Tremont Board Of Selectmen

Whereas, the Maine Revised Statutes, Title 36, Section 906 provides, that “The municipal officers of a municipality may, upon request of the municipal treasurer or the tax collector, require that any tax payment received from an individual as payment for any property tax be applied against outstanding or delinquent taxes due on that property in chronological order beginning with the oldest unpaid tax bill. Taxes may not be applied to a period for which an abatement request or appeal has not been resolved unless approved in writing by the taxpayer.” And;

Whereas, Treasurer Christopher Saunders has so requested, now therefore;

Be It Resolved, that the Tax Collector and Treasurer are hereby authorized and directed that any tax payment received from an individual as payment for any property tax shall be applied against outstanding or delinquent taxes due on that property in chronological order beginning with the oldest unpaid tax bill. Provided however, that taxes may not be applied to a period for which an abatement request or appeal has not been resolved unless approved in writing by the taxpayer.
