A Marihuana Workshop to review the procedures for reviewing the business license applications was presented by the Village’s Planner, Rebecca Harvey and attended by the Village’s marihuana attorney, Jessica Fette. The Public was present, but could not make any comments. **Village Planner, Rebecca Harvey** said that the bidding period for accepting license applications ended at 4:00 pm earlier today, Thursday, July 29, 2021. The Village has limited the number of licenses, therefore, there are more applicants than licenses available. The MRTMA then requires the Village to have a competitive selection process in which the Council will have to determine which of the applicants are best suited to operate in compliance with the Act and with the Village’s ordinance. The application reviews must be conducted in a public meeting. After a decision has been made as to whom the licenses will be awarded, that applicant has one year from that date to provide proof to the Village that the State Operating license has been obtained. No decisions were made tonight. Council will begin discussing the number of meetings and dates to be set at a future council meeting.

Meeting Adjourned: 8:26 pm
