Bryce Sawyer  
Eagle Scout Project

Dear Bryce,

On behalf of the Canisteo Village Board, I would sincerely like to thank you for your dedication in making the beautiful flower pots for the downtown area of the Village of Canisteo. Not only were the flower pots absolutely well built, you also ensured they were painted to match the newly updated benches and tables. The flowers you chose to place in the pots are beautiful and showed how much thought went into picking just the right plants for the constant sun they are exposed to during the summer months. I also want to thank you and your family for helping the Village in watering and maintaining the flowers, which has not gone unnoticed. We have received numerous positive comments and I know we will be able to use these for many years to come.

Without your efforts, we would have struggled to provide the flowers this year with all the other construction projects taking place in the Village. Your commitment and dedication to your Eagle Scout service project and the Village of Canisteo is commendable and nothing short of extraordinary.

Sincerely,

Monica Recktenwald  
Mayor
