

SELECTMEN'S MEETING SUMMARY
December 12, 2012

The weekly selectmen's meeting was called to order at 5:30 pm by Selectman Wesley Daniel with Selectmen Donald Grinnell and Duane Vigue also present.

The summary of the December 6, 2102, selectmen's meeting was approved as written.

The selectmen voted unanimously to approve payroll warrants of \$3,583.96 and \$212.00 and an accounts payable warrant of \$6,363.86. As of December 12th there was \$98,772.28 in the operating account and \$723,835.11 in the interest bearing sweep account. The selectmen reviewed the TRIO revenue and expense reports dated December 12th.

Jonathan Daniel, Road Commissioner, was absent but provided a written report of his activities December 2 - 8. The selectmen voted unanimously to accept the report.

Robert Temple, Code Enforcement Officer was present but had no written report. Bob has sent stop work orders to the four gravel pit/mining operators who have not contacted Bob to complete their annual inspections. He has also sent a compliance letter to Tim Jackson requiring him to remove the scrap metal at his previous location. Should he fail to comply Bob will issue a stop work order on the new location.

Jim Bowers was in attendance representing the planning board and asked about the letter to the planning board sent by the selectmen last fall regarding future reviews of mining applications. The letter referred to a MMA legal opinion that the planning board should review the standards included in any and all ordinances and applicable laws and regulations in its site plan review. Jim asked, on behalf of the planning board, why the selectmen had sent the letter. The selectmen stated that they merely wanted to preclude a basis of appeal of any decision on a mining application by not having done a complete review.

With no additional business to come before the board, the selectmen adjourned at 5:40 pm and moved to Rockland to meet with the Knox County Legislative delegation in a forum hosted by the Knox County Commissioners.
