the operating budget; and *surplus revenue from our international boarding program*. Revenue from that third source has diminished dramatically over the past two years, and is unlikely to rebound. For that reason, we have begun discussions with the "tuitioning" towns (including Blue Hill) about increasing tuition (Maine law allows this) to help us close the tuition gap.

For up-to-date information about GSA, our programs, and what's happening on campus, visit our website at [www.georgestevensacademy.org](http://www.georgestevensacademy.org). Thank you!

Chamber of Commerce  
2019 Report to Towns

Dear Peninsula Community,

2019 was a busy and productive year for the Blue Hill Peninsula Chamber of Commerce. We continue to increase in membership which shows strength and growth in the economic health of the Peninsula. Of note is the increase in businesses owned and operated by Millennials and Gen Xers moving to and living on the Peninsula as well as the quality and diversity of the businesses and organizations successfully operating across our region. Both show that the people who live and work on this peninsula are supportive of a strong local economy, one that is open for business year-round as well as having a thriving tourism economy.

In 2019 the Chamber of Commerce was proud to continue hosting a series of events in local towns to help show community members and visitors alike all that our peninsula has to offer:

- Eight Open Houses were held at businesses in Castine, Penobscot and Blue Hill
- The Peninsula Harvest Festival, co-hosted with Mainescape and BHHT
- The Annual Tree Lighting in Blue Hill with promotion of events and holiday shopping across the peninsula

New to the Chamber this year was:

- Small Business Expo, which connected area businesses and non-profits with local vendors who can help support and improve their operation.
- The Fall Listening Session for all area businesses, an opportunity for businesses to share their successes, struggles and ways the Chamber can better support them in the future.
- The Peninsula Art Show at Parker Ridge was a wonderful weekend long celebration of our local artists and a chance for them to show and sell their work.

The Chamber acts as the Peninsula's Visitors Center. Over the past few years traffic in our office, on our website and on social media continuously increased. Annually the Chamber produces an Area Guide which highlights all Chamber Members as well as showcases the Peninsula as a destination for visitors and residents alike. This past year we increased printing to 11,000 copies and distributed the guide to visitors centers as far afield as Pennsylvania and mailed copies all around the world. We have a lot to offer here on the Blue Hill Peninsula, and the Blue Hill Peninsula Chamber of Commerce is proud to serve this community and its businesses/organizations and support the growth and sustainability of our local economy.

### Blue Hill Heritage Trust

Blue Hill Heritage Trust's mission is, "to lead in conserving land, water, and wildlife habitat on the greater Blue Hill Peninsula. To teach and practice a stewardship ethic. To promote ecological, economic, and community health for this and future generations." We welcome use of our properties for a variety of uses including hunting, and we hope that the community is taking full advantage of our land and trails.

We have not added this year to the 113 acres we own in Brooklin, and our most popular property in town continues to be Hundred Acre Woods. In 2019, the Trust voluntarily paid \$96 in real estate taxes to Brooklin and a total of \$17,100 to all the towns in our service area. Our lands are open to the public and we maintain trails, but we continue to believe that it is important to keep land on the tax rolls. In addition, our properties provide a return in ecosystem services, public health, in recreational and traditional uses, and indirectly in the tourist dollars that flow to our area precisely because our communities protect and preserve land and water.

The Trust did a number of community activities in Brooklin this year. We again had a visit by the Earthwatch fellows, at Hundred Acre Wood, as part of the Schoodic Institute's Citizen Science initiative. We hosted a mushroom walk with David Porter, at Hundred Acre Wood. We also helped celebrate the holidays this year with an event at the Brooklin Inn.

Over last summer, we held public listening sessions in all our towns, including two in Brooklin. I want to thank all those who took time out of a busy summer to share ideas and ask questions. In our annual report this year we will give an overview of those sessions, as well as the public survey we conducted last year.

Blue Hill Heritage Trust is committed to both conserving land in our towns and serving those communities, and we want to thank all our Brooklin supporters for being our partners in this work. We are very much looking forward to another good year in 2020 and hope to see many of you out enjoying the land and water this coming year.

With regards from all of us at BHHT,

Board of Selectmen  
Town of Brooklin  
P.O. Box 219  
Brooklin, ME 04616

Dear Board of Selectmen,

Greetings to you and the residents of Brooklin!

Hospice Volunteers of Hancock County truly is a partnership with the communities we serve! Our services are provided free of charge to our neighbors by well-trained and highly-committed volunteers who come from and serve within their own communities. Their compassion and caring is a true gift during some of life's most challenging times, and the support of the towns we serve is much appreciated!

Please know that your support goes a long way in ensuring that these important services are available to the residents of your community. During the past year, the mission services we provided to local residents were extensive:

- ~ Patient Care and Caregiver Support to 130 patients and families.
- ~ Over 1000 gestures of Bereavement support, including to 6 residents of Brooklin.
- ~ Many Community Education programs on topics including how to support a loved one or co-worker who is grieving; Resources and skills for completing and communicating Advance Care Planning choices; Equipment-sharing providing free wheelchairs, walkers, shower seats, etc.; and the gift of music at the bedsides of seriously ill patients provided by our Evensong singers.

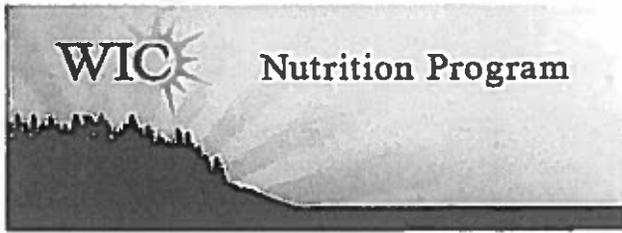

We consider the towns we serve to be partners in the provision of these services, and we appreciate the support we have received from the Town of Brooklin in the past. We look forward to your continued support during the coming year with a contribution of \$1500.

As always, we invite your feedback and/or requests if there are ways that you would like to see us serve the residents of Brooklin. Thank you.

Sincerely,

Jay Wolford-Tucker  
Executive Director

Ms. Heather Candage  
Town of Brooklin  
P.O. Box 219  
Brooklin, ME 04616

Dear Ms. Candage,

I am writing this letter to ask you for your support for the WIC Program.

We offer vouchers for nutritious foods for low-income women who are pregnant, breastfeeding or recently had a baby, and to infants and children to their 5<sup>th</sup> birthday. We also provide nutrition education, health screenings and support, focusing on the strengths and needs of individual families.

Last year, 5 residents from the Town of Brooklin participated in WIC, receiving \$3,660 in food vouchers. This year, the Women, Infants, and Children Nutrition Program respectfully requests financial assistance in the amount of \$225, representing \$45 per resident served last year from the Town of Brooklin. Federal funding will match up to \$2,000 of municipal contributions, enabling WIC to serve even more young families in need.

Because transportation often is a difficult issue for many families who need the benefits WIC can offer them, providing access to WIC at the local level is vital. As in the past, WIC will continue to accommodate rural families at its main offices in Ellsworth, Machias, and Calais, as well as in satellite locations in Stonington, Bucksport, Eastport, Harrington, and other small island communities. Local community support is absolutely necessary for WIC to maintain its critical rural access points.

Dear Select Board:

Please find this as Downeast Transportation's funding request for FY 2021.

Our request is that the town of Brooklin appropriate \$470 for the period July 1, 2020 through June 30, 2021. This is the same amount we have requested from the town for many years.

We continue to strive to provide the best public transportation possible, in the face of significant cost increases, without increasing our burden on the communities of Hancock County.

Please note: If Downeast Transportation finds itself with a surplus at the end of our fiscal year, we will carry that surplus over to defray operating costs in the next fiscal year. Please let us know if that is not satisfactory to you.

Please call if you have any questions.

Best regards,

Town of: Brooklin

Greetings,

Last year Eastern Area Agency on Aging (EAAA):

- Provided health insurance counseling to over 6,000 community residents,
- Saved community residents \$2.3 million in Medicare premiums, deductibles and copays,
- Provided 88,000 meals to homebound seniors, and
- Provided 26,000 hours of volunteer services across our region.

Because of the generosity of towns across our region, last year we were able to feed **65 older adults for an entire year**. It is through the continued support of towns and municipalities like yours we are able to offer much needed services and resources to community residents in Washington, Hancock, Piscataquis, and Penobscot counties. Included you will find a report listing services EAAA provided to benefit your residents over the past 12 months as well as their associated costs.

As you prepare your town's budget, we ask that you consider Eastern Area Agency on Aging in next year's budget allocation.

➤ Your town's allocation to EAAA last year:	\$ 1175.00
➤ Amount requested for 2020:	\$ 1175.00

In the meantime, if you have questions, please call Dyan Walsh at 1-800-432-7812 or [dwalsh@eaaa.org](mailto:dwalsh@eaaa.org). We have also enclosed a one page sheet that provides a summary of the programs and services we provide. Selectmen and Residents  
Town of Brooklin  
PO Box 219  
Brooklin, ME 04616-0219

Dear Selectmen and residents,

Thank you very much for your past support. It does indeed significantly impact the care we provide to members of your community. As a not-for-profit organization, Northern Light Home Care & Hospice (NLHCH) provides care for people regardless of ability to pay (under or uninsured). Some of our patients live comfortably in their own homes, some in subsidized senior housing, and some in homeless shelters. In FY 2019 the unfunded care cost was \$652,914 across the state.

Our organization makes a personal commitment to support those in need in your community and elsewhere through our "Casual for a Cause" program. NLHCH staff members gladly donate one dollar every Friday to wear their jeans, knowing that their collective funds are available to help those patients who might need extra support while receiving services. These funds along with other donations are used to provide patients with food, shelter and clothing. They are also used to buy medical supplies to help folks monitor their blood pressure and the like.

In FY 2019, our clinicians (nurses, rehabilitation therapists, nursing aides and social workers) made 160,152 visits to 7,816 patients at home recovering from illness or surgery. In addition, volunteers, spiritual counselors and bereavement coordinators assisted our clinicians in caring for 1,039 hospice patients. The average age of our patients is 73 and 53 % reside alone. This corresponds to the well documented challenges of an aging population here in Maine.

Enclosed is a detailed overview of the care we provided in your community this year and the corresponding cost. We ask that you review this and take into consideration the additional help we provide to your residents to keep them safe at home for as long as they are able.

Northern Light Home Care & Hospice benefits from membership in a large health system because we can offer a continuum of care that is vital to the health of our patients and their families. Although our organization seems very large, our home care and hospice agency is a 501c3 charitable organization with a budget independent of the larger system. We have offices in each county we serve, and our staff resides in all of your communities. Your community is also represented by a member of our board of directors, a list of which is enclosed for your review.

With the above in mind, and the growing list of those seeking to age in place or recuperate from illness or seek hospice services at home, we respectfully request your consideration of funding in the amount of \$5,000 for FY 21. I along with other members of our board or staff are happy to answer your questions and appear before your budget committee. Thank you for your consideration.

Very truly yours,

On behalf of the Board of Trustees of Blue Hill Society for Aid to Children, Inc. dba Nichols Day Camps, I would like to thank you for your many years of generous financial support. Since 1963 our organization has worked to provide valuable programming and life enriching experiences to area youth. Each year we make it our mission to keep our programs as accessible and affordable as possible for the hardworking families we serve. Every child deserves the opportunity to have the Maine Summer Camp experience, creating lifelong friendships and memories as well as fostering personal development.

In 2019 we took a hard look at how we could further support our community. We proudly became a Summer Feeding Site for the first time in Nichols' history. Each child could access a free, healthy lunch at camp which reduced financial stresses for many families. We added a bus route to and from Brooklin, giving families in every peninsula town an affordable transportation option. We worked with local organizations like Blue Hill Heritage Trust, Explore Outdoors and the Chewonki Foundation, to bring increased educational opportunities to campers all summer long. Perhaps most importantly, we collaborated with Community Compass and the Hatch Community Youth Fund to provide over 30 additional scholarships to area children that needed it the most.

This year, we are asking to be placed on your town meeting warrant with a request of \$ 2,500.

These funds help to defray the operating costs necessary to run the camp. The support that we receive from the peninsula towns we serve is critical to helping keep our fees reasonable for area families.

We are proud to be serving the town of Brooklin, as well as the many other towns in the area. Thanks to the generous support from our communities, we can continue to grow and be available for many generations to come.

Re: 2020 Town Warrant Request

Dear Selectmen,

The Peninsula Ambulance Corps respectfully requests that you add the following to your 2020 annual town meeting warrant:

*To see what sum, if any, the town will vote to raise and appropriate for the support of the Peninsula Ambulance Corps. Request \$18,894.00.*

This figure is based on your town's 2010-census population of 824 at \$22.93 per capita. The per capita figure is composed of \$18.50 for operating support and \$4.43 for the ambulance replacement reserve.

We are still in the process of finalizing our 2020 budget and will make it available to you soon.

If there is any further information you and your Budget Committee would find helpful, or if you would like us to appear before you, please let me know.

Thank you for your consideration of this request.

Sincerely,

Report to the Towns 2019 01.23.2020

### **PENINSULA AMBULANCE CORPS**

This was the first year of Peninsula Ambulance Corps (PAC) 6<sup>th</sup> decade! Our longevity is due not only to the dedication of staff and management but also to the steadfast support of our Town governments and those many private citizens who respond to our appeal every year.

Our new manager, Alan Henschke, completed his first full year at PAC. The management team is continuing to reorganize our business model to improve efficiency and to match our staffing model with call volume patterns. 2019 performance demonstrates how these changes have improved our bottom line. We have had an increase in the availability of ambulances to serve the community and an increase in our call volume.

PAC has partnered with Healthy Peninsula, At Home Downeast, and Northern Light Blue Hill Hospital to provide Community Paramedicine services to the communities we serve and been approved by the State of Maine to do so. Funded by a grant, there is no charge to patients at this time. The program enables EMS staff to visit patients in their homes and provide services such as welfare checks, home safety evaluations, medication reconciliation, vital sign checks and other procedures as requested by a patient's physician. PAC then provides reports to the patient's physician and care givers.

We are proud of our 5 full-time and 25 part-time staff—the Paramedics and EMTs who make the program work. We continue to provide staff with continuing education for mandated federal and state classes. Our employees like their jobs and provide real benefit to the communities we serve.

Our fleet of three ambulances allows us to maintain our staffing model of two on-duty ambulances with a spare to use when an ambulance needs to be serviced. This also allows us to staff the third ambulance for a stand-by such as the Blue Hill Fair and at times of high call volume. We utilize management to staff the third ambulance during these high-volume times, which allows us to respond to more calls.

Our largest customers remain Medicare (federal government) and Medicaid/ MaineCare (state government). Together, they represent 44% of our billing. However, for every \$1 of that billing, we are paid only \$0.70 at best. Medicaid reimbursements are often less than 50%. This accounts for most of our operating deficit. The remaining shortfall is the result of running a service in a large territory with a small population.

Call volume—the basis upon which we are reimbursed—was 1,448, an increase of 370 calls from 2018. Totals by Towns are given in the chart below. Inter-hospital patient transports, which were 39% of call volume, are also included in call totals. We identified another 25 calls (all non-emergency) which we could have completed if we had had available staff. This is down from 69 calls in 2018. This increase improves our income and our service to all residents of the Greater Blue Hill Peninsula.

**2019 Calls by Town**

Blue Hill	715	Penobscot	77
Brooklin	48	Sedgwick	86
Brooksville	62	Surry	177
Castine	111	Other Towns	172

We decrease our deficit in three ways: with the support of our town governments, by individual donations to our annual appeal, and by using volunteer board members to accomplish administrative and fund-raising tasks.

This year we are asking our Towns for the same support as last year: \$18.50 for the operating budget and \$4.43 for the ambulance reserve fund, for a total of \$22.93 per capita. Next year, in addition to increasing our call volume, we will be further invigorating our annual campaign.

Staff and ambulances are the visible aspects of PAC, but community loyalty and the funds provided by the Towns are its lifeblood. Our annual appeal to the public provides an essential and remarkably consistent source of support, but we must rely to the greatest extent on the common sense of Town governments and citizens to understand the necessity for an ambulance service, and that, if we don't hang together and make it work, no one else will.

We thank you for your steady and generous support.

The American Red Cross responds to more than 62,000 disasters each year, and the clear majority of those are home fires. We work in communities across Maine to prepare for, prevent and respond to natural and man-made disasters and help families to recover.

The Red Cross is committed to meet the emergency needs of each and every family in Brooklin. In FY2019, the Red Cross responded to the emergency needs of 394 families in Maine and will continue to be there to help our neighbors in need around the clock and across Maine, including 27 people in Hancock County.

The American Red Cross respectfully requests the generous financial support of \$650 used locally, right here in Maine to support individuals and families following a disaster.

Within minutes of learning about a home fire, local Red Cross volunteers are on the scene providing care and comfort to those affected. One way we help is by ensuring that their immediate needs, such as food and shelter, are met. We do this by providing families with client assistance cards, which they used to purchase essential items that were lost in the fire. This card often represents the first step in recovery following a home fire, but we need your continued support to offer these vital financial resources to your neighbors.

All Red Cross disaster relief is provided free of charge to individuals and families. The American Red Cross is not a government agency. Though our services are congressionally mandated, the American Red Cross relies on voluntary contributions from individuals, companies, municipalities and charitable organizations to deliver on our mission to alleviate human suffering.

With the support of neighbors like you, the Red Cross will always be ready.

**RE: Annual Request for Local Match Funds**

Dear Board of Selectmen:

Downeast Community Partners, formerly the Washington Hancock Community Agency and Child and Family Opportunities, wishes to extend a thank you to the Brooklin Selectmen and Town residents for your past support. WHCA and CFO merged effective October 1, 2017 to form Downeast Community Partners (DCP) to support a broad spectrum of the community as they strive to achieve self-sufficiency. Attached is a flyer that I hope will help you let townspeople know what we offer. If you would like more copies, please just ask.

DCP is requesting your support to apply for and leverage funding to provide and expand services to your community. DCP offers services designed to reduce the impact of poverty and isolation in your community. Many services offered by DCP have a direct impact on your expenditures by reducing reliance on your general assistance program.

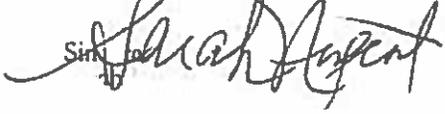

We are requesting \$3,502 to help low-income people in your community. During the last fiscal year, DCP provided \$70,055.17 in services to your community. Brooklin residents requested and received the following services:

<u>Services Provided</u>	<u>Number of Households/Individuals</u>	<u>Amount Expended/\$\$ Value</u>
Maternal and Child Health	1/3	\$150
Friendship Cottage	1/	\$19,200
The Heating and Warmth Fund (THAW)	3/9	\$642.50
LIHEAP (Fuel Assistance)	14/18	\$16,378
Resource Advocate	1/3	\$100
Free Income Tax Preparation	8	\$1,600
Transportation (number of rides, not individuals)	117	\$5,726
Aging IN place	7/	\$12,050
Head Start	1/1	\$14,359
<b>Total</b>		<b>\$70,055.17</b>

In addition to the above, DCP operates the Helping Hands Garage Program, which makes reliable used cars available at reasonable rates and terms; and offers business loans to local entrepreneurs.

As one of the larger non-profits in eastern Maine, DCP employs two Brooklin residents.

Thank you for your consideration. We would like to meet with you or your budget committee to answer any questions or address any concerns. Please let me know the appropriate meeting date so that we can be sure to have someone attend. You can reach me at 610-5944.

Board of Selectmen  
Town of Brooklin  
P.O. Box 219  
Brooklin, ME 04616

Dear Selectmen:

The coming year is expected to be a very exciting time for all citizens in the town of Brooklin and the Blue Hill Peninsula. The pending opening (summer 2020) of the Lawrence Family Center will offer additional benefits to the town through the town funding program of the YMCA.

The funds requested and received from the town will stay locally and be allocated to the Blue Hill YMCA to compensate for the additional costs that will be associated with enhanced usage due to the location of the new facility in Blue Hill. Therefore, we are asking for a modest increase to our request in anticipation of increase usage of citizens from Brooklin. In 2019 we received \$1300, thank you; in 2020 we are asking the Town to support the Blue Hill YMCA at a level of \$1600.

- Presently, there are 42 Citizens of Brooklin who are members of the YMCA. I am pleased to inform that these members now have the ability to utilize any YMCA in the country. This constitutes over 2,700 independent YMCA's throughout the country. A tremendous value to all members of the YMCA.
- In January 2019, the YMCA implemented Membership For All (MFA). MFA is a sliding scale for people to pay what they can afford. The funds received from the town helps subsidize the support. To date we have supported \$1174 to citizens in the town of Brooklin
- The Blue Hill YMCA is also pleased to announce the opening of our **FREE Senior Center** located at the YMCA on South Street – behind Tradewinds Market. This center is a great opportunity for all seniors to gather, socialize and enjoy an atmosphere of friendship. The center is open Monday – Friday 8 am – noon. For more information call the Blue Hill Y at 374-2248.
- Towns, who are able to recruit enough children to form a sports team, may participate in the YMCA leagues free of charge. If a town does not have the ability to form a team, individual children can play in the Y league at a minimal cost. The Y scholarship program is available for families who cannot afford the nominal program fee. Last year the Town of Brooklin had an average of 0 teams participating in the Y leagues - a savings of \$0.
- Lastly, all citizens have the ability to utilize the **YMCA FREE** of Charge on Saturday and Sunday from 1:00 pm – 5:00 pm. What a great way for families to have fun together throughout the year. Last year the YMCA had 82 visits from citizens of Brooklin that has a cash value of \$ 820. The addition of the Lawrence Family Center will increase this benefit to all citizens of Brooklin. We are confident that a majority of the citizens of Brooklin will take advantage of the FREE usage of the Y on weekends.

Selectmen, the above opportunities are provided because of the town's support of the YMCA and I hope you will consider funding the YMCA at the new modest level of \$1600. Please let me know the date and time of the town's budget and/or town meeting, and I would gladly attend to answer any questions you may have.

Sincerely,

Peter D. Farragher

Dear Mrs. Candage:

Founded in 1883, Community Health and Counseling Services (CHCS) provides home health and mental health services to over 9,000 adults and children in communities throughout Maine. CHCS supports: adults with severe and persistent mental illness who need assistance in achieving and maintaining independence while living within their communities; children and their families who are in need of intensive help in dealing with emotional and behavioral problems; homebound individuals with serious or terminal illnesses or dealing with a disability who may need home health services and end-of-life-care (hospice).

CHCS appreciates the past support of your municipality. Our services exist to help people remain in their home and community. Your past support has averaged \$100. We recognize the economic challenges facing all Maine communities and municipalities. Your appropriation will be used to help us to continue to make our services available to those in need. Thank you for consideration of our request.

William Cohen, Chair, Board of Selectmen  
Town of Brooklin  
PO Box 219  
Brooklin, ME 04616

Dear William,

*Thank you for your past funding of LifeFlight of Maine. Town support is crucial to our ability to provide critical care and transport to patients across the state. It also helps us leverage major grants. Donations from towns help support the purchase of needed replacement aircraft and deliver advanced education to local emergency medical providers.*

Since 1998, 39 Brooklin residents have been cared for by LifeFlight with 5 in the past year. Since the beginning there have also been 9 scene calls - where LifeFlight has landed directly in your town to support your local Fire/Rescue and EMS care for a patient.

Each year, LifeFlight reaches out to towns throughout the state to help support our mission of caring for Maine. LifeFlight provides a variety of services to your community and citizens, including:

- Direct scene response when called by EMS and Fire/Rescue agencies
- Transport of critically ill or injured patients already in a hospital that need specialty care
- Access to very specialized care and organ transplantation – going as far as Durham, North Carolina and Cleveland, Ohio
- Mutual aid for disaster events such as the recent tragedy in Farmington
- Clinical education for EMS providers

Over the past twenty years LifeFlight has cared for more than 27,000 patients, and the need for this service continues to grow. Requests are up 11% in the last year due to Maine's demographics, changes in stroke and cardiac care, and changes in services at our community hospitals. To meet this need, LifeFlight staffs teams at our bases in Sanford, Lewiston, and Bangor using 3 helicopter, a fixed wing airplane, rapid response vehicles, and specialized ground ambulances. Together these teams care for Maine by clinically supporting the work of your local EMS, and Fire/Rescue in a 24 hours a-day, 365-days-a-year partnership.

LifeFlight takes care of all patients regardless of location, insurance status, or the ability to pay for the cost of care. In Fiscal Year 2019 LifeFlight provided \$2.2 million of uncompensated care. A nonprofit charity, LifeFlight of Maine is among the most efficient providers of critical care air medical services in the country, with the lowest costs and charges in New England, while maintaining the highest level of safety and clinical performance.

In a serious emergency, every minute counts. In meeting Maine's need for critical care, every town's participation counts. I hope Brooklin will consider a donation of \$824 this coming fiscal year (a rate of \$1 per capita) to support the aircraft fund. Thank you for your past and continued support of this vital public service. Thank you for helping us be there when needed.

We have attached background information and our financial summary from Fiscal Year 2018. Please contact Victoria Bathgate at The LifeFlight Foundation at 207 230-7092 or vbathgate@lifeflightmaine.org with any questions. If additional information or a specific town application form is required with the request, please let us know.

Sincerely,

Dear Ms. Hardy,

Each year Yesterday's Children, Inc. request funds from the towns of Hancock County. As in previous years, we are again being subjected to increased regulatory requirements and decreased funding. Yesterday's Children has been supporting people with intellectual and developmental disabilities in Hancock County for over 35 years. We provide three different types of services, including habilitation services, group home services and 24-hour nursing care services. Please consider joining the other towns in Hancock County supporting this not-for-profit organization.

We are requesting the amount of \$300.00 from your town to help support expenses that are necessary to the people we serve. All donations received from area towns are used specifically to provide dental care, eye care and adaptive equipment required to meet our client's needs, but are not covered by Medicaid.

We appreciate your consideration of this request, please contact us at (207) 667-3028 if you have any questions or would like more information.

Dear Friends,

As 2019 ends and 2020 begins, I am pleased to report that Congress made progress on a number of issues important to Maine families despite the polarization in our country.

In a major win for surviving military and retiree spouses to whom we are deeply indebted, I was proud to co-lead the repeal of what is often referred to as the "Military Widow's Tax," an unfair offset of survivor benefits that has prevented as many as 67,000 surviving spouses—including more than 260 from Maine—from receiving the full benefits they deserve.

The high cost of health care and prescription drugs continues to be a top issue for families and seniors. To provide continued relief for more lower- and middle-income individuals, I led the charge to extend for another two years the medical expense tax deduction that I included in the 2017 tax law. Without this extension, nearly 20,000 Mainers and millions of Americans with high medical expenses, including many with preexisting conditions, would have faced an increased tax burden. In other good news, the CREATES Act I cosponsored became law. It will prevent pharmaceutical companies from blocking access to a sufficient supply of brand-name drugs needed for the studies that allow less expensive alternatives to enter the marketplace.

Improving people's health and wellbeing remains my priority. On a per capita basis, Maine has the highest incidence of Lyme disease in the country. In August, I held a Senate hearing at the University of Maine's Tick Lab on this growing public health crisis. A comprehensive public health strategy to combat this epidemic is needed, and the new law I authored will do just that.

In addition, I helped champion another \$2.6 billion increase for the National Institutes of Health, our nation's premiere biomedical research institution, including significant boosts for Alzheimer's disease and diabetes research. Last year, NIH funded more than \$111 million for research at 14 Maine institutions.

To help prepare the graduates of Maine Maritime Academy, I secured \$300 million for a new training ship, which will ensure rigorous instruction for MMA students for decades to come.

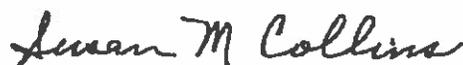

Significant federal funding was approved for work at Bath Iron Works and Portsmouth Naval Shipyard. Funding appropriated by Congress will pay for three new destroyers, make a down payment on an additional ship, and finance infrastructure improvements at PNSY.

As Chairman of the Transportation and Housing Appropriations Subcommittee, I have led efforts to improve our nation's crumbling infrastructure and ensure that Maine's housing needs are addressed. For Maine's roads, bridges, airports, and seaports, tens of millions in federal funding will help make urgently needed upgrades and improve safety. Funding will also support housing assistance to low-income families and seniors and aid communities in reducing homelessness among our youth. The Community Development Block Grant program will assist numerous towns and cities in our State.

The Aging Committee I chair has continued its focus on financial security for our seniors. A new law I authored will make it easier for small businesses to offer retirement plans to their employees. Our Aging Committee's Fraud Hotline fielded more than 1,200 calls this year. Congress passed a new law to crack down on robocallers who are often the perpetrators of these scams. And a new law I authored will expand the IRS' Identity Protection PIN program nationwide to prevent identity theft tax refund fraud.

At the end of 2019, I cast my 7,262nd consecutive vote. In the New Year, I will keep working to deliver bipartisan solutions to the challenges facing Maine and the nation. If ever I can be of assistance to you, please contact one of my state offices or visit my website at [www.collins.senate.gov](http://www.collins.senate.gov). May 2020 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins

## HOUSE OF REPRESENTATIVES

2 STATE HOUSE STATION

AUGUSTA, MAINE 04333-0002

(207) 287-1400

TTY: (207) 287-4469

Dear Brooklin residents:

It is an honor to serve as your State Representative. Over the next few months, I will be working hard on your behalf to provide responsive constituent services, be your advocate in the State House, and advance legislation that improves life in our district and in our state.

During the Legislature's second session, we will review more than 650 pieces of legislation covering a wide variety of topics. Last year, our Legislature passed bills to expand health care coverage, reign in the skyrocketing prices of prescription drugs, address climate change, lift up working Maine families, support our schools, improve broadband access, and provide meaningful property tax relief.

When it comes to health care, we are focused on making sure comprehensive care is not limited by age, gender, pre-existing conditions, or income. There are bills up for discussion that would address surprise billing, cap out-of-pocket costs for medications like insulin, and improve dental health coverage. Every Mainer deserves access to quality, affordable health care, and we are fighting for just that.

With a roadmap provided by the 10-year strategic economic development plan from Gov. Mills, our Legislature will also be working to implement policies that grow jobs and support local industries. Mainers are willing to work, and we need secure, good-paying jobs that support our families, strengthen our communities, and grow our economy.

I continue to serve on the State and Local Government Committee, where we are working on legislation related to Maine's aging population, our state's roads, and procurement of American-made goods.

The work I do in Augusta is an extension of the important work we all do here for our community. It is about moving forward together, sharing the load, and making sure that everything we do reflects shared values, hopes, and dreams about what we want this community, and our state, to be. Please contact me if I can be of any help, if you want to discuss or testify on any legislation, or if you would like to visit the State House. My email is [Sarah.Pebworth@legislature.maine.gov](mailto:Sarah.Pebworth@legislature.maine.gov). My phone number is (207) 479-4741. I also send out periodic e-newsletters. Please let me know if you would like to receive them.

Respectfully,

M4. To see if the town will vote to allow the Select Board to appoint all other Town Officials.

M5. To see what sum the town will vote to raise and appropriate for **Administration** for the following tax year.

Prior year \$148,050.00

**(Recommended by the Select Board \$144,600.00)**

## 2020-2021 BROOKLIN SCHOOL ARTICLES

S1. To see if the Town will vote to authorize the School Committee to enter into agreements with other Towns or Schools for the 2020-2021 school year for the tuition of secondary students up to the legal limit established by the Maine Revised Statutes for the education of its secondary students.

S2. In fiscal year 2020-21 shall the School Committee be authorized to pay George Stevens Academy an additional \$300.00 more per student than the state prescribed IVF rate for those students attending George Stevens Academy during the 2020-2021 School Year. School Committee Recommends: \$9,000.00. *Prior year \$0.00*

S3. To see what sum the Town will authorize the School Committee to expend for PreK-12 Regular Instruction. School Committee Recommends: \$1,025,174. *This article includes regular elementary and secondary education accounts. Prior Year \$969,754.*

S4. To see what sum the Town will authorize the School Committee to expend for Special Education. School Committee Recommends: \$271,274. *This article includes special education instruction and administration accounts. Prior Year \$214,881.*

S5. To see what sum the Town will authorize the School Committee to expend for Career and Technical Education (CTE). School Committee Recommends: \$1,500. *Prior Year \$2,600.*

S6. To see what sum the Town will authorize the School Committee to expend for Other Instruction. School Committee Recommends: \$24,102. *This article includes extra and co-curricular accounts. Prior Year \$22,559.*

S7. To see what sum the Town will authorize the School Committee to expend for Student and Staff Support. School Committee Recommends: \$59,384. *This article includes guidance, school nurse (health), technology, curriculum development, staff development, school library and student assessment accounts. Prior Year \$78,818.*

S8. To see what sum the Town will authorize the School Committee to expend for System Administration. School Committee Recommends: \$98,961. *This article includes school committee, superintendent's office and central office services accounts. Prior Year \$85,700.*

S9. To see what sum the Town will authorize the School Committee to expend for School Administration. School Committee Recommends: \$141,802. *This article includes the school principal office account. Prior Year \$138,694.*

S10. To see what sum the Town will authorize the School Committee to expend for Transportation and Buses. School Committee Recommends: \$178,611. *This article includes the bus contract/bus fuel account. Prior Year \$171,636.*

S11. To see what sum the Town will authorize the School Committee to expend for Facilities Maintenance. School Committee Recommends: \$205,458. *This article includes school building maintenance and operation account. Prior Year \$223,077.*

S12. To see what sum the Town will authorize the School Committee to expend for All Other Expenditures Including School Lunch. School Committee Recommends: \$36,359. *This article includes school lunch. Prior Year \$36,359.*

S13. To see what sum the Town will appropriate for the school administrative unit's contribution to the total cost of funding public education from prekindergarten to grade 12 as described in the Essential Programs and Services Funding Act (School Committee Recommends: \$1,093,273) and to see what sum the town will raise as the municipality's contribution to the total cost of funding public education from prekindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with the Maine Revised Statutes Title 20-A, § 15688. School Committee Recommends: \$978,273.

*Explanation: The town's contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount that the town must raise in order to receive the full amount of state dollars. The town must raise \$978,273 to get state subsidy of \$115,000.*

S14. (Written Ballot Required) To see if the Town will raise and appropriate \$819,000 in additional local funds, which exceeds the State's Essential Programs and Services allocation model by \$819,000 as required to fund the budget recommended by the school committee. School Committee Recommends: \$819,000. *Prior year \$790,341.*

*The School Committee gives the following reasons for exceeding the State's Essential Programs and Services funding model: The additional local funds request exceeds the EPS funding model because the school spends more per pupil on regular education, special education, student and staff support, administration and facilities maintenance than the EPS formula recognizes.*

*Explanation: The additional local funds are those locally raised funds over and above the town's local contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act that will help achieve the school's budget for educational programs.*

S15. To see what sum the Town will authorize the School Committee to expend for the fiscal year beginning July 1, 2020 and ending June 30, 2021 from the school administrative unit's contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act, additional local funds for school purposes under the Maine Revised Statutes, Title 20 A, §15690, sabbatical reserve account funds, unexpended balances, tuition receipts, local appropriations, state subsidy and other receipts for the support of schools. School Committee Recommends: \$2,042,625. *Prior year \$1,944,078.*

S16. To see what sum the Town will raise and appropriate for Food Service. School Committee Recommends: \$36,359. *Prior year \$36,359.*

S17. Shall the Town vote to accept the categories of estimated funds listed below as provided by the Maine State Legislature?

<u>Category</u>	<u>Anticipated Amount</u>
E.S.E.A. Funds	\$25,000
State Subsidy	\$115,000
School Lunch Reimbursement	\$15,000
Special Educ. Local Entitlement	\$24,000

S18. To see if the Town will authorize the School Committee to expend grant monies in addition to expenditures approved in the regular school budget.

S19. To see if the Town will authorize the School Committee to transfer in excess of 5% between cost centers, not to exceed the total spending allocation for the 2020-2021 school year, to balance accounts.

*Reasons: Under Maine Law only the voters can give authority for the School Committee to transfer in excess of 5% between cost centers. By granting this authority now, it would eliminate the calling of a special town meeting, if necessary, to balance accounts.*

Net total for the 2020-21 school budget to be raised from local taxes: \$1,797,273.  
\$1,747,319 raised in 2019-20.

Reserve Account Balances from the 2018-2019 Audit

Technology	\$14,223
Secondary Tuition	\$52,593
Maintenance	\$74,200
Sabbatical	\$2,168
Bus Fuel	\$9,075

Before putting the real estate out to bid, the Selectmen shall authorize the Treasurer to offer the real estate to the immediate prior owner of record, his/her estate, heirs or assigns on or before a date certain, for the total taxes, costs and interest owed. The Select Board shall use the special sale process required by 36 M.R.S. §943-C for qualifying homestead property if they choose to sell it to anyone other than the former owner(s). In the event the real estate is to be sold by sealed bid, a notice of the time, date and place for the submission of bids and opening of said bids shall be published in a newspaper of general circulation in Brooklin at least two weeks prior to the date of the bid opening and posted for two weeks at the Post Office and two other conspicuous places in Brooklin.

M60. **(Written ballot required)** To see if the town will vote to increase the property tax levy limit of \$724,375.00 established for the Town of Brooklin by state law in the event that the municipal budget approved under the previous articles will result in a tax commitment that is greater than that property tax levy limit.

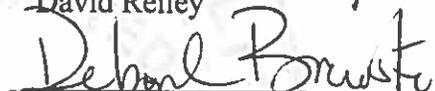

M61. To see if the town will vote to hold the Annual Town Elections and Meeting on Friday, April 2 and Saturday April 3, 2021.

The Registrar of Voters hereby gives notice that she will be available at the Brooklin Town Office on April 3rd, 2020 beginning at 1:30 P.M. to conduct voter registration and changes.

Dated this 27<sup>th</sup> day of February, 2020.

# IN MEMORY OF JUDITH FULLER

NOVEMBER 9, 1936 – JULY 15, 2019

Judith was a loyal volunteer and supporter of the Brooklin Keeping Society for over 15 years.

She had remarkable strength in fund raising projects. Her dedication and strong character was a valued asset to the Keepers and an inspiration to all she touched in our small town. As remembered, “It’s important to do something everyday that makes you happy”.

~ Brooklin Keeping Society

Judith was a passionate advocate for children. Her dedicated work with the Brooklin Youth Corps improved the lives of an entire generation of our teenagers. Judith had an uncanny knack for recognizing the unique talents of each child and letting them know just how special they were to her.
