

Water Sewer Superintendent

Starting Compensation: 58,000 – 62,000 DOQ Salaried Position
Benefits Offered: Life, Medical, Dental, Simple IRA (with match)
Employment Type: Full-Time
Closing Date: Until filled

The Village of Three Oaks is seeking a full-time **Water & Sewer Superintendent**.

This position is responsible for hands-on technical and supervisory work in the operation and maintenance of the Village's drinking water treatment plant, groundwater pump stations, water storage tanks, and wastewater treatment lagoons. Individual reports to the Village Manager. Minimum qualifications: Must be a High School graduate. Three to five years of relevant experience, with at least one year in a supervisory capacity preferred—possession of a Drinking Water Limited Treatment Grade D-3 and Distribution System S-3 licenses. Michigan L-1 lagoon operator license must be obtained within one year of employment. Position requires lifting or moving heavy objects up to 75 pounds without assistance. The pay range is \$58,000 - \$62,000 DOQ plus benefits outlined in the Village Handbook. We are accepting applications until filled.

Visit the Village of Three Oaks Website at www.threeoaksvillage.org to obtain an application. Send resume, cover letter, application, and copy of licenses to Village of Three Oaks, ATTN: Dan Faulkner, PO Box 335, Three Oaks, MI 49128, or by email: manager@threeoaksvillage.org
