WHEREAS, Ohio Revised Code (“R.C.”) Section 5709.40(B) provides that this Council may, under certain circumstances, (i) declare improvement to parcels of real property located in the Village of Walton Hills (the “Village”) to be a public purpose, thereby granting to that improvement an exemption from real property taxation; (ii) designate specific public infrastructure improvements made, to be made, or in the process of being made that directly benefit, or that once made will directly benefit, the parcels for which improvement is declared to be a public purpose; and

WHEREAS, Pursuant to R.C. Section 5709.42, shall be paid to such school district in the amount of the taxes that would have been payable if the improvement had not been exempted from taxation; and

WHEREAS, the real property described in Exhibit A attached hereto and incorporated herein by reference (the “Property”) is located in the State of Ohio (the “State”), County of Cuyahoga (the “County”), and the Village, with each parcel of the Property referred to herein as a “Parcel” (whether as presently appearing on County tax duplicates or as subdivided or combined and appearing on future tax duplicates); and

WHEREAS, this Council has determined that it is necessary and appropriate and in the best interests of the Village to provide for service payments in lieu of real property taxes (“Service Payments,” as further defined below) with respect to the Property pursuant to R.C. Section 5709.42; and

WHEREAS, the Village desires to facilitate the construction of the public infrastructure improvements described in **Exhibit B** attached hereto and incorporated herein by this reference (the “Public Infrastructure Improvements”); and

WHEREAS, this Council has determined that payments in lieu of taxes shall be paid to the School District pursuant to R.C. NOW, THEREFORE, BE IT ORDAINED by the Council of the Village of Walton Hills, County of Cuyahoga, State of Ohio that:

Section 1. The Public Infrastructure Improvements described in Exhibit B attached hereto intended to be made or caused to be made by the Village are hereby designated as public infrastructure improvements that, once made, will directly benefit the Property.

Section 2. One-hundred percent (100%) of the increase in the assessed value of each Parcel (as each may be subdivided or combined) (each of which increase in assessed value is an “Improvement” as defined in R.C. WHEREAS, Ohio Revised Code (“R.C.”) Section 5709.40(B) provides that this Council may, under certain circumstances, (i) declare improvement to parcels of real property located in the Village of Walton Hills (the “Village”) to be a public purpose, thereby granting to that improvement an exemption from real property taxation; (ii) designate specific public infrastructure improvements made, to be made, or in the process of being made that directly benefit, or that once made will directly benefit, the parcels for which improvement is declared to be a public purpose; and

Section 1. The Public Infrastructure Improvements described in Exhibit B attached hereto intended to be made or caused to be made by the Village are hereby designated as public infrastructure improvements that, once made, will directly benefit the Property.

This Council hereby authorizes the Mayor or other appropriate officers of the Village to provide such information and certifications and execute and deliver, or accept delivery of such instruments as are necessary and incidental to collect those Service Payments and to make such arrangements as are necessary and proper for payment of the Service Payments.
