Dear West Deptford Residents,

As of March 19, 2019, the West Deptford Police Department will be implementing the “Firearms Application Registration System”, which is known as FARS. This is an online system that you will be required to utilize when you apply for a Firearms Purchaser Identification Card and/or a Handgun Purchase Permit. This will replace the current application process in which you had to make application at the West Deptford Police Department. For more information, please visit the New Jersey State Police website at [www.njportal.com/NJSP/fars](http://www.njportal.com/NJSP/fars).

If you have any questions regarding the process, please call my Administrative Assistant, Christine Duffy at 856-853-4599 ext. 157 or call the Detective Division at ext. 144.

Respectfully,
