Planning Board Summary

March 9, 2021

In Attendance: Mitch Garnett (Chair), Steve Ocean, Deb Dean, Sarah Collins, Corey Fortin (CEO Assistant), Jesse Casas
Zoom: Kate Grinnell (Alt.)

Meeting commenced 7:04 p.m.

Jesse Casas motions to approve the February summary, Sarah Collins 2nd, all in favor, none opposed. The February summary is approved.

Corey Fortin updates the Board that he has only issued 1 permit for a lean-to structure on 86 Mountain Rd attached to a barn since last meeting. It is 18x30 feet, the stated maximum in ordinances is 240 sq. feet that can be done without a permit.

The Mills gravel pit project is working on getting a site plan prepared to continue moving forward. Corey Fortin asks the Planning Board if the current fee schedules are still applicable. Mitch Garnett clarifies that the fees are set by the Selectmen and that is where any updated changes would be. Corey said he would follow up with the Selectmen.

The Decommissioning plan from the latest solar project has been approved by Peter Drum and will be signed by available Planning Board members by meetings end.

Meeting Adjourned at 7:15

Respectfully submitted,
Kelly Hassanein
