Planning Board Summary

Supplemental meeting

July 20, 2022

Attendance: Steve Ocean (Chair), Seth Anderson, Erick Anderson, Micah Nelson (Alt.)

Meeting begins at 6:00 p.m. in the library

Steve Ocean motions to approve the June 7th summary. Micah Nelson 2nd, all in favor, none opposed. June 7th summary is approved.

Jacksons Salvage:

Micah Nelson notes that there was little mention of the property deed being attached to the completed application and if this was a critical detail that might need attention. After brief review the Board concluded that this feature could be added to the signature page of the standard application document as a condition that is relevant to most projects and filed with Knox County registrar after approval. It will be included with the Jacksons Salvage project as well.

The Board members also reviewed the standards for the berms around the area as Erick Anderson pointed out that the time frame estimate for vehicle processing seems to be lengthier than anticipated.

Based on the completed application, applicants' statements, and review of findings Micah Nelson motions to approve the Jackson's Salvage expansion. Seth Anderson 2nd, all in favor, none opposed. The Jackson's Salvage application is approved.

Erick Anderson motions to adjourn. Micah Nelson 2nd, all in favor, meeting adjourned at 6:22 p.m.

Respectfully submitted,
Kelly Hassanein
