Robert Marks was recognized and stated that once a decision is made by an Appeal Board an appellant/appellee could ask for reconsideration on new grounds. He has a request with the statute attached at the end that give jurisdictional authority and sets some time limits. There needs to be notice and resolve within forty-five days from the time of signing. Mr. Marks did this tonight to give the Board maximum amount of days to schedule and have a hearing.

After some discussion, a hearing/meeting will be scheduled for January 19 at 7PM.

Meeting adjourned at 7:18PM.

Respectfully submitted,

Mary Anderson
