

<b>WEST DEPTFORD POLICE DEPARTMENT GENERAL ORDER</b>		
SUBJECT: INTERNAL AFFAIRS		
EFFECTIVE DATE: February 7, 2023	NUMBER OF PAGES: 42	
ACCREDITATION STANDARDS: 1.3.1, 1.4.3a-e	BY THE ORDER OF: John Chambers Chief of Police	

**PURPOSE:** The purpose of this general order is to maintain a high quality of law enforcement services, to establish and maintain integrity of the agency and to instill and maintain public confidence in the agency. Improving the relationship between employees and the public facilitates cooperation vital to the department's ability to achieve its goals. This department is committed to providing law enforcement services that are fair, effective, and impartially delivered. Employees are held to the highest standards of conduct and are expected to respect the rights of all citizens. This department must be responsive to the community by providing formal procedures for the processing of complaints regarding individual employee performance. An effective disciplinary framework permits department personnel to monitor employee compliance with department directives, assist employees in meeting department objectives, enhance performance, and permit managers to identify problem areas which require increased training or direction. Finally, this general order shall ensure fundamental fairness and due process protection to citizens and employees alike.

**POLICY:** It is the policy of the West Deptford Police Department to accept and investigate all complaints of department and employee's alleged misconduct or wrongdoing from all persons who wish to file a complaint, regardless of the hour or day of the week. This includes reports from anonymous sources, juveniles, undocumented immigrants, and persons under arrest or in custody. All allegations of employee misconduct shall be thoroughly, objectively, and promptly investigated to their logical conclusion in conformance with this policy, regardless of whether the employee resigns or otherwise separates from the agency. All employees, regardless of rank/title, shall be subject to disciplinary action for violating their oath and trust. Committing an offense punishable under the laws of the United States, the State of New Jersey, or municipality constitutes a violation of that oath and trust. Employees are also subject to disciplinary action for the willful or negligent failure to perform the duties of their rank or assignment. In addition, employees may be disciplined for violation of any rule or regulation of the department or for failure to obey any lawful instruction, order, or command of a superior officer or supervisor. Disciplinary/corrective action in all matters will be determined based upon the merits of each case. Investigators conducting the investigation of any allegation of misconduct shall strive to conduct a thorough and objective investigation respecting the rights of the principal, any other law enforcement officer, and all members of the public. Accordingly, any supervisor and any officer who may be called upon to conduct an internal investigation must be thoroughly familiar with the department's Internal Affairs general order.

*This general order has been developed in accordance with the revised New Jersey Attorney General Directive on Internal Affairs.*

All reportable incidents shall be carefully and thoroughly reviewed by the Internal Affairs Supervisor to determine the manner of response that best serves the public, the department, and the employee. Reportable Incidents classified, as misconduct will result in an internal investigation conducted in accordance with the New Jersey Attorney General's Internal Affairs Directive and this general order. Reportable incidents include, but are not limited to the following:

1. A complaint that an employee has engaged in any form of misconduct, as defined in this general order, whether on or off-duty;
2. An alleged violation of any of the Department Rules and Regulations;

C. **Classification:** There are three classifications of a reportable incident. All reportable incidents shall be forwarded to the Internal Affairs Supervisor to screen, record and classify the incident as one of the following (**See Figure #1**):

**NOTE:** All allegations of misconduct, whether criminal or administrative, regardless of the source of the allegation shall result in an internal investigation.

1. Criminal Misconduct - Reportable Incidents classified as criminal misconduct will result in immediate notification to the Gloucester County Prosecutor of the receipt of the complaint by the Internal Affairs Unit. No further action shall be taken, including the filing of charges against an employee, until directed by the Gloucester County Prosecutor.
  - a. Criminal Misconduct is defined as a reportable incident where there is an allegation of a crime or an offense.
  
2. Administrative Misconduct - An incident may be classified as administrative misconduct in which case an investigation shall be conducted in accordance with this general order.
  - a. Administrative Misconduct is defined as a reportable incident where there is a serious violation of department rules and regulations, policy and procedure or, conduct, which adversely reflects upon the employee or the department.
  - b. Repeat performance deficiencies may be classified as administrative misconduct.

**Figure #1 (Classification Process)**

## II. GUIDING PRINCIPLES

- A. The investigative process should seek to locate and identify all evidence available to either prove or disprove allegations made against an employee.
- B. With the exception of internal investigations that are part of an ongoing or potential criminal investigation, the majority of internal investigations are administrative in nature. Unlike criminal investigations where the burden of proof is beyond a reasonable doubt, the standard for administrative cases is a preponderance of the evidence.
- C. Also important is that strict rules of evidence and certain constitutional protections that apply in criminal cases do not attach to these investigations. In accordance with established case law, the investigator, reviewing authority and the Chief of Police can rely on types of evidence that would be inadmissible in a criminal proceeding provided, there is some indication of reliability.
- D. Furthermore, unlike criminal investigations, certain specific legal protections that arise in employment & labor matters and in police discipline matters apply to employees subject to an internal investigation. These include rights and practices commonly referred to as Weingarten, Loudermill, and Garrity rights, as well as contractual rights or those based on state or federal statutes.
- E. Investigators and reviewers shall scrupulously adhere to the principles that all employees shall be afforded all rights to which they are entitled. At the same time, investigative and review personnel will also be aware of their obligations to determine the facts of each case utilizing investigative methods, which are consistent with acceptable practices in employee discipline cases.
- F. Internal Affairs investigations shall not rely solely on the outcome of related criminal matters or traffic matters. The conviction of a citizen complainant shall not be dispositive as to the citizen's complaint regarding the employee's conduct related to the incident. However, the court proceedings will be relevant and should be reviewed. Unless otherwise determined by the investigative plan, most cases involving a court action will require the collection and analysis of court records and transcripts of court appearances by the principal, complainant, or critical witnesses. The investigator should make every attempt to attend court proceedings, to monitor the progress/outcome of the case. As a monitor, the investigator need not notify the prosecutor, judge, or other court personnel of his/her presence and should not have any input in the proceedings.
- G. If a civilian signs criminal or traffic complaints, in addition to making an internal affairs complaint against an employee, a not guilty disposition of the court shall not automatically determine the outcome of the internal complaint. However, it will be relevant and part of the investigation.
- H. The investigator and reviewing authority shall consider that administrative charges have a different threshold of proof as well as less restrictive rules of evidence.
- I. As internal affairs investigators, a tendency to automatically grant more credibility to statements given by employees of the department and other law enforcement officials than to statements given by civilian complainants and witnesses must be

carefully avoided. In certain situations where the credibility and motive of the complainant is reasonably suspected, a credibility determination may be made as provided for in this general order. However, investigators, unless otherwise authorized, will investigate the relevant facts of the allegations and not the background or motive of the complainant, unless relevant to the investigation.

- J. It is the policy of this department that personnel conducting internal investigations deal with complainants, witnesses, and principals in a professional manner. This includes being prepared for interviews, promptly responding to telephone calls, and handling all related contacts during an investigation to leave citizens and employees alike with the impression that a thorough, fair, and impartial investigation of the allegation(s) will be conducted.
- K. Discovery of additional allegations and identification of additional principals:
  - 1. In conducting investigations, the propriety of all conduct by the employee relating to the subject matter of the investigation shall be reviewed.
  - 2. If during the course of an investigation, the investigator has reason to believe that misconduct occurred, other than that alleged, the investigator shall:
    - a. Document the information on a New Principal/Allegation Identification Form and forward it to the Internal Affairs Supervisor/Chief of Police to determine the appropriate response. Upon completion of the review, the form, which shall include all appropriate endorsements, will be returned to the investigator, and be maintained as an attachment to the investigation.
    - b. Unless otherwise directed, the investigator shall investigate the additional allegation to its logical conclusion.
  - 3. If during the course of an investigation, the investigator has reason to believe that another employee may have been involved in alleged misconduct and should be interviewed as a principal, the investigator shall:
    - a. Report the information on a New Principal/Allegation Identification Form to the Internal Affairs Supervisor/Chief of Police, and await further instructions. Other aspects of the investigation should continue.
- L. The New Jersey Resiliency Program for Law Enforcement
  - 1. Under no circumstances, shall an officer face any type of discrimination or adverse internal affairs consequences for the sole reason that the officer decided to seek medical or psychological treatment for a mental health concern, including depression, anxiety, post-traumatic stress disorder, or substance use disorder.
  - 2. All officers are encouraged to take advantage of the resources provided by the New Jersey Resiliency Program for Law Enforcement, as well as the other resources identified in Attorney General Directive 2019-1.

The supervisor shall also advise the officer that he will not be permitted to work any intervening assigned shift or side job between the time of the immediate suspension and the meeting with the Division Commander. The supervisor shall inform the suspended officer of the limitations of his police powers and shall relieve the officer of his badge, weapon, and Department Identification. Further, he shall advise the Division Commander and the Chief of Police of what has transpired before going off duty.   - 2) The supervisor shall completely document all pertinent facts concerning the infraction, the action taken, and his recommendations, complete with justification for further action;
  - 3) The supervisor shall be responsible for ensuring that this documentation moves forward through the chain of command and arrives at the Division Commander's office without unreasonable delay. The Division Commander shall notify the Chief of Police upon receipt of the documentation;
  - 4) In the event the Chief of Police or the Division Commander does not concur with the action taken, he may:
    - a) Ask for additional clarification from those superior officers or other persons who have direct personal knowledge of, or are involved in the action;
    - b) Call for a further investigation to be conducted, in which case the Chief of Police may suspend further action pending the completion of the investigation.
    - c) Direct some course of action other than relief of duty; and

- d) In the event the Chief of Police concurs with the temporary relief of duty, he shall so state. He shall inform the employee of the duration/length and conditions of the suspension. Further, he shall complete the proper documentation, execute same and ensure that the suspended employee receives written notice that he is being suspended pending further investigation and the preferring of formal charges. The suspended officer shall acknowledge receipt of this notice by signing the appropriate documentation.

He shall not act in the capacity of, nor represent himself as a police officer in any manner, nor perform any off-duty police work.
- b. 6. Filing formal charges
  - a. Within five days of the suspension, the department must complete and file a **Notice of Disciplinary Action** against the suspended employee or return the employee to work. The filing of charges shall be suspended if the employee's suspension is due to a potential criminal matter under review by the Gloucester County Prosecutor's Office.

## VI. INVESTIGATION

### A. Criminal Misconduct Complaints

1. Where preliminary investigative data indicates the possibility of a criminal act on the part of the principal, or the investigation involves any use of force by an officer that results in death or serious bodily injury, the Chief of Police shall be notified immediately who will then notify the Gloucester County Prosecutor's Office. No further action shall be taken, until directed by the Chief of Police and the Gloucester County Prosecutor's Office.
2. The Internal Affairs Supervisor shall interview the complainant, all witnesses, as well as review relevant reports and records, and obtain other relevant information and materials.
  - a. A principal shall not be compelled to answer any questions in the absence of a grant of use immunity as conferred by the Gloucester County Prosecutor's Office.
  - b. The Internal Affairs Supervisor shall consult with the Gloucester County Prosecutor regarding the advisability of giving a Miranda Warning Form to the principal.

### B. Administrative Misconduct Complaints

1. When preliminary investigative data indicates an administrative misconduct offense, which may result in disciplinary action:
  - a. A supervisor must notify the Internal Affairs Unit, who will conduct a full investigation of the matter to include interviewing the complainant, all witnesses, and principal(s) as well as review relevant reports and records, and obtain other relevant information and materials.
  - b. The Internal Affairs Supervisor will notify the Chief of Police of the offense; and
  - c. The Internal Affairs Unit will forward copies of the appropriate disciplinary documents and investigation reports to the Chief of Police for review; and

- d. The Internal Affairs Supervisor will be responsible for the final case disposition and implementation of discipline, as determined by the Chief of Police or designee.

C. Performance Deficiency Complaints

1. Minor complaints should be assigned to and handled by a commanding officer at least one step removed from the employee's immediate supervisor, when possible.
2. When a complaint has been classified as a performance deficiency, the complaint shall be forwarded to the employee's supervisor or commanding officer for investigation. The supervisor or commanding officer shall interview the complainant, all witnesses and the principal, as well as review relevant reports. The supervisor or commanding officer shall then prepare a report summarizing the matter, recommending the appropriate corrective action.
3. The supervisor or commanding officer shall forward the completed investigation report to the Internal Affairs Unit for review, and entry of the disposition in the Internal Affairs record keeping system.

D. Interview Procedures

1. Preparation

- a. All principals, complainants and witnesses shall be interviewed after careful preparation, including the review of the investigative file and all documents, evidence, and interviews conducted up until the interview. The investigator, in consideration of the investigative plan, should have pre-formulated goals to be accomplished with each interview.

2. Memorializing of the Interview

- a. The interview of the complainant, principal, and any other witness with critical information shall be documented or memorialized in one of the following ways:
  - 1) An audio-recorded statement is the preferred method of documenting and memorializing information obtained through an interview. A synopsis of the recorded statement will be included in the narrative of the Internal Investigation Report. All statements of department personnel will be audio recorded. (When directed by the Internal Affairs Supervisor, the pertinent portions of this statement will be transcribed.)
  - 2) Video recorded.
  - 3) Handwritten statements taken by investigator shall be reduced to writing and signed on each page by the person making the statement.

- 4) A summary of the substance of the interview will be incorporated in the body of the appropriate internal investigation report.
- b. Investigators must at all times remain cognizant that civilian witnesses who are not employees of the department cannot be compelled to provide a statement in any manner. However, all reasonable efforts should be made to obtain a statement when warranted from non-police personnel in the order of priority as is listed above.
- c. All persons submitting to such a recorded or written statement, including the complainant, witnesses, and the principal(s) will, upon request, be provided with a copy of same by the investigator, as authorized by the Internal Affairs Supervisor/Chief of Police, unless by doing so, it could compromise the investigation.
- d. Other than investigators authorized by the department, employees of this department shall not electronically record nor cause any interview to be electronically recorded. A copy of the official statement shall be produced and provided within a reasonable amount of time. The employee receiving the copy of the statement shall be reminded of the absolute requirement that same not be copied, shown, or revealed to anyone other than the employee's attorney, if any. Violation of this provision will result in serious disciplinary action.
- e. Audio or written statements shall be made attachments within the investigative file, unless the matter is criminal in nature. In that case, evidence shall be handled in accordance with department general order regarding the handling of evidence in a criminal matter.
- f. All recorded statements will be summarized in the body of the appropriate internal investigation report. When directed by the Internal Affairs Supervisor, the pertinent portions of this statement will be transcribed and the transcript itself also included as an attachment to the case.
- g. The interview of any non-department person shall document the following identifiers:
  - 1) Full name;
  - 2) Address;
  - 3) Home Telephone;
  - 4) Race;
  - 5) Sex;
  - 6) DOB;

- 7) Place of Employment;
  - 8) Work Telephone;
  - 9) Names of all persons present during interview;
  - 10) Date, time, and location of interview; and
  - 11) Further identifiers such as social security number or SBI or FBI numbers shall not be requested or utilized unless directly relevant to the investigation.
- h. Upon obtaining an audio-recorded statement, investigators will then label the medium, protect against re-record loss, and include it as a case attachment to the report. The statement, if transcribed, will also be included as a case attachment regarding administrative investigations. In cases where the interview concerns a criminal matter, the recorded medium will be secured and handled as evidence.
3. Secondary Investigator as a Witness
- a. The utilization of a second investigator as a witness to any interview or written statement is not required; however, it may be authorized in certain circumstances.
4. Legal Representation in Administrative Internal Affairs Investigations
- a. During the course of the administrative interview, an employee may be represented by a union representative of their choosing to include an attorney, so long as the availability of the attorney does not in any way hamper or impede the on-going investigation. There is not a Sixth Amendment right in Administrative Internal Affairs Investigations for principals and witnesses. If it appears that the employee's union representative may become a witness or principal in the investigation, the union representative shall be prohibited from attending the interview.
  - b. Complainants and witnesses who are not employees of the department cannot be prevented from having a legal representative present while being interviewed by investigators.
5. Interview of Complainant
- a. After the preparation detailed above, all efforts must be made to interview a complainant in person. Complainant interviews shall be conducted formally resulting in a statement secured in accordance with the provisions enumerated under Interview Procedures.
  - b. The investigator shall arrange a convenient time and place, including by telephone (or TDD), to interview civilians for misconduct investigations. The investigator shall reasonably accommodate a civilian's circumstances to facilitate the progress

of an investigation. This may include holding an interview at a location other than the department or at a time other than regular business hours.

- c. Interviews of civilian complainants, which take place over the telephone, must be recorded, unless the witness objects to the recording.
- d. Investigators must treat the person being interviewed with dignity and respect, and demonstrate interest and concern in dealing with the complainant. Employees shall not attempt to dissuade any person from making a complaint. Employees shall conduct themselves as to facilitate the citizen's confidence in the internal investigative process.
- e. Complainants and witnesses shall not be questioned about any matters that are not directly relevant to the allegations of the investigation. Any questioning intended to challenge the credibility of a complainant or witness must be approved beforehand by the Internal Affairs Supervisor. Investigators shall make every effort not to ask questions that may demean, ridicule, or cause embarrassment to the complainant.
- f. Questions must be carefully thought out and absolutely relevant to the investigation. Any questionable issues should be discussed with and approved by the Internal Affairs Supervisor before conducting the interview.
- g. Group interviews shall not be conducted.
- h. Complainants should be interviewed outside the presence of other complainants and witnesses. A parent, or adult relative or guardian in the absence of a parent, shall be present during the interview of a minor. In the event, a parent cannot be located; the investigator must document the efforts taken to contact same. If a civilian insists that another potential witness be present during an interview, the interview must continue with the potential witness present and the report must note the circumstances.
- i. Structure of Interview
  - 1) Complainants should be initially asked to explain in their own words, in detail, the facts forming the basis of the complaint. The investigator should then clarify any questions or issues regarding the complainant's statement.
  - 2) After the complainant has provided a statement, the narrative of the State Standardized Internal Affairs Complaint Form, recorded telephone complaint, or correspondence from the complainant should be reviewed with the complainant.

- 3) The investigator shall seek to rectify or identify any discrepancies as well as identify any further investigative requirements.
- 4) The complainant should be asked to identify any witnesses and state what they believe the witness may have knowledge of; turn over any evidence in their possession; and identify what other types of evidence they know.
- 5) Every relevant fact known to the complainant should be identified and explored thoroughly.
- 6) Issues identified in the Investigation Plan, should be addressed.
- 7) In addressing the allegations, questions utilized in the basic investigative process, namely: **who, what, when, where, why, and how**, should be precisely addressed.
- 8) The complainant and or witnesses have no automatic right to view any department video recordings. It shall be up to the discretion of the investigator, whether utilizing any department video recordings during an interview will enhance or clarify the investigative process.
- 9) If a complainant refuses to be interviewed, or cannot be located or contacted, a letter should be immediately forwarded on department letterhead, via certified mail, authorized and signed by the Internal Affairs Supervisor, advising that he/she should respond within ten (10) days or the investigation will proceed without his/her input.

6. Interview of Witness

- a. Every effort should be made to interview all witnesses. The full identity of the witness should be obtained. If the witness refuses to be interviewed, or cannot be contacted after a reasonable attempt to locate, a certified letter should be sent on department letterhead advising that witness should respond within ten calendar (10) days.
- b. Specific and detailed questions should be asked including: **who, what, when, where, why, and how** the incident or event occurred. The investigator should have a clear purpose in identifying relevant witnesses and selecting what questions to ask them. These issues should be established in the Investigation Plan.
- c. The aforementioned techniques outlined in the complainant interview should be applied to the interview of witnesses.
- d. Witness interviews shall be conducted formally resulting in a statement secured in accordance with the provisions enumerated under Interview Procedures.

## 7. Interview of Employees

- a. Generally, the interview of an employee is accomplished after the complainant and all witnesses are interviewed. However, this is determined by the character of the inquiry and remains a choice of the investigator. Such interviews are a critical step in the investigation and should be carefully planned. Investigators shall not accept a written statement from any employee in lieu of an interview.
- b. Employee interviews shall be conducted formally resulting in a statement secured in accordance with the provisions enumerated under Interview Procedures.
- c. Employee as: **WITNESSES**
  - 1) It is required that a formal audio recorded statement be taken from each employee considered a witness. Statements need not be transcribed, but must be summarized in the appropriate internal investigation report. The key elements of the statement may be transcribed if necessary. A sworn member who is considered a witness is entitled to union representation if he/she reasonably believes that he/she may be subject to disciplinary action as a result of the investigation.
  - 2) Advise the employee that he/she is a witness, explaining the difference between a witness and principal.
    - a) A witness is a person reasonably believed to have information concerning the event under investigation, but whose own conduct is not the focus of the investigation.
    - b) A principal is a person whose conduct is the focus of the investigation.
  - 3) Before any questioning takes place, the employee shall be apprised of the identity of the investigator conducting the interview, including his/her rank, name, and assignment. This notice shall also include the identity of all persons present during the interview.
  - 4) The investigator may require the employee to submit a report detailing relevant facts in the investigation. If a report is required, the investigator will provide the employee with the background information regarding the nature and timeframe of the complaint. The employee should be encouraged to review any of his or her own reports. **(NOTE) Not to be used in lieu of an audio recorded statement.**

- 5) A formal audio-recorded statement will be obtained from the witness after he/she has been given their Witness Acknowledgment Form. The investigator shall further verbally confirm the employee's obligation for candor throughout an internal investigation, pointing out the specific provision of the acknowledgment form denoting such.
- 6) If, during the interview, the status of an employee shifts from a witness to a principal, the employee shall be advised accordingly. The investigator shall contact the Internal Affairs Supervisor to secure permission to proceed. If approval is granted to proceed, the investigator will execute a Principal Acknowledgment Form. Upon completion of the interview, the investigator will complete a New Principal/Allegation Identification Form, and forward same to the Internal Affairs Supervisor for the purpose of updating the case. A copy of the completed form, incorporating all required endorsements must be secured and submitted as an attachment to the investigation.

d. Employee as: **PRINCIPAL**

- 1) No employee shall be designated a principal without the approval of the Internal Affairs Supervisor.
- 2) Each employee of the department is required to answer pertinent questions regarding the matter, which is the subject of investigation. All employees of the department are obligated to answer questions and provide full and complete information to the investigator(s) during internal investigations. Less than complete candor during any statement may lead to serious disciplinary sanctions, which may include suspension or termination.
- 3) The investigator shall not automatically provide the principal with the State Standardized Internal Affairs Complaint Form. Principals shall be advised of the specific nature of the complaint, the time period involved, any allegation(s) or violation(s) of rules, regulations, and orders involved, and if applicable, the name or names of the complainant(s) and/or witnesses, in writing. The addresses of the witnesses or complainants need not be disclosed.
- 4) In cases where these documents are shown to the principal, the investigator shall redact from the letter of complaint, State Standardized Internal Affairs Complaint Form, or any other relevant document provided to the principal during the interview, any information that may compromise the investigative process by providing same to the principal. Redacted documents utilized during the investigation for any purpose shall be properly referenced

in any interview and included as an attachment to the Investigation Report.

- 5) As an employee of the department, the Weingarten Representative shall be advised of the obligation of confidentiality and the requirement not to discuss any information obtained during an interview with any other person. (Weingarten Rights)
- 6) The principal may produce records of his/her own or suggest names of witnesses he/she requests to be interviewed.
- 7) A formal electronically recorded statement will be obtained from the principal after he/she has been advised of their Administrative Advisement. The investigator shall further verbally confirm the employee's obligation for candor throughout an internal investigation.
- 8) The following guidelines will be followed when any representation is requested.
  - a) Any employee designated as a principal or witness, who reasonably believes that the investigation may result in disciplinary action against him/her, is entitled, upon request of the interviewee, to have a union representative accompany the interviewee to the interview.
  - b) Any employee who is a potential principal or witness in the investigation may not act as a Weingarten representative.
  - c) The exercise of the interviewee's right to a union representation may not interfere with the investigation. However, a reasonable period of time should be allowed for the representative to appear for the interview.
  - d) Although an interviewee is entitled to the representative of his/her choosing, any union representative or other person designated by the union will satisfy the representation requirement. For additional guidance on interviewee representation, refer to the current version of the NJ Attorney General's IAPP.
  - e) The principal and his/her representative shall be informed of the subject matter of the investigation and given a reasonable period of time to confer prior to the interview. The union representative may be present during the interview, and once the interview has begun, they may not leave the room for purposes of further consultation. If the principal

refuses to make a statement or answer any questions, he/she will be informed that such refusal may result in discipline/dismissal and the interview shall be terminated.

- f) The investigator shall not negotiate with the representative. The representative may be permitted to clarify facts or make suggestions (e.g., other potential witnesses) after the investigator's questioning of the principal. The investigator is free to insist that he/she is only interested in hearing the interviewee's own account of the matter under investigation. In other words, the representative shall not be permitted to answer for the principal or conduct his or her own interview.
- 9) The interview shall be conducted at a reasonable hour in a non-coercive manner, without threat or promise of reward, and preferably when the employee is on duty. No "off the record" questions will be asked and no "off the record" statements will be permitted. If the urgency of the investigation requires that the employee is questioned while off duty, such time will be recorded and treated as hours worked in accordance with the collective bargaining agreements, where applicable.
- 10) The interview shall be conducted at a location designated by the investigator, usually at headquarters.
- 11) The questioning shall be of a reasonable duration and rest periods allowed. Time shall be provided for personal necessities, meals, and telephone calls as are reasonably needed.
- 12) If at any time during the questioning session the employee becomes a suspect in a criminal act, the employee shall be so informed and the questioning shall end. Promptly refer the case to the Gloucester County Prosecutor. Should the Prosecutor afford the employee a grant of use immunity, the Internal Affairs Supervisor shall schedule an interview with the employee.

## E. Investigative Avenues

### 1. Physical Evidence

- a. Investigators should obtain all relevant physical evidence. All evidence, such as clothing, hair or fabric, fibers, stains and weapons should be handled according to established evidence procedures.
- b. With respect to an audio file, they should be secured at the outset of the investigation. Transcripts or copies of the original

recordings can be used as investigative leads. Audio files should be monitored to reveal the totality of the circumstances.

c. Statements from all parties.

## 2. Photographs

a. In the event of a complaint involving excessive force, the following photographic documentation shall be obtained when appropriate. Whenever possible, color photography shall be used.

- 1) Photographs of the complainant at the time of arrest or following the alleged incident of excessive force.
- 2) Photographs of the principal in the event that employee was a victim.
- 3) A recent photo of the employee in the event a sequential photo display will be used for identification purposes. The photo display must be conducted in accordance with the New Jersey Attorney General's guidelines and retained for possible evidentiary purposes.
- 4) Photographs of the scene of the alleged incident, if necessary.

## 3. Physical Tests

a. Principals may be compelled to submit to various physical tests or procedures to gather evidence. Such evidence may be used against them in disciplinary proceedings.

b. No person has a constitutional right or privilege to refuse to submit to an examination to obtain a record of their physical features and other identifying characteristics of their physical or mental condition. Evid. R. 503(a). Evidence that may be obtained or procedures that may be used to obtain evidence under this rule include:

- 1) Breath samples;
- 2) Blood samples;
- 3) Buccal Swabs;
- 4) Requiring employee to speak;
- 5) Voice recordings;
- 6) Participation in suspect lineups;
- 7) Handwriting samples;
- 8) Hair and saliva samples;

- 9) Urine analysis;
- 10) Videotaping;
- 11) Field sobriety tests.

c. Generally, a person cannot be physically forced to produce this or other evidence or submit to such tests, although a court order may be obtained to legally compel them to do so. Refusal to comply with the order can result in additional criminal, civil, and/or administrative sanctions.

#### 4. Polygraphs

- a. While an employee who is the subject of an Internal Affairs investigation may request a polygraph examination, an employer shall not influence, request or require an employee to take or submit to a polygraph examination as a condition of employment or continued employment (N.J.S.A. 2C:40A-1).
- b. An employee cannot be required to submit to a polygraph test on pain of dismissal. Engel v Township of Woodbridge, 124 N.J. Super. 307 (App. Div. 1973).
- c. If a polygraph is used, the test must be administered by a qualified police polygraph operator.

#### 5. Search and Seizure

- a. As a general rule, the Fourth Amendment applies to any action taken by government. Law enforcement officers have the right, under the Fourth Amendment, to be free from unreasonable searches and seizures. Fourth Amendment warrant requirements apply to any search of an office, employee's personal property including clothing, car, home or other belongings to include any computer or digital recordings.
- b. A voluntary consent to a search may preclude some Fourth Amendment problems from developing. A consent search eliminates the need to determine what threshold standard must be met before conducting the search or seizure, either for an administrative or criminal investigation. Under New Jersey law, for consent to be legally valid, a person must be informed that he/she has the right to refuse to permit a search. State v. Johnson, 68 NJ 349 (1975). If a consent search is utilized, the investigating officer shall follow standard police procedures and have the principal sign a consent to search form after being advised of the right to refuse such a search and to be present during the search, unless they waive this right.
- c. In a criminal investigation, the standard to obtain a search warrant is probable cause. Generally, a search warrant should be sought to search an area belonging to the principal when the employee

maintains an objective expectation of privacy in that area. Areas and objects in this category include but are not limited to the employee's home, personal car, safe deposit boxes and personal computers. Department supplied equipment and property is never considered personal property of the employee.

- d. Generally, during either administrative investigations or criminal investigations, workplace areas may be searched without a search warrant. The critical question is whether the public employee has a reasonable expectation of privacy in the area of property the Internal Affairs investigator wants to search. The determination of a reasonable expectation of privacy must be decided on a case-by-case basis. There are some areas in the person's workplace where this privacy expectation can exist just as there are some areas where no such expectation exists. Areas where supervisors or other employees may share or go to utilize files or equipment would present no expectation of privacy or a diminished expectation of privacy. Included here would be government provided vehicles, filing cabinets, department computers, etc.
- e. Department property includes but is not limited to: computers, lockers, phones, department vehicles, desks/offices/workstations, filing cabinets and any other department equipment remains the property of the West Deptford Police Department and is subject to entry and inspection without notice at any time and without a search warrant.
- f. If a criminal investigation, prior to a search or confiscation of any department issued property, approval must be obtained from the Gloucester County Prosecutor or his/her designee.
- g. Any search of department or personal property should be conducted in the presence of another department employee, preferably a superior officer, and should be properly recorded.

## **VII. REPORTING**

- A. Upon completion of all possible avenues of inquiry, the Internal Affairs investigator shall complete the following reports:
  - 1. The internal investigation will be memorialized on the reports as are hereinafter identified.
  - 2. All approved original reports will be maintained by the investigator until the investigation is concluded at which time the complete case file will be submitted to the Chief of Police.
  - 3. The completed report will be submitted in a report folder/envelope. The investigator will include the Internal Investigation Attachment Log, followed by the State Standardized Internal Affairs Complaint Form, the Investigation Report, and the remaining attachments, numbered sequentially. Supplemental Internal Investigation Reports will be placed

in the folder/envelope as numbered attachments, in the correct chronological order.

4. The Internal Investigation Allegations and Conclusions Form will be attached to the report folder/envelope. An Internal Investigation Review Sheet will be secured to the left inner cover, on top of the Internal Investigation Allegations and Conclusions Form.
5. All attachments will be marked, unless marking the document in that area would damage or interfere with the content of the attachment.

B. Report Flow

1. The investigation should be completed and all reports prepared within **forty-five (45) days** of being assigned. Authorization for additional time to complete investigations must be received from the Chief of Police, in accordance with the investigation extension procedure.
2. The investigator, upon completion of the report, shall forward it directly to the Chief of Police.
3. The Internal Affairs Supervisor will review the case and make recommendations to the Chief of Police regarding discipline.
4. The Chief of Police, upon receipt of the recommendation, will review the matter and make the final determination or return the case for further investigation.
5. Once the Chief of Police is provided with "sufficient information" to file a charge, the Chief of Police has forty-five (45) days to do so. (N.J.S.A 40A:14-147).
6. In all cases, a letter shall be sent to the complainant explaining the outcome of the investigation. If the allegation was unfounded or the employee was exonerated, this conclusion shall be stated and defined for the civilian complainant. If the allegation was not sustained, the letter shall provide the complainant with a brief explanation why the complaint was not sustained (e.g., insufficient proof, lack of witnesses, etc.). If the allegation was sustained and discipline was imposed, the letter shall simply state that the allegation was sustained and that the employee has been disciplined according to department procedures. It is not necessary to specify the discipline imposed.
  - a. If discipline is imposed, a record of such discipline, not including the investigation report or attachments, shall be placed in the employee's personnel file.
7. Whenever a final determination is reached in an internal investigation, the employee(s) involved as a principal(s) shall be notified in writing by the Chief of Police of that determination.

C. Internal Investigation Plan

1. The Internal Affairs Supervisor within five (5) business days of being assigned to conduct the internal investigation, to discuss and formulate an investigative plan.
2. Thereafter the case investigator will complete an Internal Investigative Plan, and submit same for approval prior to the conclusion of the meeting. When approved by the Internal Affairs Supervisor, the plan will be maintained and secured in the case jacket dedicated to that investigation.

D. Internal Investigation Report

1. Within ten (10) calendar days of being assigned to conduct an internal investigation, the case investigator must complete an Internal Investigation Report and submit same for approval to the appropriate Internal Affairs Supervisor. The report must include:
  - a. Documentation that the complainant has been contacted by the investigator to advise them of their assignment as the case investigator and to arrange a meeting to conduct an interview. If the investigator is unable to contact the complainant, the report must reflect that the appropriate certified ten (10) day letter, endorsed by the Internal Affairs Supervisor or Chief of Police, has been mailed to the complainant.
  - b. Documentation that the case investigator has contacted the principal(s) and informed them of the nature of the complaint against them.
  - c. An analysis of the allegations to be addressed by the investigation, linked to specific provisions of the Rules and Regulations, and/or any guidelines that govern the behavior of employees of the department.

E. Supplemental Internal Investigation Report

1. A Supplemental Internal Investigation Report will be submitted on a regular basis to document the investigative process on all internal investigations wherein investigative activity took place during that period. For the purposes of this general order, the term regular basis shall be interpreted to mean at least every ten (10) calendar days, unless the Internal Affairs Supervisor waives this requirement.

F. Internal Affairs Attachment Log

1. An Internal Investigation Attachment Log will accompany each case when submitted by the investigator.
2. The Attachment Log will account for all attachments accumulated during the investigation. The State Standardized Internal Affairs Complaint Form will always be attachment #1. The Internal Investigation Report will be

attachment #2. Thereafter, each individual Supplemental Internal Investigation Report will be assigned a separate attachment number.

3. A separate log number will be assigned to every attachment, unless the attachment is a multiple page document, at which time it will be secured as a singular attachment.
4. Each attachment accumulated and documented in the investigation report will receive a separate log number and be appropriately cross referenced in chronological order.

G. Internal Investigation Allegations and Conclusion Report

1. At the conclusion of the investigation, the investigator will prepare allegations and conclusions.
2. The allegation will set forth, in narrative form, the alleged misconduct and be linked to the specific provision of the Rules and Regulations and/or directive purportedly violated.
3. The conclusion reached by the investigator, based upon the facts developed in his/her investigation, will fall into one of the following four (4) dispositions.
  - a. Sustained - A preponderance of the evidence shows an officer violated any law; regulation; directive, guideline, policy, or procedure issued by the Attorney General or County Prosecutor; agency protocol; standard operating procedure; rule; or training.
  - b. Unfounded - A preponderance of the evidence shows that the alleged conduct did not occur;
  - c. 1. If administrative charges have been brought against an employee and a hearing will be held, a copy of all discoverable materials shall be provided to the employee and the hearing officer before the hearing.
  2. If the principal, department or municipality has been named as a defendant in a lawsuit arising out of the specific incident covered by an internal investigation, a copy of the internal investigation reports may be released to the attorney representing the principal, department or jurisdiction.
  3. Upon request or at the direction of the Gloucester County Prosecutor or New Jersey Attorney General.
  4. Upon a court order; or
  5. Upon a request from the Division of Pensions, following an officer's application for a retirement allowance.
- D. The Chief of Police may authorize access to a particular file or record for good cause. The request and the authorization shall be in writing, and the written authorization shall specify who is being granted access, to which records access is being granted, and for what time period access is permitted. The authorization shall also specify any conditions (i.e., the files may be reviewed only at the internal affairs office and may not be removed). In addition, the law enforcement executive may order any redactions in accordance with the current IAPP. The Chief of Police should grant such access sparingly, given the purpose of the internal affairs process and the nature of many of the allegations against officers. As a general matter, a request for internal investigation case files may satisfy the good cause requirement:
1. If a Civilian Review Board that meets certain minimum requirements requests access to a completed or closed investigation file, subject to the conditions described in this section; or
  2. If another law enforcement agency requests the files because it is considering hiring an officer who was formerly employed at the agency with the internal investigation files.
- E. The *Internal Investigation Allegations and Conclusions Form* shall be released in response to a request made under the common law right of access by any member of the public or press where it satisfies any of the following conditions:
1. The *Internal Investigation Allegations and Conclusions Form* led to a result on or after January 1, 2023, that requires disclosure pursuant the current IAPP;

- 3 Upon the request or at the direction of the County Prosecutor or Attorney General at any time.
- F. When an agency concludes that an *Internal Investigation Allegations and Conclusions Form* is subject to disclosure, it shall redact the following before disclosure:
1. The names of complainants, witnesses, informants, victims and cooperators, in addition to information that could reasonably lead to discovery of their identities;
    - a. In instances of domestic violence, in addition to redaction of the victim's name, all reference to the specific nature of the qualifying relationship should also be redacted to protect the identity of the victim. For example, if the victim is an intimate partner, terms such as "spouse," "partner," "girlfriend," "boyfriend," "husband," or "wife," should also be redacted, and to the extent possible the report should just indicate that the relationship between the victim and the officer was an enumerated relationship under the Domestic Violence Act (*N.J.S.A. 2C:25-17 et seq.*).
  2. Non-public, personal identifying information about any individual named in the report, such as their home addresses, phone numbers, dates of birth, social security numbers, familial relationships, etc.;
  3. Medical information or history, including but not limited to, mental health or substance abuse services and drug or alcohol evaluation, counseling or treatment;
  4. Information regarding any criminal investigation or prosecution that is not already contained in a public filing, or any information that would impede or interfere with a pending criminal or disciplinary proceeding;
  5. Any records or material prohibited from disclosure by law;
  6. Juvenile records;
  7. Any information which is the subject of a judicial order compelling confidentiality;
  8. Any other information that would violate a person's reasonable expectation of privacy; and
  9. Any information regarding law enforcement personnel, procedures, or resources that could create a risk to the safety of any person, including but not limited to law enforcement personnel.
- G. Whenever a law enforcement officer makes an application to the New Jersey Division of Pensions for retirement benefits, in anticipation of upcoming retirement and the receipt of a pension, both the department and the officer shall have an affirmative obligation to report to the Division of Pensions the existence of any pending internal affairs investigation, complaint or case, including those on appeal, as well as any criminal charges.

- H. Agencies may receive subpoenas directing the production of internal affairs investigative records. Before responding to the subpoena, the Chief of Police should consult with the Department's legal counsel or County Prosecutor's Office to determine whether the subpoena is valid.
- I. If the release of internal affairs documents is appropriate, the department should inventory the reports they are releasing and obtain a signed receipt.
- J. Subpoenas for Employee's Personnel/Internal Affairs Files
  - 1. In matters that involve criminal and/or civil actions resulting from an internal affairs case, the department shall **NOT** release any information in response to the subpoena without first contacting the Assistant Prosecutor to whom the matter has been assigned by telephone and in writing. All such contact shall be noted in the internal affairs report.

## **X. INTERNAL AFFAIRS FILES**

- A. A separate Internal Affairs file system shall be maintained in a secured file cabinet. Personnel records are separate and distinct from Internal Affairs records. Internal Affairs investigation reports shall not be placed in an employee's personnel records file.
  - 1. When a complaint has a disposition of exonerated, not sustained, or unfounded, there shall be no indication in the employee's personnel file that a complaint was ever made.
  - 2. When a complaint has been sustained, only the disciplinary action imposed shall be filed in an employee's personnel file.
- B. Selection and Hiring
  - 1. In addition to the requirements of the selection process, background investigations must include a review of the prior internal affairs files of any law enforcement candidate.
  - 2. If the West Deptford Police Department has reason to believe that a candidate for employment was previously a sworn officer of another law enforcement agency, the West Deptford Police Department has an affirmative obligation to identify all such former employers. The West Deptford Police Department shall then request all internal affairs files for cases where the candidate was the principal, regardless of the ultimate disposition or status of the complaint.
    - a. If requested, the West Deptford Police Department shall provide a written acknowledgement to the releasing agency that it will maintain the confidentiality of said files in accordance with this policy.
  - 3. If the West Deptford Police Department receives such a request regarding a former employee, then it shall immediately share copies of all internal investigative information related to that candidate with the hiring

agency, in accordance with N.J.S.A. 52:17B-247. Confidential internal affairs files shall not be disclosed to any other party.

4. The Chief of Police retains the authority to defer a decision on hiring a particular candidate until all extant internal affairs information has been received and reviewed.
- C. Investigative records created during an Internal Affairs Investigation are included in the "Records Retention and Disposition Schedule for Local Police Departments" and shall be maintained as such. The agency may choose to retain the files longer and exceed the retention schedule.

## **XI. COUNTY PROSECUTOR**

- A. The Gloucester County Prosecutor is responsible for conducting substantive oversight to ensure that the internal affairs function of the West Deptford Police Department is operating professionally and effectively.
