Roll Call – Trustee Radtke, Guests: Village Manager Amy Nykaza, Trustee Knopp

New Business:

Discussed future plans for parks. Discussed developing Garfield Park into a sports park. Discussed possibly baseball backstop with turf field, more soccer goals, and possible basketball court. Village Manager will work on getting bids for baseball field and soccer goals. Discussed future plans for Lions Park. Would like to see dugouts, lights, and a larger infield on main field. Improvements, including dugouts, on smaller field as well.

Discussed complaints about mess on village property. Did a walk around the property and there is a lot of garbage that can be thrown away. Materials that are being used should be stored in a building and weeds should be trimmed, with the exception of gravel. Discussed fence but doesn't seem critical if the public works just keeps their area cleaned up.

Discussed replacing chair and table racks at Lion's Park. Village Manager will look at hook and storage system that would be permanently fixed to the wall.

Public Comments:

Discussed alcohol at Lion's Park. Possibly have events registered with the village hall and indicate there will be alcohol at the event.

Discussed splash pad rules. Will like to change the enforcement language to be less strict on children.

Adjournment: 7:01PM
