

We open the doors of the Rouses Point History and Welcome Center for the 2015 Season with beautiful new display panels depicting the story of Rouses Point since the glacier days with the formation of Lake Champlain. The panels are informative, colorful and add a wonderful new dimension to the Center.

Members and volunteers are eagerly awaiting the opportunity to show you the displays and memorabilia of Rouses Point and the Northern Tier.

The Village of Rouses Point received funding for this project from the Environmental Protection Fund Local Waterfront Revitalizations Program, administered by the NYS Department of State.
