Welcome!

Darryl Beach – Village President Elect

Anton "Tony" Feitlich – Trustee – I have been a resident of Waterman for almost 10 years. I am married and have two daughters who both attend ICMS. You will find me at volleyball games, track meets, plays, band concerts and almost everything else a child can do with the school. Professionally, I have worked in banking for the last 22 years, including 15 or so as a branch manager. I will be completing my bachelor's degree in date analysis this winter. I look forward to hearing feedback from all of our friends and neighbors and believe that with an open mind and hard work we can achieve the goals of our community!
