TOWN OF KEENESBURG

TEMPORARY AFTER-HOURS CONSTRUCTION PERMIT

Sec. 7-2-40.- Temporary after-hours construction permit

- (1) Any person or entity seeking to operate construction equipment or conduct any construction activities between the hours set forth in subsection 7-2-30(2) shall first apply for a temporary after-hours construction permit in accordance with this Section.
- (2) Applications for after-hours construction permits shall be made on forms provided by the Town.
- (3) The Town Manager may grant an after-hours construction permit if all of the following conditions are met:
 - (a) The term of the permit expires no later than three (3) weeks after its issuance;
 - (b) The operation of construction equipment or conduct of construction activities will not take place within five-hundred (500) feet of any residential property; and
 - (c) Construction lighting will not spill over onto neighboring properties.
- (4) The Town may add conditions to any temporary after-hours construction permit reasonably necessary to protect the public health, safety, welfare, comfort, peace and quiet enjoyment of the Town and its residents.
- (5) Temporary after-hours construction permits may be revoked by the Town Manager upon the Town's receipt of a complaint regarding the after-hours operation of construction equipment or conduct of construction activities, including but not limited to a complaint related to subsection (3), above.
- (6) No mobilization of any equipment after sundown.
