

***Your participation and cooperation in complying with the above will be greatly appreciated by your rural carrier, postal service and Tremont Public Works Department.***

In the event your mailbox is damaged by the Town plow, we ask you to make any needed temporary repairs. If you are unable to make such repairs on your own, please call the Town Office at 244-7204, and we will attempt to repair or replace the mailbox as we deem appropriate and when time permits. Newspaper boxes will not be repaired or reset by the Town in any event.

The Town will not replace custom-made mailboxes, ornate posts, granite posts, etc., or existing mailboxes with rotted posts or posts which are obviously in poor condition. State of Maine law views mailboxes as encroachments in the public right of way put there at the Owner's risk, so municipalities are not legally liable for any damage or repairs to mailboxes due to plowing operations.
