Peg Hobbs called to thank town officials and Frank Jones Jr. for installing the kiosk at the public boat launch. After Deputy Clerk Stephanie Grinnell received a quote for a lightning protection system (\$12,000) for the Public Works garage, Mary suggested not including that in a Risk Management Grant Application that will award up to \$3,000. Mary also noted an animal has been heard in the ceiling of the town office and requested permission to call an exterminator, or someone else to investigate, before winter and the animal moves in. Wes suggested Travis Perez and said he would contact Travis about checking a missing screen over the vent, which may be how the animal entered the town office.
