Code Enforcement Officer	Chris Pratt <i>Safebuilt Colorado, Inc</i>
Police Services (Contracted)	Lochbuie Police Department

## OPERATIONS

### TOWN GOVERNMENT FORM AND STRUCTURE

#### FORM OF GOVERNMENT

The Town of Keenesburg is a statutory municipal town government. The town operates as a quasi-town manager form of government. The Mayor possesses all administrative powers conferred by the Board of Trustees per the Keenesburg Municipal Code. Although a Town Manager was appointed in 2016, no clear responsibilities or duties were created. The town Manager is subject to direct supervision by the Mayor, and directed by the Mayor and Board of Trustees.

#### Powers of the Town

The Town has all powers of local self-government possible for a statutory Town to have under the constitution and laws of Colorado. Such powers are exercised in conformity with the provisions of the Keenesburg Municipal Code.

#### Town Board of Trustees

The corporate authority of the Town of Keenesburg is vested in a Mayor and six Board Members who are non-partisan. The Mayor is elected to a two-year term, and Board Members are elected to a four-year term with no term limits. Elections rotate so that four of the Members' seats (Mayor and three Trustees) are up for election every two years. The Mayor and board are elected at large. The Mayor Pro Tem is chosen among the entire Town Board and serves a two-year term.

#### Town Manager

A Town Manager may be appointed by the Board of Trustees at their discretion, and the duties of he or she are defined by the entire board of trustees. The Town Manager is subject to direct supervision of the Mayor, and directed by the Mayor and Board of Trustees.

#### Town Organization

Department Type		Funding Source by Fund
Administrative	Town Manager/Treasurer	General, Water, Sewer

Public Works	Public Works Director	General, water, sewer
Public Safety	Maintenance workers	General, Water, Sewer
	Police enforcement (Contract)	General
	Code Enforcement (Contract)	General
	Municipal Court	General

---

## Summary of the Budget Process

The annual budget, developed jointly by the Staff and the Board of Trustees of the Town of Keenesburg, is one of the most important documents adopted by the Town each year. The annual budget affects every resident of the Town of Keenesburg, as this single document represents the map for goals, and improvements that are proposed by your local government each year.

In 2017 the Town of Keenesburg conducted a resident survey, the results of this survey were discussed with the public at three separate community meetings. A committee was formed to assist with the creation of actions and or projects to address the top three concerns that were identified in the survey. The top three areas of importance are 1. Water Quality 2. Public Safety 3. Appearance of Town

The committee consisted of five members who met and brainstormed ideas to address these areas of concern. The committee recommended the following:

1. A water filter program funded 50% by the town to make small in-home filters available at a small cost to each resident who desire to have one. The Board of Trustees budgeted \$1500 for fiscal year 2018 to support this recommendation.
2. An increase in police presence in the town. The Board supported this recommendation with a 25% increase in contracted patrol time with the Lochbuie Police Department. This translates to an increase of 5 hours direct patrol time each week for a total time of 26 hours per week of contracted time.
3. The committee recommended a partnership with the Weld Central High School Woodworking class to determine if they could produce several wooden planters for placement on Main Street. Although this recommendation is in the planning phases, the board supported this recommendation by budgeting \$2500 for the purchase of materials to accomplish this goal.

These projects will be reviewed and updated on an annual basis. The board of Trustees incorporated a property improvement grant in the general fund in the amount of \$20,000 to assist residents in their efforts to improve the exterior of their homes. The implementation, and application process of this grant is yet to be determined, but will be communicated early in 2018. This budgeted item can be located in the general fund, administrative department, property improvement grant line item. The identified project of water tank maintenance with a new interior coating to be completed on the older water tank located at CR 14 and 55 in the 2018 budget and this can be located in the water fund, public works department in the maintenance and repair line item, we expect the cost of this to be approximately \$120,000. We will continue and strive to address all areas of concern over the next several years and to track our progress through an annual survey.

The draft budget was presented to the Board of Trustees by the Town Manager on September 18, 2017. The annual budget must be presented to the governing body on or before October 15 of each year. The board reviewed the budget on September 18, and again at their regular meeting on October 16, 2017. A budget workshop was held on Thursday, October 26, 2017 where the board members reviewed the proposed budget in detail and directed staff to make revisions. A public hearing was held for the budget on November 20, 2017 where the public had an opportunity

to comment on the proposed 2018 budget. The budget was adopted on December 11, 2017, and reported to the Colorado Department of Local Affairs on or before January 31, 2018.

## Budget Calendar

July 1, 2017	Department heads discuss needs and costs are researched and gathered for proposed inclusion in the budget
Sept 18, 2017	Draft budget presented to BOT
October 26, 2017	Work session to review and discuss the proposed budget in detail—staff directed to make revisions.
November 20, 2017	Public hearing budget
December 11	Budget adoption

## FINANCIAL STRUCTURE

The Town uses Funds to report its financial position and results of operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities. A Fund is a separate accounting entity with a self-balancing set of accounts.

Funds are classified into three categories: governmental, proprietary and fiduciary. Each category, in turn, is divided into separate “fund types.” The Town does not have any Fiduciary Funds.

### Governmental Funds

#### General Fund (major)

### Proprietary Funds

#### Enterprise Funds

Water Fund (major)

Wastewater Fund (major)

---

#### Special Revenue Funds

Capital Improvement Fund (non-major)

Conservations Trust Fund (non-major)

Impact Fee Fund (non-major)

#### Description of Funds

Major funds represent the significant activities of the Town and basically include any fund whose revenues or expenditures, excluding other financing sources and uses, constitutes more than 10% of the revenues or expenditures of the appropriated budget. The breakdown of the Town’s fund structure is as follow:

Governmental Funds—Governmental funds are used to account for all or most of the government’s general activities and the collection and disbursement of some earmarked funds, such as a percentage of sales tax, conservation trust disbursements, and impact fees.

#### Major Governmental Funds

General Fund—The General Fund is a general operating fund of the Town. All general tax revenues and other receipts that are not allocated by law to another fund are used to finance general operating expenditures. It includes most tax revenues and such services as public safety, parks, equipment maintenance, engineering, planning, zoning, and administration.

#### Non-major Governmental Funds

Capital improvement Fund—This fund is used to account for financial resources that have been segregated by the Board of Trustees for capital purchases and improvements. The revenue source for this fund is a percentage of sales tax collected by the town. Debt service for the 2014 sales tax bond is paid from this account.

Conservation Trust Fund—This fund is used to account for revenues from the State of Colorado Lottery money distributions. All expenditures from this fund are restricted to park, open space, open space acquisition, and maintenance on existing parks.

Proprietary Funds—The Town of Keenesburg maintains only Enterprise funds.

### Major and non-major Proprietary Funds:

Enterprise Funds— (Water and Wastewater, both major funds) Enterprise Funds are used to report the same functions presented as business-type activities in government-wide financial statements. They are established to account for the financing of self-supporting activities of the Town which render services on a user charge basis to the general public. These funds provide utility services to approximately 478 customers.

### Balanced Budget

The Town of Keenesburg defines a balanced budget as one in which expenditures do not exceed available resources. Available resources are defined as annual projected revenues plus beginning cash available balances. Ongoing operational expenses must be funded by ongoing sources of revenue. As a matter of policy, the town does not use one-time revenues to fund ongoing operations.

### Available Resources

The beginning fund balance along with the revenues provides the Town of Keenesburg with the total resources available for payments of the town's expenditures.

### Expenditures

At the current time, there are many demands placed upon the town's funds. It is a challenging time for the town to balance service demands with the needs of the community while maintaining a balance in our allocation of resources.

### Debt Service and Long-Term Obligations

Revenue Bonds—are loans required to be paid from user fees associated with the enterprise fund for which the funds are utilized.

In 2014, the Town citizens approved a Revenue Bond to fund street improvements, this loan matures in 2026.

General Obligation Bonds—are loans required to be paid from property taxes levied against the taxable property within the Town. To issue these bonds, an election by the general electors of the Town approving the issuance is required.

## Governmental Loans

In 2006, the Town entered into a loan agreement with the Colorado Water Conservation Board. This loan matures in 2038. However, the town has been pre-paying on this loan and plans to have it paid in full by 2032.

In 2009, the town entered into a loan agreement with the Department of Local Affairs to complete a wastewater treatment upgrade, this loan matures in 2028

All detailed repayment schedules follow:

## **BUDGET MESSAGE**

Attached is the 2018 budget as adopted by the Board of Trustees on December 11, 2017. The budget is composed of the General Fund, Waterworks Fund, Wastewater Fund, Conservation Trust Fund, Impact Fee Fund, and the Capital Improvement Fund. All funds utilize the modified accrual basis of accounting and all funds reflect revenues adequate for the projected expenditures.

The Town of Keenesburg provides the following services: general administrative services; planning and zoning; building inspections and permits; public improvements; health and welfare; public safety; animal control; utilities, which include water and wastewater; and public parks and streets.

### **General Fund**

The primary source of revenue for this fund is property tax. A property tax levy of 22 mills was approved by the voters on April 6, 2010, and has been established and is projected to produce \$216,111 in revenue. The voters approved a ballot question in 2014 that allows the town to divide the sales tax revenue as determined by the Board of Trustees. The revenue that will be assigned to the general fund in 2018 is 48.8% of expected sales tax revenue for a projected \$100,000 in income. Other significant revenue sources are franchise fees in the amount \$40,000, and highway users tax in the amount of \$48,944. There are no planned administrative capital outlay expenditures for 2018. All municipal services provided in 2017 will be continued in 2018, noting an expanded law enforcement service with a 25% increase in service hours for 2018. The continuation of this contracted service with the Lochbuie Police Department will continue to save the taxpayers money while delivering a higher level of service than in the past. The park savings fund has been replaced with a park impact fee that is included in the impact fee fund; and as such the balance of \$54,128 and use revenues of \$55,872 account for \$110,000 capital expenditure out of the general fund for a park upgrade project. There is also \$30,000 from the conservation trust fund being budgeted for this project with a total project cost of \$140,000. This project includes the installation of a buried collection box at the corner of Elm and Owen, to address the deep drainage system that is currently at that location; new playground surfacing; installation of benches; and the addition of a splash pad at Schey park.

### **Waterworks Fund**

The primary sources of revenues for this fund are water tap fees, user fees, and a water pipeline lease. Water sales are anticipated to generate \$295,000 in revenue. The town was previously under contract with Pioneer Metropolitan District, this contract has been transferred to the Town of Castle Rock, for the use of our water line. This agreement has been amended to reduce the number of years to pay off the debt, therefore the payment has increased to \$63,099.00. Due to the decrease in the demand for bulk water, the town will continue to anticipate minimal revenue from the sale of bulk water. An increase in the availability of bulk water from private sources has markedly decreased the demand for this service. A new rate schedule for tap fees was created in 2017 based upon a development fee study that was completed in April 2017. The result of this study revealed a need to decrease our tap fee and to create a raw water acquisition fee to enable the town to access additional water rights that are currently owned by the town, to accommodate future growth. We do anticipate growth in 2018 and expect to sell ten water taps creating \$59,550 in water tap revenue, and \$102,000 in raw water acquisition revenue. There are no capital improvements anticipated for 2018.

### **Wastewater Fund**

The primary source of revenue for this fund is sewer tap and user fees. Sewer sales are anticipated to generate \$259,520 in revenue. The town is working with School District RE-3J to extend the wastewater service to the Weld Central Complex located on Hwy 52 and County Road 59. This project is expected to be complete by Winter 2018. The anticipation of growth in 2018 and the projection of the sale of ten residential and one commercial sewer taps is expected to produce \$255,800 in income. The town was

awarded an administrative planning grant in 2016 in the amount of \$15,000, which helped pay for a sewer line replacement study. This study has identified the areas in town where the sewer lines need repair and or replacement. The town has been awarded a grant in the amount \$300,000 from the Department of Local Affairs to assist with this much-needed project. In addition, the town has applied for a loan in the amount of \$496,000 from USDA, this money coupled with grant money will enable the town to replace and or slip line all existing clay collection lines within the town. Capital expenditures in the amount of \$796,000 are budgeted for 2018, to accommodate this project.

### **Conservation Trust Fund**

The sole revenue source for this account is the State of Colorado's Lottery, and we anticipate this revenue will be \$12,000 in 2018. Expenditures in the amount of \$30,000 from reserves are planned to couple with the balance of the park savings fund that has been replaced with an impact fee fund account, and some funds derived from use tax for a park upgrade project. This project will include the installation of a collection box at the corner of Elm and Owen to eliminate the deep drainage system at that location, the installation of new playground surface and park benches as well as a splash pad in Schey Park.

### **Capital Improvement Fund**

Funded by sales tax collections and earnings on investments, this fund is utilized for the servicing of Sales Tax Revenue and Refunding Bonds and capital improvement projects. The voters approved a sales tax increase in 2014 for a total sales tax rate of 3%. The total sales tax revenue for the Town of Keenesburg is expected to produce \$205,000; of which, \$105,000 of revenue will be assigned to the capital improvement fund. The voters also approved a sales tax revenue bond in the amount of \$960,000 in 2014. The town completed a large-scale street project in 2016 with the expenditure of \$884,400. The payment on the voter approved bond will be \$86,608; of which, \$65,000 will be applied to the principal, and \$21,608 applied to interest. There is \$25,000 budgeted for capital expenditures in 2018. These funds are planned to address repairs to existing sidewalks with possible additional sidewalk installation.

The 2018 budget continues the Town of Keenesburg's commitment to providing the necessary services to the community, and completing needed projects, blended with sound financial management.

Respectfully Submitted,

Town Treasurer  
Town of Keenesburg, Colorado

**RESOLUTION 2017-28  
RESOLUTION TO ADOPT 2018 BUDGET**

**A RESOLUTION SUMMARIZING EXPENDITURES AND REVENUES FOR EACH FUND AND ADOPTING A BUDGET FOR THE TOWN OF KEENESBURG, COLORADO, FOR THE CLAENDAR YEAR BEGINNING ON THE FIRST DAY OF JANUARY 2018 AND ENDING ON THE LAST DAY OF DECEMBER 2018.**

**WHEREAS**, the Board of Trustees of the Town of Keenesburg has appointed the Town Treasurer to prepare and submit a proposed budget to said governing body at the proper time; and

**WHEREAS**, the Treasurer has submitted a proposed budget to this governing body on September 18, 2017, for its consideration; and

**WHEREAS**, upon due and proper notice, published and posted in accordance with the law, said proposed budget was open for inspection by the public at a designated place, a public hearing was held on November 20, 2017, and interested taxpayers were given the opportunity to file or register any objections to said proposed budget; and

**WHEREAS**, whatever increases and or decreases may have been made in expenditures, like increases or decreases were added to the revenues or planned to be expended from reserves/fund balances so that the budget remains in balance, as required by law.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE TOWN OF KEENESBURG COLORADO:**

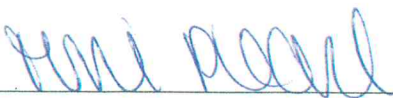

**Section 1.** That the budget as submitted, amended, and summarized by fund, hereby is approved and adopted as the budget of the Town of Keenesburg for the year stated above.

**Section 2.** That the budget hereby approved and adopted shall be signed by the Mayor and made a part of the public records of the Town of Keenesburg

**INTRODUCED, READ and ADOPTED** this 11<sup>th</sup> day of December. 2017.

**RESOLUTION 2017-29**  
**RESOLUTION TO APPROPRIATE SUMS OF MONEY**

**A RESOLUTION APPROPRIATING SUMS OF MONEY TO THE VARIOUS FUNDS AND SPENDING AGENCIES, IN THE AMOUNT AND FOR THE PURPOSE AS SET FORTH BELOW, FOR THE TOWN OF KEENESBURG, COLORADO, FOR THE 2018 BUDGET YEAR.**

**WHEREAS**, the Board of Trustees of the Town of Keenesburg has adopted the annual budget in accordance with the local Government Budget Law, on December 11, 2017; and

**WHEREAS**, the Board of Trustees of the Town of Keenesburg has made provisions therein for revenues in an amount equal to or greater than the total proposed expenditures as set forth in said budget; and

**WHEREAS**, it is not only required by law, but also necessary to appropriate the revenues and reserves or fund balance provided in the budget to and for the purpose described below, thereby establishing a limitation on expenditures for the operations of the town.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE TOWN OF KEENESBURG, COLORADO:**

**Section 1.** That the following sums are hereby appropriated from the revenue of each fund, to each fund, for purposes stated:

**RESOLUTION 2017-30**

**A RESOLUTION LEVYING PROPERTY TAXES FOR THE YEAR 2017, TO HELP DEFRAY THE COSTS OF GOVERNMENT FOR THE TOWN OF KEENESBURG, COLORADO, FOR THE 2018 BUDGET YEAR.**

**WHEARAS**, the Board of Trustees of the Town of Keenesburg has adopted the annual budget in accordance with the Local Government Budget Law, on December 11, 2017; and;

**WHEREAS**, the amount of money necessary to balance the budget for the general operating purposes from property tax revenue is \$216,111; and

**WHEREAS**, the 2017 valuation for assessment for the Town of Keenesburg as certified by the County Assessor is \$9,823,230

**NOW, THEREFORE, BE IT RESOLVED BY THE TOWN BOARD OF THE TOWN OF KEENESBURG COLORADO:**

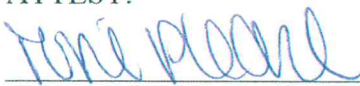

**Section 1.** That for the purpose of meeting all general operating expenses, of the town of Keenesburg during the 2018 budget year, there is hereby levied a tax of 22 mills upon each dollar of the total valuation for assessment of all taxable property within the Town for the year 2017.

**Section 2.** That the Mayor is hereby authorized and directed to immediately certify to the County Commissioners of Weld County, Colorado, the mill levies for the Town of Keenesburg as hereinabove determined and set based upon the final certification of valuation from the County Assessor.

**INTRODUCED, READ and ADOPTED**, this 11<sup>th</sup> day of December, 2017.

Include one copy of this tax entity's completed form when filing the local government's budget by January 31st, per 29-1-113 C.R.S., with the Division of Local Government (DLG), Room 521, 1313 Sherman Street, Denver, CO 80203. Questions? Call DLG at (303) 864-7720.

<sup>1</sup> If the taxing entity's boundaries include more than one county, you must certify the levies to each county. Use a separate form for each county and certify the same levies uniformly to each county per Article X, Section 3 of the Colorado Constitution.<sup>2</sup> Levies must be rounded to three decimal places and revenue must be calculated from the total NET assessed valuation (Line 4 of Form DLG57 on the County Assessor's FINAL certification of valuation).
