

A Closer Look

The Southern Tier Tobacco Awareness Coalition (STTAC) seeks to build healthier communities through tobacco-free living in Chemung, Schuyler, & Steuben, NY.

Village of Canisteo Supports Smoke-Free and Tobacco-Free Public Spaces

In October 2021, the Village of Canisteo passed a local law banning smoking, vaping, cannabis use, and all other tobacco use in municipal parks, buildings, and at bus stops.

Municipal buildings include the Village Hall, Department of Public Works, Water Treatment Department, and Fire/Police Department. Bus stops include school and HAT bus stops. Municipal parks include Nicholas F. Clark Memorial Park and the Bandstand/Parking Lot.

The Village of Canisteo partnered with the Southern Tier Tobacco Awareness Coalition (STTAC) to create signage to raise awareness of the importance of keeping these public spaces safe, clean and smoke-free.

STTAC Newsletter On Hold Until March 2022

Due to staffing needs, the next STTAC monthly newsletter will be shared in March 2022.

Here in New York State, tobacco companies spend more than a half a million dollars every day to place promotions in stores where kids can see them. And the more they see, the more likely they are to start smoking.
