January summary is approved.

The CEO report will be followed up on at the next meeting. Steve Ocean will review the recommended standards and preferred format with the Selectmen to ensure that information documentation is presented in the most beneficial manner going forward.

Ordinance updating/review:

Kate Grinnell notes the Shoreland Zoning will need to be updated to meet state standards. Steve Ocean suggests that a committee be created to assist in the review of the land use ordinances. There are a few changes that will be presented to the voters currently, but it would be beneficial to have a dedicated group going through the ordinances to update for the current times and uses.

If no other applications are submitted for March, the meeting will be cancelled.

Meeting adjourned 7:20 p.m.

Respectfully submitted,
Kelly Hassanein
