2021-2022 BROOKLIN SCHOOL ARTICLES

Articles S1 - S16, except for S11(written ballot) passed unanimously. One resident asked where the article was in the warrant that covered the tuition increase for George Stevens Academy, Chris Elkington, superintendent stated that the amount for tuition was included in the K-12 grade tuition line.

- S1. To see what sum the Town will authorize the School Committee to expend for PreK-12 Regular Instruction. School Committee Recommends: \$999,991. This article includes regular elementary and secondary education accounts. Prior Year \$1,025,174.
- S2. To see what sum the Town will authorize the School Committee to expend for Special Education. School Committee Recommends: \$268,178. This article includes special education instruction and administration accounts. Prior Year \$271,274.
- S3. To see what sum the Town will authorize the School Committee to expend for Career and Technical Education (CTE). School Committee Recommends: \$500.00. Prior Year \$1,500.
- S4. To see what sum the Town will authorize the School Committee to expend for Other Instruction. School Committee Recommends: \$21,854. This article includes extra and co-curricular accounts. Prior Year \$24,102.
- S5. To see what sum the Town will authorize the School Committee to expend for Student and Staff Support. School Committee Recommends: \$68,047. This article includes guidance, school nurse (health), technology, curriculum development, staff development, school library and student assessment accounts. Prior Year \$59,580.
- S6. To see what sum the Town will authorize the School Committee to expend for System Administration. School Committee Recommends: \$104,911. This article includes school committee, superintendent's office and central office services accounts. Prior Year \$98,961.
- S7. To see what sum the Town will authorize the School Committee to expend for School Administration. School Committee Recommends: \$145,310. This article includes the school principal office account. Prior Year \$141,802.
- S8. To see what sum the Town will authorize the School Committee to expend for Transportation and Buses. School Committee Recommends: \$170,653. This article includes the bus contract/bus fuel account. Prior Year \$178,611.
- S9. To see what sum the Town will authorize the School Committee to expend for Facilities Maintenance. School Committee Recommends: \$222,690. This article includes school building maintenance and operation account. Prior Year \$205,458.

S10. To see what sum the Town will appropriate for the school administrative unit's contribution to the total cost of funding public education from prekindergarten to grade 12 as described in the Essential Programs and Services Funding Act (School Committee Recommends: \$1,177,148) and to see what sum the town will raise as the municipality's contribution to the total cost of funding public education from prekindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with the Maine Revised Statutes Title 20-A, § 15688. School Committee Recommends: \$1,074,908. *Prior year \$978,273*

State-Mandated Explanation: The Town's contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount (\$1.074.908) that the town must raise in order to receive the estimated amount (\$102.240) of state dollars.

S11. (Written Ballot Required) To see if the Town will raise and appropriate \$779,986 in additional local funds, which exceeds the State's Essential Programs and Services allocation model by \$779,986 as required to fund the budget recommended by the school committee. School Committee Recommends: \$779,986. *Prior year \$819,000*.

State-Mandated Explanation: The additional local funds are those locally raised funds over and above the town's local contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-state-funded debt service that will help achieve the Town's budget for educational programs.

- S12. To see what sum the Town will authorize the School Committee to expend for the fiscal year beginning July 1, 2021 and ending June 30, 2022 from the school administrative unit's contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act, additional local funds for school purposes under the Maine Revised Statutes, Title 20 A,§15690, sabbatical reserve account funds, unexpended balances, tuition receipts, local appropriations, state subsidy and other receipts for the support of schools. School Committee Recommends: \$2,002,134. *Prior year \$2,042,625*.
- S13. To see what sum the Town will raise and appropriate for Food Service. School Committee Recommends: \$30,144. *Prior year \$36,359*.
- S14. Shall the Town vote to accept the categories of estimated funds listed below as provided by the Maine State Legislature?

<u>Category</u>	Anticipated Amount
E.S.E.A. Funds	\$27,000
State Subsidy	\$102,240
School Lunch Reimbursement	\$27,000
Special Educ. Local Entitlemen	t \$26,000

S15. To see if the Town will authorize the School Committee to expend grant monies in addition to expenditures approved in the regular school budget.

S16. To see if the Town will authorize the School Committee to transfer in excess of 5% between cost centers, not to exceed the total spending allocation for the 2021-2022 school year, to balance accounts.

Reasons: Under Maine Law only the voters can give authority for the School Committee to transfer in excess of 5% between cost centers. By granting this authority now, it would eliminate the calling of a special town meeting, if necessary, to balance accounts.

Net total for the 2021-22 school budget to be raised from local taxes: \$1,885,038.

Prior year raised \$1,833,632

Reserve Account Balances from the 2019-2020 Audit

Technology	\$14,296
Secondary Tuition	\$52,865
Maintenance	\$74,585
Sabbatical	\$2,179
Bus Fuel	\$9,122

END OF SCHOOL ARTICLES

Articles M6 – M27, discussion from resident P. Sly on Article M21 reminding residents of a reckless driving incident on Naskeag Rd which left him injured and the person responsible was not held accountable by laws and hoped that better security measures would be put in place. H. Gideonse commented that he hoped that the Select Board would continue to work with local law enforcement on the issue. Selectman Cohen stated that they have met with MDOT twice and there should be a proposal in few weeks for a summer demo project in the middle of Town to attempt to recognize problems and find an approached to deal with the safety, speed, and traffic in the center of Town. J Wilson asked what that might look like, Cohen replied, that possible signage, painted sidewalks, and other visual ques to remind drivers to slow down would be considered. Article M15 was read by Wilson and noted that the article was different then what was posted in the printed Town reports.

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Brooklin, in said county and state, qualified by law to vote in town affairs, to meet at the Brooklin School Gymnasium on Thursday, the 21st day of October A.D. 2021 at 7:00 P.M., then and there to act upon Articles 1-2 as set out below, to wit:

The meeting was opened by clerk Heather Candage

- 1. To choose a moderator to preside at said Special Town Meeting.

 Jonathan Wilson was nominated, seconded, and elected unanimously as Moderator for this meeting.

 Prior to reading article 2, Wilson requested a motion to add the word "which" as noted below.
 - 2. Shall the Town of Brooklin authorize the Select Board to enter into and adopt the Interlocal Agreement Concerning Open-Access Fiber Optic Networks, substantially in the form presented to this Town Meeting and which has been on file in the Town Clerk's Office, a copy of which is incorporated herein by reference, with such modifications and changes to the dates, terms, and deadlines, and other details as the Select Board shall determine, and form the Rural Broadband Access Corporation as anticipated by said Agreement, and to authorize the Select Board to authorize said Corporation to acquire, lease, and sell property in furtherance of its purposes, to raise revenue per the terms of the Agreement, and to issue one or more revenue bonds in accordance with 30-A M.R.S § 2203(9) and the Agreement.

Article was moved, seconded, discussion: resident Jerry Gray asked about the cost, longevity, and if this has been done before in other communities, Selectman W. Cohen replied with a brief history of the project, the estimated cost and that similar agreements in Baileyville, the mid coast region, and Vermont have been successful. Gray also asked if the \$10,000 appropriation in the Weekly Packet was incorrect, Cohen confirmed that it was. Resident Peter Sly asked why we weren't in cooperation with Blue Hill and Deer Isle, Cohen explained that we are talking with other area towns and most of those towns have access to cable (Spectrum) service. Sly asked about mapping for fiber service, Cohen explained that this would need to be included as part of the project. Nonvoter, Kevin Sparks asked to comment, voters unanimously voted to approve his speaking. Sparks stated that he has a history in telecommunication and that open access has the benefit of competition which leads to good service. A motion was made, seconded and the article passed by majority. Meeting adjourned at 7:35PM

Town of Brooklin

Incorporated June 2, 1849 23 Bay Road - PO Box 219 Brooklin, Maine 04616

To our fellow Brooklin citizens:

2021 was another unusual and, at times, difficult year. Through the pandemic, community members continued to volunteer, making Brooklin a better place to live. For all of you that contributed, we extend a giant THANK YOU. Without you, many services and programs would not exist. We are proud to be a part of this community.

Accomplishments in 2021:

- Through the pandemic, Town Office functions kept operating. Heather, Tammy and Judy deserve credit for providing services during this challenging time.
- Brooklin and Sedgwick signed an interlocal agreement creating the Rural Broadband Access Corporation (RBAC), with the intent to design, fund (with ARPA funds) and build a municipal fiber-tothe-home network.
- The Center Harbor ramp continues to receive attention as the concrete ramp was extended 24 feet toward low tide.
- Preliminary engineering at Naskeag landing began with an eye toward additional waterfront access, better parking and beach improvements.
- Brooklin's new assessing agent completed an initial file review of properties to ensure that our records are accurate and complete.
- Brooklin, Sedgwick and Brooksville continued to work with the Blue Hill/Surry Transfer Station board aiming to update and improve the 2007 agreement under which the three sending towns have been operating.
- A group of volunteers, under the direction of HCPC, began to review the 2003 Comprehensive Plan. We expect the survey will provide useful feedback with an eye toward the future. Thank you to this group of dedicated volunteers who continue to work on a project which will provide us all with real value going forward.
- A portion of ARPA funds was used to recognize 26 first responders. The additional money augmented the gas and clothing allowance.

Looking forward to 2022:

- RBAC will continue to design and seek funding for the Brooklin/Sedgwick fiber-to-the-home municipal utility district to provide state of the art high speed internet.
- Access improvements to Naskeag landing will continue.
- Additional length to the new cement launch ramp at Center Harbor will be pursued.
- The Select Board will continue to work with the BH/Surry Transfer Station, Sedgwick and Brooksville on an updated interlocal agreement for solid waste disposal.
- Comprehensive Plan Committee will continue its work and make recommendations based on the survey completed and public conversation during the process.
- A second round of ARPA funding will be received and allocated with the bulk of dollars going to RBAC.

Phone: 207-359-8394 Fax: 207-359-9824 Email: selectboard@brooklinmaine.com Website: brooklinmaine.com

We miss Deborah Brewster and strive to be guided by the memory of her kind, gentle, and thoughtful approach to the Select Board responsibilities.

After decades of service (and following in his father's footsteps) Neil Allen has decided to retire as Brooklin Road Commissioner. Driving Brooklin's roads without Nell and his crew working roadside will certainly be different. We will miss Neil and wish him nothing but the best in retirement. THANK YOU, Neil!

Please come see us at the Town office with any comments or concerns (Tuesdays 1-5pm and Thursdays 2-4 pm). We welcome the opportunity to meet you. Our formal agenda meetings are every two weeks. Please check out our website for agendas and minutes.

Be safe ...

BROOKLIN VOLUNTEER FIRE DEPARTMENT

Dear Town of Brooklin:

INCIDENTS & TRAINING

This year the Fire Department has been very busy, with our Volunteer Firefighters responding to 144 incidents, totaling 800.5 hours. We also completed 401 hours of training, which included the following:

Structural Fire Attach
Emergency Vehicle Operations
EMS
Pumper Training
Basic Firefighter Training
Covid 19 Training
Cold Water Rescue
Extrication Training

FUTURE GOALS

The Department will continue to focus on Recruitment, Education and Training.

CHIMNEY INSPECTION

The Brooklin Fire Department would like to remind you to have your chimney inspected annually by a professional chimney sweep. It is also important to check the batteries in your smoke/carbon monoxide detectors and hold family fire drills regularly.

BURN PERMITS

As spring is approaching on us, please remember you are required to have a burning permit for any burning of brush or fields. To obtain your burn permit, please contact Peter Gray (610-3791), Jerry Gray (359-2055), Scott Holden (479-1355), Tom Morris (619-3360).

VOLUNTEERS NEEDED

We are always looking for volunteers, so please feel free to check out our website at www.brooklinfa.orc, call by the firehouse any Tuesday night at 6:00pm, or contact Sam Friend at 669-2469 for more information.

THANK YOU VOLUNTEERS

Our volunteers dedicate many hours of training to ensure all emergencies are handled in a professional and timely manner. Without their dedication, the Fire Department would not be able to operate as efficiently as it does, and I THANK EACH AND EVERY FIRE FIGHTER & EMS MEMBER VERY MUCH!!

Code Enforcement Officer Judy Jenkins

What is the Planning Board?

The Planning Board consists of five volunteer members and two alternate members, appointed by the Board of Selectmen. Each member serves for five years, with one member's term expiring each year. The Board's public sessions are held at the Town Office, on the first Thursday of each month. All meetings are open to the public. The Planning Board reviews and approves subdivisions applications and all site plan review applications and shoreland zone permits applications not reviewable by the Code Enforcement Officer.

To the Citizens and Taxpayers of Brooklin,

February 3, 2022

2021 was a busier than usual year for the Planning Board. We reviewed and issued eight Shoreland Zoning permits, one for a dock, two for rip rap, two new residences, one garage, one change of use to add an apartment, and one to move an existing home to an adjacent lot. Also approved were a split of a subdivision lot, commercial renovations and two new businesses. One change of use application was tabled until further guidelines were defined and met.

We had some changes on the board this year and would like to thank Dana Candage for his years on the board and welcome our new members.

Respectfully submitted,
The Brooklin Planning Board

Dear Residents/Taxpayers of Brooklin,

The Brooklin Shellfish Committee was able to maintain regular monthly meetings in 2021.

Water testing continues in Herrick Bay through a collaborative effort of Brooklin and Maine Department of Marine Resources. We intend to reopen the head of Herrick Bay to recreational and commercial harvesting in the near future. This effort is spearheaded by committee members Si Balch and Mike Thalhasuer, who are collecting the necessary water samples.

Sam Friend is the Brooklin Shellfish Warden and is a great resource and contact for any concerns regarding harvesting activities and can be reached at 207-669-2469.

Licenses will be available for the 2022/2023 year beginning the first Tuesday in May and throughout the year. Recreational licenses are available to children and seniors, 65 and over, residents and non-residents, at no charge.

Another roadside clean up is scheduled for late April or early May. Please watch for notices announcing this annual event.

Alison Dibble will be stepping down from the committee, but has been an invaluable asset to us for many years. We are grateful for her steadfast service to the committee and to the town of Brooklin, and we wish her well.

We will be adding members this year to fill two vacancies on the committee. Anyone interested in helping us reach our goals can contact me at 207-460-9472.

Thank your continued support,

David M. Tarr, Chair

February 22, 2022

To the Town of Brooklin,

Thank you to all of my supporters over the years. It has been an honor to serve the town as Road Commissioner since the spring of 1977.

I give special thanks to Steve Pinkham, Bob McLaughlin, Bruce Boetti, Eddie Holden, Paul Carter and many others who have assisted me over the years.

Sincerely yours,

Neil Stanley Allen

Road Commissioner Town of Brooklin

2021 Friend Memorial Public Library Report

Thank you all for your support this past year. Continued COVID restrictions made planning events and programs more challenging but the stellar art exhibits, hybrid programs, donated outdoor furniture memorials, and outreach were extraordinary. The Maine Community Foundation Belvedere Historical Preservation Fund (Downeast) gave the library \$10,000 to replace the four front pillars of our 1912 Colonial-Revival building. While the pillars of the community are the people, having these new pillars preserves the historic building for future generations.

Lindsay Goodale, Art Exhibit Coordinator Volunteer, made sure that our exhibit room was in constant use with talented artworks from painters, photographers, sculptors, and other multimedia artists all year.

One of the event highlights for 2021 was "Cakes & Authors". Thank you to all who planned, volunteered, baked, authors who signed books, and local businesses who donated generous prizes in the free raffle. Other successful programs include the Photography Group called "Brooklin Camera Club" organized by Steve Greenberg, the monthly book group, and occasional weekend sewing makerspaces.

A handmade cedar picnic table with separate benches was donated in memory of James Straub, who loved the written word. This was donated by his cousin, Linda McAdoo.

Two beautiful, curved, granite benches engraved with Anne Bray and Deborah Brewster's names were lovingly dedicated on the library grounds on December 26. These new outdoor spots for patrons to sit and talk, work, and eat together are a welcome addition to the library garden area tended with professional care by Catherine Rees.

This past year we checked out 11,964 of our own items, 312 items from other libraries, 235 people borrowed a library public access computer, over 755 people attended in person programs, 1,394 eBooks / eAudios were borrowed, 80 deliveries were made to homebound patrons, and 7,623 people came in the library.

We are grateful for our volunteers and staff who in the past year helped serve library patrons. New staff member, Catherine Nevin, who is working towards a Master's Degree in Library Science, took over our Social Media Posts and is helping us integrate more technical services and programs for the library and patrons. Volunteers and staff began the task of adding new barcodes to all items which will enable the library to be part of a Maine State Library Network, such as Minerva. Being in a library consortium will facilitate seamless material requests and renewals for all patrons.

We thank Brooke Dojny for her guidance in 2021 as board president, thus concluding two consecutive terms of three years each on the board. Her dedication, hard work, and thoughtfulness are much appreciated.

The Friend Memorial Public Library Strategic Plan and Action Plan for the next 2 to 3 years were established after receiving library survey feedback from the community. Thank you to Brooklin resident and professional business planner, Dave Chase, for assisting the board through this rigorous process.

Going forward we thank the Town of Brooklin for the continued financial support each year of \$8,000.00. Thank you to all who donated funds for the Special "Girl of Summer" Anne Rivers Siddons Memorial Fundraiser in August and the Osprey Foundation which matched funds.

Thank you to Giffy Full for his special donation this summer and to all who donated to the Friend Memorial Library.

Thank you Brooklin, for being a caring community.

-Respectfully submitted by: Ann-Margaret Thomas, Library Director

INDEPENDENT AUDITOR'S REPORT

Members of the Board of Selectmen Town of Brooklin Brooklin, ME 04616

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities and each major fund of the Town of Brooklin, Maine (the Town) as of and for the fiscal year ended June 30, 2021, including the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the Town of Brooklin, Maine, as of June 30, 2021, and the respective changes in financial position for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information and pension disclosure schedules on pages 3 through 7 and 30 through 36 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Brooklin, Maine's financial statements as a whole. The supplementary information and the schedule of expenditures of federal awards are presented for purposes of additional analysis and are not a required part of the financial statements. The supplementary information and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the State of Maine Department of Education.

The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Respectfully Submitted,

James W. Wadman, C.P.A.

TOWN OF BROOKLIN, MAINE Management's Discussion and Analysis For the Fiscal Year Ended June 30, 2021

Management of the Town of Brooklin, Maine (the Town) provides this *Management's Discussion and Analysis* of the Town's financial performance for readers of the Town's financial statements. This narrative overview and analysis of the financial activities of the Town is for the fiscal year ended June 30, 2021. We encourage readers to consider this information in conjunction with the financial statements and accompanying notes that follow.

The financial statements herein include all of the activities of the Town using the integrated approach as prescribed by Government Accounting Standards Board (GASB) Statement No. 34 and related subsequent statements.

FINANCIAL HIGHLIGHTS - PRIMARY GOVERNMENT

Government-wide Highlights:

Net Position – The assets of the Town exceeded its liabilities at fiscal year ending June 30, 2021 by \$5,361,306 (presented as "net position"). Of this amount, \$1,327,114 was reported as "unrestricted net position". Unrestricted net position represents the amount available to be used to meet the Town's ongoing obligations to citizens and creditors.

Changes in Net Position - The Town's total net position increased by \$216,861 (a 4.22% increase) for the fiscal year ended June 30, 2021.

Fund Highlights:

Governmental Funds – Fund Balances – As of the close of the fiscal year ended June 30, 2021, the Town's governmental funds reported a combined ending fund balance of \$1,815,443 with \$814,068 being general unassigned fund balance. This unassigned fund balance represents approximately 28.3% of the total general fund expenditures for the year.

Long-term Debt:

The Town's general long-term debt obligations increased by \$31,435 (51%) during the current fiscal year. No new long-term debt obligations were entered into during the current fiscal year. Existing debt obligations were retired according to schedule.

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis are intended to serve as an introduction to the Town's basic financial statements. The Town's basic financial statements include three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains additional required supplementary information (budgetary comparison) and other supplementary information. These components are described below:

Government-wide Financial Statements

The Government-wide financial statements present the financial picture of the Town from the economic resources measurement focus using the accrual basis of accounting. They present governmental activities and business-type activities (if applicable) separately. These statements include all assets of the Town (including infrastructure) as well as all liabilities (including long-term debt). Additionally, certain elimination entries have occurred as prescribed by the statement in regards to inter-fund activity, payables and receivables.

The government-wide financial statements can be found on pages 8-9 of this report.

Fund Financial Statements

The fund financial statements include statements for each of the three categories of activities – governmental, business-type (if applicable) and fiduciary. The governmental activities are prepared using the current financial resources measurement focus and the modified accrual basis of accounting. Fiduciary funds are used to account for resources held for the benefit of parties outside the Town government. Fiduciary funds are not reflected in the government-

wide financial statements because the resources of these funds are not available to support the Town's own programs. Reconciliation of the fund financial statements to the Government-wide financial statements is provided to explain the differences created by the integrated approach. The basic governmental fund financial statements can be found on pages 10-11 of this report. Fiduciary funds financial statements can be found on pages 12-13 of this report.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and the fund financial statements. The notes to the financial statements can be found on pages 14-29 of this report.

Required Supplementary Information

This section includes a budgetary comparison schedule, which includes a reconciliation between the statutory fund balance for budgetary purposes and the fund balance for the general fund as presented in the governmental fund financial statements (if necessary). Also included in the Required supplementary information are the pension disclosure schedules as required under GASB Statement #68 and the Other Post Employment Benefits disclosure schedules as required under GASB Statement #75. Required supplementary information can be found on page 30-36 of this report.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

Net Position

66% of the Town's net position reflects its investment in capital assets such as land, buildings, equipment and infrastructure (roads, parking lots and other immovable assets), less any related debt used to acquire those assets that are still outstanding. The Town uses these assets to provide services to citizens; consequently, these assets are not available for future spending. Although, the Town's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

FINANCIAL ANALYSIS OF THE TOWN'S INDIVIDUAL FUNDS

Governmental Funds

The focus of the Town's governmental funds is to provide information on near-term inflows, outflows, and balances of expendable resources. Such information is useful in assessing the Town's financing requirements. In particular,

unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

At the end of the fiscal year, the Town's governmental funds reported ending fund balances of \$1,815,443, an increase of \$193,078 in comparison with the prior year. Approximately 45 percent of this total amount constitutes unassigned fund balance. The remainder is reserved to indicate that it is not available for spending because it has been committed to liquidate contracts and commitments of the prior fiscal year or for a variety of other purposes.

Variances between actual General Fund revenues and expenditures and the final amended budget included the following:

\$87,643 positive variance in Revenues. Property and excise tax revenues were \$36,714 above budget while investment earnings exceeded budget by \$33,616.

\$33,588 positive variance in Expenditures. The Town decreased carryforward balances by \$17,962.

REQUESTS FOR INFORMATION

This financial report is designed to provide a general overview of the Town's finances for all citizens, taxpayers, investors and creditors. This financial report seeks to demonstrate the Town's accountability for the money it receives. Questions concerning any of the information provided in this report or requests for additional information should be addressed to: Town of Brooklin, P.O. Box 219, Brooklin, ME 04616.

Brooklin School educators have made a positive impact on students this year, and it is certainly despite the pandemic. COVID-19 and its many variants are taking a toll on schools across the nation and rural schools are no exception. Throughout the pandemic, we have worked hard to make sure students feel safe and loved. Every morning, we come together in the gymnasium. With masks on and children socially distanced, we sing the words to our morning song which ends with this line, "We work to make the world a better place." Students leave with the idea that part of their daily responsibility is to do something beyond learning. And typically, they do.

We communicate with families about how safe it is for their children to be in school-how much they are learning despite the pandemic. We hang their art work and display their projects. We post videos of virtual band concerts and plays. We get students outside several times per day. We work with the local boatyard to get students designing and building boats. We work with local authors and artists to get students writing and creating. We do everything we can to make the students well-rounded. We make it a daily priority to make a positive impact on the students in our care.

This year, we welcomed an interim Superintendent and three new staff members to our team. Bob England is one of those people who instantly makes you feel like you have known each other for years. His efforts this year have been tireless and we are grateful for his knowledge and communication during a tumultuous time. Music has always been a valued part of our philosophy of creating a well-rounded student. The sounds of recorders, ukuleles, wind and percussion instruments can be heard throughout the hallways on Mondays and Fridays. There is nothing like the sound of children exploring and learning music and we are so happy to have Andrew Miller on board. Andrew came all the way from Montana to work with schools on our peninsula. He is an amazing asset to the community. We are also happy to welcome Elizabeth Day who joins our Ed Tech staff. Liz works with students in grades K-8 and runs an advanced reading group for kiddos in grades 4-5. When Elizabeth is not at school, you are likely to see her working on her boat, *Lady Day*. And finally, we are so glad to introduce Patrick Betts, who joins us from Deer Isle as head of building and maintenance. On any given day, Patrick can be seen spackling, painting, replacing ceiling tiles, or checking the boilers. No doubt, when the doors open to the public again, the updates will be noticeable!

Curriculum is a very important part of our work. Over the past several years, we have had countless discussions about what skills and knowledge are important for our students to walk away with when they exit our doors and head to high school. Content is subjective and our discussions of teaching this book over that one or this topic over that one are on-going. But there is one philosophy of learning that we all agree on and that is project-based. Project-based learning allows students to plan, create, analyze and refine solutions for real-world problems. Amy Bebell, our science and social studies teacher holds this practice near and dear to her heart. This year, our school received monies from the Maine DOE, which was awarded \$16.9 million for the Reinventing Remote Education Venture, an endeavor designed to support and develop projects that will strengthen a culture of innovation in K-12 schools across the state. We have hired Laura Bryant who is working with our science and social studies teachers to enhance our project-based learning opportunities for students.

In the fall, we had an opportunity as a staff, to engage in a four week equity training put on by Maine Intercultural Communication Consultants. During these sessions, we worked to gain an understanding of where each of us stood in our abilities to bridge effectively across cultural differences and create inclusive learning environments. It was introspective and rewarding work—that did not come without challenges and many difficult conversations.

The PTF and local community members continue to step up to help during these crucial times. Many families received warm clothing, books, and gifts for the holidays. Food has been sent home to all students for extended weekends and vacations. When Ellen Carville could not get all of her food orders filled, the PTF made trips to Bangor to get food to supplement the menu.

This community gives and gives of itself-never looking for something in return. You are appreciated more than words could ever convey.

Respectfully,

Dr. Jil Blake, Principal

George Stevens Academy Annual Report to the Community January, 2022

In 1852, Blue Hill shipowner George Stevens left a bequest in his will to establish George Stevens Academy. As an independent town academy, GSA's chief mission is to serve all the students who live in surrounding "sending" towns, providing a comprehensive and challenging education both to those who will build futures here and those who will make lives elsewhere in the world. Our many academic and experiential programs foster a love of knowledge, inspire creativity, instill self-confidence, encourage good character, and prepare each graduate for a purposeful life in a changing world. In the past several years we have added classes in digital fabrication, advanced marine science research, and eleventh grade English with extra supports.

This year all students are on campus every day, which is refreshing after our hybrid model last year. The pandemic still brings challenges, but our students and families have risen to meet them, and much has been accomplished already, from a number-one ranked math team, to successful fall sports teams (including state runners up for our volleyball team), and a student-initiated renewable energy endeavor that has resulted in our joining in a hydroelectric project. The pandemic has greatly increased the strains on mental and emotional health for our students, and so we have added the services of a second, female, counselor. We welcome support from community members. If you are interested in getting involved with our school, please contact us at 374-2808, or see us on Facebook.

Our mission (to serve every single high school student on the peninsula and beyond) is a comprehensive mission, and requires many types of programming. It is impossible to do on the state-set tuition. We are thankful for the support we received last year in all our towns for our request for \$1000 over that tuition. Part of earning that support was a promise to continue to work with our towns to share more financial information, have more meetings open to the public, and provide more means for input into our budget process. The main accomplishment over the past year has been to work with our towns on the formation of a Budget Review Committee, composed of members from each town, to review our full budget early in the process, to provide feedback, input and advice. We believe this is a very positive step, and are enthusiastic about it. In order to improve transparency for the public, we have published on our website many documents, including our full 2021-22 budget and audit, lots of data on various aspects of the Academy, and projections for the future. We will have at least three Board meetings open to the public. This year we are again asking for supplemental tuition.

For up-to-date information about GSA, our programs, what's happening on campus, and to see the documents mentioned above, visit our website at www.georgestevensacademy.org. Thank you!

George Stevens Academy Financial Update: 2020-2021 Treasurer's Report

Dear Citizens of the Blue Hill Peninsula,

We provide this update of the financial affairs of George Stevens Academy to all the citizens of our community. We believe that the academy is a cornerstone of the educational and cultural activities in our community, and we hope that this information will help to expand our joint efforts to maximize the educational opportunities for high school students within the seven sending towns and beyond.

The academic year ending in June 2021 was unique in many ways. It resulted in educational challenges as well as unexpected financial opportunities. Federal COVID programs provided grants to offset increased operating expense related to the pandemic. Facilities were modified to maintain distance between people, computers were upgraded, internet hotspots were provided to students in need, course curriculums were revised, and individual tutoring was provided to ensure that none of our students were left behind. It was truly a remarkable effort by the faculty and staff to create an entirely unique hybrid education for 303 students.

In addition, investment markets recovered after a steep decline in the spring of 2020 and brought forth extraordinary gains in the value of the endowment. Although these gains will not increase operating income immediately, over time, the endowment draw, which is based upon a three-year trailing average, will increase.

One of GSA's most important initiatives during the past year was the formation of the Secondary Education Financial Planning Advisory Committee, which met regularly. This new committee provided a forum for discussing the cost of education and the tuition level set by the Maine Department of Education for town academies. In addition, the committee considered ways to improve cooperation, communication, and governance between the sending town elected officials and the trustees of GSA. It was through this organization of 19 people – two elected officials representing each of the sending towns, two superintendents, and three GSA trustees – that the successful request for supplemental tuition was shepherded. The request for the first year of a two-year step up in tuition was approved through special town warrants or normal education budget approvals by an overwhelming margin of 67%, 1,003 votes in favor of the request versus 485 opposed.

There were several changes in the Business Office last year. In December, the academy accepted, with great reluctance, the retirement of Fred Heilner, who had served as Director of the Business Office for 28 years. Fred had managed single-handedly the accounting, human resources, budgeting, and facilities operations with remarkable skill and exceptional dedication. It was hard to envision the management of these areas of responsibility without Fred. However, the academy was very fortunate to engage the consulting services of Rachel Grivois (Accounting Services of Maine, LLC) and Marcie Bowden '91 to manage the transition to a new accounting system, including new statement and chart-of-accounts breakdowns. Also, after an extensive search, Seth Brown (Maine Maritime Academy, MBA, and Assistant Professor, Husson University School of Business) was hired as Director of Finance and Operations. In Addition, Christie Snow '90 transitioned from Admissions to the Business Office to provide greater depth and expanded resources for finance, accounting, and human resources. A new accounting system will enhance financial controls and management information systems.

Another significant change that occurred last year was the transfer of the investment management of the endowment assets to Harpswell Advisors, a firm specializing in nonprofit investment management. The endowment investment performance over the past ten years had been competitive with comparable benchmarks, but was not outstanding. The blended ten-year average return was 7.30% versus the GSA benchmark of 8.40%. Following prudent management practices to change managers periodically, it was decided to make the transfer. The value of the endowment increased 25.4% from \$6.7 million as of June 30, 2020, to \$8.4 million as of June 30, 2021. This was exceptional investment performance in line with broad market growth but should not be expected on a regular basis. The spending draw from the endowment for calendar year 2021 is budgeted at \$240,000.

The consequences of the pandemic were devasting to our community and the nation at large. The administration and the faculty adjusted quickly to the hybrid of remote and in-person learning. Facilities were modified to distance students, improve air quality, establish partitions, upgrade computers, and implement testing, quarantining, and other health requirements. Unexpected COVID-related expenses totaled \$309,155 in 2021. Fortunately, receipts from the Federal CARES Act grants totaling \$353,839 and the Paycheck Protection Loan of \$732,100, which was converted

to a grant in 2021, offset higher expenses. Furthermore, the investment gain of \$1,698,751 in the endowment provided an additional increase in net asset value.

However, accompanying these extraordinary gains was an operating deficit of \$637,445 in 2021. The federal Paycheck Payroll Plan grant provided cash in June 2020, which allowed the academy to continue offering its full education program for the 2021 academic year. Then in the summer of 2021, the academy exercised its bank line of credit for an additional \$500,000 to cover the summer seasonal cash requirement before the first tuition payment was received in September. This deficit resulted from the fundamental problem that the GSA cost of education is above the state set tuition and has been subsidized for many years by the surplus revenue provided by the Boarding Program. The 2022 education cost for the 303 day students is budgeted at \$4,318,342 (\$14,251 per student) without special education and the Boarding Program. The state set tuition is expected to be only \$3,657,517 (\$12,071 per student). GSA is very appreciative that the seven sending towns approved a supplemental tuition of \$303,000 (\$1,000 per student) which will help to offset a portion of this deficit in 2022.

Another very important source of revenue for the academy are the gifts and contributions from the extraordinary generosity of alumni, family, and friends. Over may years, this philanthropy has created the endowment, which provides annual income to support operations. In addition, contributions to the GSA Fund and the leader-ship 1898 Society increased more than 18% last year. Total gifts and contributions were \$440,467 in 2021. These gifts provide a unique opportunity for the academy to offer a broader education program to serve all students from the peninsula with different career and education aspirations.

As you can see, this report is not only about the finances of George Stevens Academy but also the partnership between our community and our school, and it is an opportunity to express appreciation for support from generous folks like you who all believe that our successful future lies with the next generation of young people.

On behalf of our students and staff, I send you our very best wishes for the safety and good health of you and your families in the year to come.

Jim Crawford Trustee and Treasurer

Blue Hill Heritage Trust

When I wrote to the Town last year, it was largely about how the pandemic had impacted the Trust, and how we had tried to serve our communities in a time of need. We had seen heavy trail use throughout 2020, and especially during the lockdown. We had heard from people who live here year-round, and those who visited, that our forests and fields and access to places like the Blue Hill Mountain made them grateful for the Trust's work and for this beautiful place we live. Our online programming offered other kinds of distractions for folks as well. 2021 offered all of us similar challenges, and we hope that BHHT continued to serve a need. As I said last year, outdoor recreation and outreach can seem like fringe benefits at times, but conservation and access to nature really are part of public health as well as environmental health.

As part of our effort to expand access to our properties, we are developing a small number of wider, packed gravel trails on some of our lands. These are trails that allow access for wheelchairs and strollers, as well as providing a place for those who are no longer comfortable walking a standard hiking trail. We have done this in Blue Hill and at Parker Pond in Brooksville. In 2022, we will be remaking part of the trail at 100-Acre Wood along these lines. Our goal is to provide the health and recreational benefits to as many members of our communities as possible.

Blue Hill Heritage Trust's mission is, "to lead in conserving land, water, and wildlife habitat on the greater Blue Hill Peninsula. To teach and practice a stewardship ethic. To promote ecological, economic, and community health for this and future generations." Much of our work is future-focused, looking to protect and enhance the long-term health of both land and people, and this project meets all those goals.

Blue Hill Heritage Trust is committed to both conserving land in our towns and serving those communities, and we want to thank all our Blue Hill supporters for being our partners in this work. We did not add any acres to our holding in town in 2021. In 2021, the Trust voluntarily paid \$98 in real estate taxes to the town and a total of \$30,037 to all the towns in which we hold land.

We are very much hoping for a more normal year in 2022 and hope to see many of you out enjoying the land and water this coming year.

With regards from all of us at BHHT,

Hans M. Carlson Executive Director

Dear Select Board and Residents of Brooklin,

At Hospice Volunteers of Hancock County (HVHC), 2021 marked the beginning of our fifth decade of compassionate service to our community and the second year doing so while confronting COVID-19, the illness that has led to more than 770,000 deaths in our country alone. Hospice care has been deeply affected by this devastating disease, dramatically changing how we care for people at the end of their lives.

At the onset of the disease last year, we could not provide visits in the traditional way: no hugs, no handholding, no singing for patients, no in-person patient care; but, as soon as we could make the needed adaptations - advanced care-planning with our medical partners, additional training and personal protective equipment and enhanced reporting practices for our volunteers - we resumed in-person patient care within four months.

In addition, our Bereavement Support services and Community Education programs were adapted to online platforms and we have been able to serve more people than ever through these mission-based services. Our highly-utilized Equipment Sharing program has remained active throughout the entire time of the pandemic, employing a by-appointment system that has worked well. We are proud of how we have been able to serve our community, and very grateful for the support and partnerships that have made this possible!

Our direct services over the past year have included:

- Patient Care and Caregiver Support to 74 patients, including 4 in Brooklin.
- Over 700 gestures of Bereavement Support directly to grieving community members, including 3 Brooklin residents.
- We provided used health-supporting medical equipment to 171 local residents in need, including 1 resident of Brooklin.
- We hosted 33 educational programs online with average attendance of 20 participants each.

While we work in partnership with medical hospices, we are an independent non-profit volunteer hospice organization and, as such, depend on the generous partnership with our community for continued support. This past year and a half, more than any other, has demonstrated that HVHC is a resilient organization that can adapt to the needs of our community. We are hopeful for the future and will continue to grow in new ways to serve.

We consider the towns we serve to be partners in the provision of these services, and we appreciate the support we have received from the Town of Brooklin in the past. We look forward to your continued support during the coming year with a contribution of \$1500.

With gratitude,

"My experience with WIC in the past year, as in the years previously, has been wonderful. I have been met with kindness and understanding, great information, and help with questions I have pertaining to the needs of my son. I have been so grateful for this service as it has helped me keep my son healthy & offered me information about his health, growth and development."

- Hancock County WIC Client

Dear Ms. Candage,

I am writing this letter to ask you for your support for the WIC (Women, Infants, and Children) Program. WIC offers vouchers for nutritious foods for low-income women who are pregnant, breastfeeding or recently had a baby, and to infants and children up to age 5. WIC also provides nutrition education, health screenings and support, focusing on the strengths and needs of individual families.

Last year, 10 residents from the Town of Brooklin participated in WIC, receiving \$7,320 in food youchers. This year, the Women, Infants, and Children Nutrition Program respectfully requests financial assistance in the amount of \$500, representing \$50 per resident served last year from the Town of Brooklin. Federal funding will match up to \$2,000 of municipal contributions, amplifying your support and enabling WIC to serve even more young families in need.

Because transportation often is a difficult issue for many families who need the benefits WIC can offer them, providing access to WIC at the local level is vital. As in the past, WIC will continue to accommodate rural families at its main offices in Elisworth, Machias, and Calais, as well as in satellite locations in Stonington, Bucksport, Eastport, Harrington, and other small island communities. Local community support is vital for WIC to maintain its critical rural access points.

If you have any questions or need additional information, please contact me.

With sincere appreciation,

Tawney Jacobs '

Town of: Brooklin

Greetings,

Last year Eastern Area Agency on Aging (EAAA):

- Provided health insurance counseling to over 6,000 community residents,
- Saved community residents \$1.5 million in Medicare premiums, deductibles and copays,
- Provided 223,000 meals to homebound seniors, and
- Provided 45,000 hours of volunteer services across our region.

Because of the generosity of towns across our region, last year we were able to feed 45 older adults for an entire year. It is through the continued support of towns and municipalities like yours we are able to offer much needed services and resources to community residents in Washington, Hancock, Piscataquis, and Penobscot counties. Included you will find a report listing services EAAA provided to benefit your residents over the past 12 months as well as their associated costs.

As you prepare your town's budget, we ask that you consider Eastern Area Agency on Aging in next year's budget allocation.

Your town's allocation to EAAA last year:

\$ 1175.00

> Amount requested for 2022:

\$ 1175.00

In the meantime, if you have questions, please call Dan Frye at 1-800-432-7812 or dfrye@eaaa.org. We have also enclosed a one page sheet that provides a summary of the programs and services we provide. Please visit www.eaaa.org to learn more about Eastern Area Agency on Aging's work.

To the Residents and Selectman of Brooklin:

Thank you for your ongoing and generous support of the work that we do at Northern Light Home Care & Hospice. We provide crucial community health services to help your residents remain in the comfort of their own home for as long as they possibly can. We are nurses, rehabilitation therapists, social workers, home health aides and if on hospice, volunteers and spiritual counselors, caring for people when they are released from the hospital following an illness or surgery or who elect hospice services at end of life.

Northern Light Home Care & Hospice faced many challenges this past year, but through it all we have ensured high quality patient care, a devotion to our staff, and a commitment to improving the health of the people and communities we serve. In the last twelve months, we have:

- conducted 133,028 visits to 8,087 homecare patients
- conducted 44,870 visits to 1,103 hospice patients

In addition to our Home Health and Hospice programs we provide essential public health services in the community such as COVID-19 pop-up clinics, school located vaccination clinics, and COVID-19 testing at a variety of facilities and businesses. In the twelve months ending September 30, 2021 we have:

- administered more than 40,000 COVID vaccines
- administered more than 10,000 flu vaccines
- administered 100's of homebound vaccinations

These visitation numbers are nothing short of remarkable during these unprecedented times. As an example of the good work we do, I share with you a quote from a grateful family.

"Dianna's and my experience with hospice during her last seven weeks was totally positive. Hospice was very sensitive to our wanting minimum visits due to COVID worries, but the advice we received during the visits that did take place and over the telephone were invaluable. I would not want to go through such an end-of-life caregiving experience without hospice!"

While we get reimbursed from Medicare, MaineCare, and other insurers this does not cover the full cost of care or the cost to provide care for those without insurance. It also does not cover our efforts to assist those in your community who may need a shower bench, blood pressure cuff, or nutritional assistance. The support provided by the Town of Brooklin is used to offset the shortage in reimbursements and for those without insurance.

We hope that we have inspired you to consider maintaining your support with a FY23 gift in the amount of \$5,000. Please be reminded that our clinicians live in the communities they serve and that our board of directors includes a representative who resides in each county we cover. I have included our board list with this request along with our FY22 budget and overview of the care provided in your community. Please reach out to me with any questions or concerns.

We are grateful for your past support and thank you for your consideration.

Very truly yours,

Colleen Hilton

Dear Selectmen,

On behalf of the Board of Trustees of the Blue Hill Society for Aid to Children, Inc., d/b/a Nichols Day Camp, I would like to thank you with immense gratitude for the generosity and support you have provided to Nichols over the years. With the help of Brooklin's contributions, as well as aid from other surrounding towns, we have been able to sustain and further develop our recreational and educational programming for the children of our peninsula.

Although the loss of the 2020 season was more than disappointing, we were grateful to return to camp this summer and carry out a successful 2021! Children were able to engage, learn, and interact with each other at camp again despite the obstacles that were presented in 2020. The entire Nichols family felt a great sense of community as we partnered with various groups and local businesses to supplement our summer agenda. As an example, we partnered with the Magic Food Bus, whose amazing team visited camp to discuss the importance of food literacy on a weekly basis. Additionally, Nichols was able to provide quality food, including free lunches, to campers and staff through our Healthy Snack Program, where children are given the opportunity to choose nutritional snacks to help them stay fueled for our busy outdoor schedule. Although somewhat limited this year by Covid-19, we hope to continue our partnerships with other service-providers, such as Chewonki, an educational nature-driven non-profit organization, and Birdsacre Sanctuary, to ensure a robust and diverse camp experience is available to all.

During the 2021 season, we had 19 campers that reside within Brooklin attend camp. The outdoor camp experience is something that these children, and future campers, can look back on throughout their lives. We are thrilled to be able to serve our local families, and in return ask for a small contribution from each town to help us to continue to perform our basic functions at the lowest costs possible. Your contributions pay for transportation, routine maintenance, and administrative expenses. This year, Nichols Day Camps is requesting a contribution in the amount of \$2,100.00 from the Town of Brooklin. We look forward to serving Brooklin and the surrounding community for many years to come, and your contributions each year make that possible. With all the best, we thank you, the supporters in the community who make Nichols feel like family.

To see what sum, if any, the town will vote to raise and appropriate for the support of the Peninsula Ambulance Corps. Request \$20,130.32

following to your 2021 annual town meeting warrant:

This figure is based on your town's 2010-census population of 824 at \$24.43 per capita. The per capita figure is composed of \$20.00 for operating support and \$4.43 for the ambulance replacement reserve.

This is an increase of \$1.50 per capita for the operating support from the 2021 budget request. The entire amount of this increase will be devoted to increasing staff compensation. This measure is necessary to compete in an evertightening labor market. We are already understaffed.

PENINSULA AMBULANCE CORPS 2021 Report to the Towns

As this year began, we expected Peninsula Ambulance Corps' primary challenge was to continue the work begun in 2020, under the leadership of our Manager, Alan Henschke, to reorganize our business model to improve efficiency and to match our staffing model with call volume patterns.

That challenge became secondary as COVID-19 continued to be the primary challenge for us. The use of supplies to protect our Staff and our patients rose. In addition, many Staff members left our employment due to COVID. Some left due to having to work more hours at their full-time employers. Others chose not to be vaccinated and the state will not allow them to work. Furthermore, most EMS training programs have temporarily stopped or been reduced. This has led to a local, state, and national shortage of EMS providers. Our call volume is increasing, and we have fewer staff to cover the shifts. This has led to increased overtime and management covering open shifts.

Related to COVID, Peninsula Ambulance was selected as one of two Hancock County EMS services to provide COVID vaccinations. We provided 819 vaccinations (initial and booster) to area first responders and teachers. This was a significant undertaking that required training Staff and purchasing equipment. Peninsula Ambulance met the challenge and is now positioned to provide vaccination services in the future.

Our largest payors remain Medicare (federal government) and Medicaid/MaineCare (state government). Together, they represent 76% of our payors. However, for every \$1 of that billing, we are paid \$0.37 at best. This accounts for most of our operating deficit. If we include all payors, we still are only paid \$0.48 for every \$1 billed. This is a national issue and impacts rural services, such as ours, particularly hard. We continue to support state and national efforts to improve EMS reimbursement rates.

Unfortunately, the Community Paramedicine Program continues to be suspended. All funding sources have been diverted to COVID relief programs. Staffing shortages and continued high risks for visits also limit our ability to offer this program at this time. We continue to work with our partners, Healthy Peninsula, At Home and Northern Light Blue Hill Hospital, and hope to continue the Community Paramedicine Program in the future.

We are proud of our five full-time and 18 part-time and per-diem Staff—the Paramedics and EMTs who make the program work. They have been steadfast during these trying times. We continue to provide Staff with continuing education for federal and state mandated classes. Our employees like their jobs and provide real benefit to the communities we serve.

Our fleet of three ambulances allows us to maintain our staffing model of two on duty ambulances with a spare to use when the others need service. This also allows us to staff the third ambulance for local events, such as the Blue Hill Fair, and in times of increased call volume. We utilize management to staff the third ambulance during high-volume times, which allows us to respond to

more calls. In addition, we are expecting a new ambulance, to replace our oldest unit, in March of 2022. Providing a modern and reliable fleet of ambulances is essential for our operations.

Call volume—the basis upon which we are reimbursed—was 1534 this year, an increase of 245 calls from 2020.

Totals by town are given in the chart below. Inter-hospital patient transports, which were 40% of call volume, are also included in call totals.

2021 Calls by Town

Blue Hill	683	Penobscot	88
Brooklin	77	Sedgwick	98
Brooksville	55	Surry	206
Castine	84	Other Towns	243

We decrease our deficit in three ways: with the support of our town governments, by individual donations to our annual appeal, and by using volunteer board members to accomplish administrative and fund-raising tasks.

This year we are asking for \$20.00 for the operating budget (an increase of \$1.50) and \$4.43 (no increase) for the ambulance reserve fund per capita. This is a per capita total of \$24.43.

We need more Staff in a very difficult labor market. And we must keep the people that we have. We simply must pay our people what they are worth if we are to keep them. Potential new Staff must balance that remarkable dedication to an essential calling with feeding their family... paying for heat. The entire amount of this year's requested increase in support will go to wages

Staff and ambulances are the visible aspects of PAC, but community loyalty and the funds provided by the towns are its lifeblood. Our annual appeal to the public provides an essential and remarkably consistent source of support, but we must rely to the greatest extent on the common sense of town governments and citizens to understand the necessity for an ambulance service, and that, if we don't hang together and make it work, no one else will.

Thank you for your support.

Town of Brooklin Attn: Jeannine Hardy PO Box 219 Brooklin, ME 04616-0219

Dear Jeannine,

As we look ahead to the new year, we take a moment to reflect on our profound gratitude to the municipal partners who help us deliver our lifesaving mission in our community. With your support, we are able to ensure the health, safety, and preparedness of our friends and neighbors throughout Northern New England.

Last year, our volunteer workforce provided an array of services throughout the region:

- We assisted a local family in the face of disaster, on average, once every 18 hours, helping more than 2,000 individuals.
- We made over **500 homes safer** by installing smoke detectors and educating families about fire safety and prevention through our Home Fire Campaign.
- Trained 26,957 people in first aid, CPR, and water safety skills.
- We collected over **153,000 units of blood.** Hospitals throughout Northern New England depend on the American Red Cross for these collections.
- In our region, 850 service members, veterans, and their families received supportive services through our Service to the Armed Forces department.

Your American Red Cross remains committed to providing relief and support. We do this with the help of our incredible volunteers and donors, including you, our friends in Brooklin. This year, we respectfully request a municipal appropriation of \$650.00. These funds will directly benefit individuals and families right here in our region, who benefit from our unique services at no cost.

For more information about the work we've been doing in your area, please refer to the attached Impact Sheet for Hancock County. If you have any questions, please call us at 1-800-464-6692 or supportnne@redcross.org.

Dear Selectmen and Budget Committee:

I am writing on behalf of the Blue Hill YMCA, located at the Lawrence Family Fitness Center regarding the Town Funding Request for 2022. This year's request for funds will not only offer great benefits for Brooklin citizens but also provide the town with opportunity to be involved in a comprehensive peninsula wide recreational program. This year we respectfully request \$4,000.00

Highlights of the plan would include:

- Participating towns would be able to provide a representative to the peninsula recreation committee being developed by the Blue Hill YMCA. This committee will help develop:
 - o Adult, Family and senior recreational activities throughout the peninsula and at the Lawrence Family Center.
 - o Active participant in the development and coordination of youth sports and recreational activities.
- The YMCA would coordinate recreational activities as guided by the committee and if appropriate in collaboration with established groups in the participating community.
- Expanded free usage of the Lawrence Family Center for all citizens to enjoy.
 Friday nights 5:30 pm -7:30 pm, and Saturdays and Sundays 1 5 pm. This is a savings of \$10 per person per visit. It truly adds up.
- Children from participating towns will pay the lowest rate for sports programs.
- Each school would receive one 7 week water safety program for up to 25 kids.
 This program would be offered during the school day and transportation would be the responsibility of the school.
- Presently, Brooklin has 146 citizens involved at the Lawrence Family Center.

Finally, all monies received from the Town of Brooklin will be used to support the Blue Hill YMCA located at the Lawrence Family Center. Please let me know when and where your budget meeting will take place and I will be pleased to join the meeting to explain this great opportunity in person/zoom.

Dear Ms. Candage:

Thank you to the citizens of Brooklin for your past support. Your continued support will help Community Health and Counseling Services (CHCS) to provide home health, hospice, and mental health services to adults and children throughout Maine.

CHCS believes that, whenever possible, care is best given in a familiar setting where family and friends can become a part of the support and recovery process. Your appropriation will support community-based services in Brooklin to:

- adults with severe and persistent mental illness who need assistance in achieving and maintaining independence while living within their communities.
- children and their families who are in need of intensive help in dealing with emotional and behavioral problems.
- homebound individuals with a serious illness or those dealing with a disability and need home health services.
- end-of-life-care (hospice).

As a private not-for-profit organization, CHCS understands the importance of delivering quality services in an efficient and cost-effective manner. CHCS collaborates with many resources to provide quality care which benefits the individual and their community.

We recognize the economic challenges facing all Maine communities and municipalities. Our request for your support in the amount of \$400, is submitted with an understanding that you face many difficult decisions and constraints. Municipality support helps us to maintain these important services in your community. Any assistance you can provide will help us with our services.

I have included some information relevant to our services in Hancock County. Please do not hesitate to contact me at 947-0366 should you have any questions. Thank you for consideration of our request.

Heather Candage, Town Clerk Town of Brooklin PO Box 219 Brooklin, ME 04616

Dear Heather,

Malners have always been known for their courage, creativity, grit, and willingness to help a friend or neighbor in need. The past eighteen months have challenged us all in many ways, but together we have remained steadfast to these qualities that make Maine "the way life should be." From all of us at LifeFlight of Maine, thank you for doing your part to keep Maine strong and connected. Your recent gift to LifeFlight is a vital signal about the importance of the service we provide to those in your community, as well as Mainers across the state. As a non-profit organization, we rely on the support of many types of donors to support our mission. We hope you will continue to support LifeFlight.

The reach and relevance of LifeFlight is stronger than ever before. It has been an extraordinarily busy and challenging year to deliver the lifesaving care and transport that is only available from LifeFlight. Since March 2020, we have cared for 1,535 positive (or presumed positive) COVID-19 patients. Since the organization was founded in 1998, we have transported 32,000 patients. These transports include Mainers of all ages, from newborn to young adult to seniors; from all points of Maine from York to Presque Isle and everywhere in between. Imagine the ripple effect that has on families, friends, generations, and communities. Most importantly, LifeFlight cares for every patient regardless of insurance or financial status.

Since 1998, 48 residents of Brooklin have been cared for by LifeFlight, with 7 in the past year. In addition, LifeFlight has made 10 scene calls to your community to support local fire/rescue and EMS partners.

We rely on Maine communities like Brooklin to ensure that all Mainers have access to critical care and medical transport when they need it, 24/7/365. Last year, 184 towns supported LifeFlight for a total of \$113,876. This year we need these communities, and more, to come together so we can reach our goal of raising \$125,000. Thank you for your recent gift in September. As you plan for your next budget year, will Brooklin once again support LifeFlight with a gift of \$824 (a rate of \$1 per capita)?

The funds raised will help provide education and training to our crews and EMS/Fire agencies around the state, upgrade and replace medical equipment, enhance Maine's aviation infrastructure, and bring a third, new critical care helicopter to Maine in 2022.

In the attached packet we have provided additional information including: general information and FAQs about LifeFlight, a map of Maine transport locations, and a map of Maine communities that have supported us. Please contact Ashley MacMillan at The LifeFlight Foundation at 207-300-5832 or amacmillan@lifeflightmaine.org with any questions. If additional information or a specific town application form is required with this request, please let us know.

Thank you for your support, and for helping ensure that that your friends, families, and neighbors have access to critical emergency care when and where they need it.

Dear Ms Hardy,

Each year Yesterday's Children, Inc. request funds from the towns of Hancock County. As in previous years, we are again being subjected to increased regulatory requirements and decreased funding. Yesterday's Children has been supporting people with intellectual and developmental disabilities in Hancock County for over 35 years. We provide three different types of services, including habilitation services, group home services and 24-hour nursing care services. Please consider joining the other towns in Hancock County supporting this not-for-profit organization.

We are requesting the amount of 100.00 from your town to help support expenses that are necessary to the people we serve. All donations received from area towns are used specifically to provide dental care, eye care and adaptive equipment required to meet our client's needs, but are not covered by Medicaid.

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE

Dear Friends:

For three years it has been my privilege to guide our great state, working with the Legislature to keep Maine people safe and put our economy on a path to recovery.

Since the arrival of the COVID-19 vaccines in December 2020, we have worked hard to get as many shots into the arms of Maine people as quickly as possible. In the last year, more than a million Maine people have gotten fully vaccinated from COVID-19. It is thanks to them that our state has one of highest vaccination rates and one of the lowest death rates from COVID-19, despite having a much older population than other states. People are coming to Maine because we are one of the safest states in the nation.

Following the recommendations of the Economic Recovery Committee, our economy has not only fully recovered, but has surpassed pre-pandemic projections and unemployment claims have dropped to pre-pandemic levels. And, last year, I was pleased to sign a balanced, bipartisan budget that finally achieves the State's commitment to 55 percent education funding, fully restores revenue sharing, and expands property tax relief for Maine residents.

Maine can be proud of our nation-leading progress, but our work is far from done. Through the Maine Jobs & Recovery Plan, we will continue to address our longstanding workforce shortage, the expansion of broadband, education and job training opportunities, housing, child care, and transportation. Drawing on the hard work and resilience of Maine people, together we will rebuild our economy and rise from this unprecedented challenge a state that is stronger than ever.

In 2022, I will be focused on our economy, on our climate, on our kids, on keeping people safe and on the health and welfare of all Maine people. We have persevered, and, while challenges remain, we will get through them together. I am proud of the people of Maine, and I am proud to be your Governor.

Thank you,

2nd District of Maine

Committee on Armed Services Committee on Small Business

Dear Friends.

I hope this letter finds you safe and well. It remains a privilege to represent you in Congress, and I appreciate the opportunity to update you on what I have been working on for the people of the Second Congressional District.

This year, our small businesses, workers and families, hospitals, states, and towns continued to face challenges related to the coronavirus pandemic. COVID-19 has been a serious threat to public health and our economy that requires a comprehensive, ongoing response. While we are not yet out of the woods, there is a light at the end of the tunnel. Still, I know there are many Mainers who will continue to need assistance getting through this pandemic. I am committed to making sure our communities' most urgent needs are met to get our economy back on track.

One thing I am particularly proud of this year is that Democrats, Republicans, and the Biden Administration worked together to pass the bipartisan Infrastructure Investment and Jobs Act, which will make a once-in-ageneration investment in our nation's infrastructure and support Maine jobs. This bill will bring \$1.3 billion to Maine for highways and \$225 million for bridge replacement and repairs, as well as \$234 million to improve public transportation options. It will also allocate over \$100 million to help provide broadband access to the 42,000 Mainers currently without it and make 310,000 Mainers eligible for the Affordable Connectivity Benefit to help families pay for internet access. Crucially, it will also provide Maine with \$390 million to combat Maine's historically high rates of lead poisoning by replacing lead pipes and allowing Maine families access to clean drinking water.

Another one of my priorities in Congress is protecting Maine jobs. For one, shipbuilders at Bath Iron Works are a vital part of our economy, and the ships they build are critical to our national security. Throughout 2021, I led the Maine congressional delegation in pushing back against the Biden Administration's proposed decrease in DDG-51 shipbuilding, a proposal that would have had serious consequences for the shipbuilding workforce at BIW, one of the two shipyards that produces these destroyers, and American naval capabilities around the world. We fought successfully to include authorization for construction of three new DDG-51 destroyers in the final National Defense Authorization Act. I will continue to work hard with my colleagues on the House Armed Services Committee to ensure that we protect our national security and shipbuilding jobs in Maine.

My most meaningful work in Congress continues to be providing direct assistance to Mainers. My staff and I stand ready to serve you. If you are looking for assistance with a federal agency, help for your small business, or want to keep me informed about the issues that matter to you, please reach out to one of my offices below:

I am especially glad to share that my wife Izzy and I were pleased to welcome our daughter, Rosemary, into the world this year. Mom and baby are happy and healthy, and we're so thankful for this blessing. We look forward to showing her the beauty of Maine in the months and years ahead.

Sincerely,

Jared F. Golden

RULES AND ADMINISTRATION

Dear Friends,

On the heels of 2020's challenges, 2021 brought us both amazing progress and frustrating setbacks. The incredible rollout of several effective, FDA approved COVID-19 vaccines helped reduce the risks of this deadly pandemic – but vaccine hesitancy, combined with the dangers of new variants, have prolonged this crisis and created new risks for Maine people. The challenges raised tension levels to boiling points during the fallout of the 2020 presidential election and the January 6th Capitol attack. But despite that, Congress was able to deliver for a nation gripped by an unprecedented pandemic. As we reflect back on the year, we see the important action that will make a difference for Maine people – as well as work still unfinished.

As COVID-19 continued to impact communities across our state and the country, Congress's first priority this year was to confront the pandemic's health threats and economic toll. We immediately got to work on the American Rescue Plan, crafting an emergency bill to meet the moment and get our nation back on stable footing. The legislation delivered essential support to businesses facing crises, households in need, and the medical professionals on the front lines of this fight. The funds helped get vaccine shots in arms, while also confronting the damage done to our economy. All told, the American Rescue Plan is bringing billions of dollars to Maine, helping the state continue to push through this crisis and bounce back stronger than ever.

After passing the American Rescue Plan, Congress turned its attention to a longstanding but unfulfilled priority: infrastructure. Through hard work and compromise, both parties came together to pass a bipartisan bill that finally addresses key infrastructure needs. For Maine people, the bill means an estimated \$1.5 billion to repair crumbling roads and out-of-date bridges, \$390 million to improve access to clean drinking water, and more. I am most excited about the significant funding for broadband – because, as we have seen during the pandemic, broadband is a necessity to succeed in the 21st century economy. The historic investments in the bipartisan infrastructure bill, combined with additional funding I pushed for in the American Rescue Plan, will bring an estimated \$400 million for broadband home to Maine. These funds will be nothing short of transformational, creating new opportunities across our state.

These two bills have made and will continue to make a real difference for Maine people, helping to both address the challenges of COVID-19 and lay a foundation for long-term success. I am proud of what we've accomplished this year – but I know there is still a lot of work to do and that the road ahead is challenging. Even still, I am filled with optimism because I know the true nature of our citizens, though challenged, has not changed. Despite every hardship, people in towns and communities have stepped up with strong local leadership, a willingness to help, and a Maine 'neighborhood' spirit. It is why I truly believe we can and will get through anything together. Mary and I wish you a happy, healthy, and safe 2022.

Best Regards,

Angus S. Kitig, Jr. United States Senator

HOUSE OF REPRESENTATIVES

2 STATE HOUSE STATION AUGUSTA, MAINE 04333-0002 (207) 287-1400 TTY: MAINE RELAY 711

Dear Brooklin Neighbors:

In 2021, despite the challenges of the pandemic, the Maine House of Representatives delivered a two-year state budget with overwhelming bipartisan support that is stabilizing property taxes, keeping free breakfast and lunch available to all students, and protecting our natural resources. We took steps to make healthcare more accessible, made much-needed investments in our infrastructure, and allocated federal relief funds to help small businesses, fill workforce shortages, and expand access to child care.

As I write this, we are in the second year of the two-year term. I continue to serve on the Labor and Housing Committee, where we work to strengthen our state's labor practices and enhance Maine's housing stock so that safe and affordable options are available to our community members. I also serve as a member of the Innovation, Development, Economic Advancement and Business Committee, which is charged with a wide range of issues including economic development and consumer data protection.

With the redistricting based on the 2020 U.S. Census, Brooklin will, after November of this year, be in House District 15 with Deer Isle, Frenchboro, Isle au Haut, Southwest Harbor, Stonington, Swan's Island, Tremont, and Vinalhaven. Until then, however, I will continue to collaborate with all of my colleagues, regardless of party affiliation or geographic location, on the above issues and other topics, to make sure we are doing the best work we can for you and all Mainers.

If you would like to weigh in on upcoming legislation, you can submit written testimony, testify virtually, or contact me at Sarah.Pebworth@legislature.maine.gov. I also send out periodic electronic newsletters. Let me know if you would like to receive them.

It has been an honor to serve you in the Maine House of Representatives, and I am proud to be your advocate in Augusta.

Respectfully,

Sarah Pebworth
State Representative

This article includes guidance, school nurse (health), technology, curriculum development, staff development, school library and student assessment accounts. Prior Year \$68,047.
- S6. To see what sum the Town will authorize the School Committee to expend for System Administration. School Committee Recommends: \$92,106.79. This article includes the school committee, superintendent's office and central office services accounts. Prior Year \$104,911.
- S7. To see what sum the Town will authorize the School Committee to expend for School Administration. School Committee Recommends: \$155,153.01. This article includes the school principal office account. *Prior Year* \$145,310.
- S8. To see what sum the Town will authorize the School Committee to expend for Transportation and Buses. School Committee Recommends: \$197,917.00. This article includes the bus contract/bus fuel account. Prior Year
- S9. To see what sum the Town will authorize the School Committee to expend for Facilities Maintenance. School Committee Recommends: \$234,218.35. This article includes a school building maintenance and operation account. Prior Year \$222,690.

S10. To see what sum the Town will appropriate for the school administrative unit's contribution to the total cost of funding public education from prekindergarten to grade 12 as described in the Essential Programs and Services Funding Act (School Committee Recommends: \$1,241,173.08) and to see what sum the town will raise as the municipality's contribution to the total cost of funding public education from prekindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with the Maine Revised Statutes Title 20-A, §15688. School Committee Recommends: \$1,067,781.06. *Prior year* \$1,074,908.

State-Mandated Explanation: The Town's contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount (\$1,067,781.06) that the town must raise in order to receive the estimated amount (\$173,392.02) of state dollars.

S11. (Written Ballot Required) To see if the Town will raise an appropriate \$797,330.91 in additional local funds, which exceeds the State's Essential Programs and Services allocation model by \$787,330.91as required to fund the budget recommended by the school committee. School Committee Recommends: \$797,330.91. *Prior year \$779,986*.

State-Mandated Explanation: The additional local funds are those locally raised funds over and above the town's local contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-state-funded debt service that will help achieve the Town's budget for educational programs.

- S12. To see what sum the Town will authorize the School Committee to expend for the fiscal year beginning July 1, 2022 and ending June 30, 2023 from the school administrative unit's contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act, additional local funds for school purposes under the Maine Revised Statutes, Title 20 A,§15690, sabbatical reserve account funds, unexpended balances, tuition receipts, local appropriations, state subsidy and other receipts for the support of schools. School Committee Recommends: \$2,083,503.99 *Prior year \$2,002,134*.
- S13. To see what sum the Town will raise and appropriate for Food Service. SchoolCommittee Recommends: \$29,663.50. *Prior year \$30,144*
- S14. Shall the Town vote to accept the categories of estimated funds listed below as provided by the Maine State Legislature?

Category Anticipated Amount

E.S.E.A. Funds \$34,216.47 State Subsidy \$173,392.02 School Lunch Reimbursement \$55,156.50 Special Educ. Local Entitlement \$33,867.28

S15. To see if the Town will authorize the School Committee to expend grant monies in addition to expenditures approved in the regular school budget.

S16. To see if the Town will authorize the School Committee to transfer in excess of 5% between cost centers, not to exceed the total spending allocation for the 2022-2023 school year, to balance accounts.

Reasons: Under Maine Law only the voters can give authority for the School Committee to transfer in excess of 5% between cost centers. By granting this authority now, it would eliminate the calling of a special town meeting, if necessary, to balance accounts.

S17. To see if the Town will authorize the School Committee to change the name of the Secondary Tuition Reserve Fund to Tuition Reserve Fund and transfer \$45,000 from the Undesignated Fund to the Tuition Reserve Fund. The purpose of this is to allow funds in tuition reserve to be used to pay for unexpected tuition for any tuition student at secondary level or special education tuition needs of students. The balance after this transfer will be \$45,457.

S18. To see if the Town will authorize the School Committee to change the name of the Maintenance Fund to Facility and Maintenance Reserve Fund and transfer \$40,000 from the Undesignated Fund to the Facility and Maintenance Reserve Fund. The purpose of this is to allow funds to pay for Facility and Maintenance planning for and maintenance of the Brooklin Elementary School. The balance after this transfer will be \$114,585.

Net total for the 2022-23 school budget to be raised from local taxes: \$1,894,775.47. *Prior year raised* \$1,885,038.

Reserve Account Balances from the 2020-2021 Audit

Technology	\$9,346
Secondary Tuition	\$457 (see article 17 above)
Maintenance	\$74,585 (see article 18 above)
Sabbatical	\$2,187
Bus Fuel	\$6,154
School Lunch Fund	\$4.641

M60. To see if the town will vote to authorize the Select Board to borrow funds, if necessary, in anticipation of tax revenues to be repaid from 2022-2023 fiscal year municipal taxes.

M61. To see if the Town of Brooklin will authorize the Select Board, on behalf of the Town, to sell and dispose of, by sealed bid on such terms as they may deem advisable and in the best interest of the Town, any real estate acquired by the Town for nonpayment of taxes thereon, and to execute a quit claim deed for such real estate. Before putting the real estate out to bid, the Selectmen shall authorize the Treasurer to offer the real estate to the immediate prior owner of

record, his/her estate, heirs or assigns on or before a date certain, for the total taxes, costs and interest owed. The Select Board shall use the special sale process required by 36 M.R.S. §943-C for qualifying homestead property if they choose to sell it to anyone other than the former owner(s). In the event the real estate is to be sold by sealed bid, a notice of the time, date, and place for the submission of bids and opening of said bids shall be published in a newspaper of general circulation in Brooklin at least two weeks prior to the date of the bid opening and posted for two weeks at the Post Office and two other conspicuous places in Brooklin.

M62. (Written ballot required) To see if the town will vote to increase the property tax levy limit of \$113,162.00 established for the Town of Brooklin by state law in the event the municipal budget approved under the previous articles will result in a tax commitment that is greater than that property tax levy limit.

M63. To see if the town will vote to hold the Annual Town Elections and Meeting on Friday, April 7th and Saturday April 8th, 2023.

The Registrar of Voters hereby gives notice that she will be available at the Brooklin Town Office on April 7th, 2023, beginning at 1:30 P.M. to conduct voter registration and changes.

Road Commissioner 1977-2022

In Memory of Deborah Brewster

March 8, 1950 – August 26, 2021

Deborah was a passionate advocate for education and the local community. She served on and chaired the Brooklin School Board, Friend Memorial Library Board, George Stevens Academy Board of Trustees, and the Brooklin Select Board. She was instrumental in the creation of Brooklin's renewed library and new elementary school. She co-founded the Mountain Ash Nursery School and served on various other boards on the peninsula, including those of Sedgwick School and Blue Hill Memorial Hospital.
