Weymouth Township Citizens, businesses, and non-profits will be given the opportunity to properly dispose of and to safely destroy documents in a secure manner. So now is the time to clean out those old file cabinets and get rid of your old tax returns, cancelled checks, files, etc. Your important documents will be securely shredded on-site. No need to remove paper clips, elastic bands or staples; however, we cannot accept spiral note books, accordion folders, three ring binders, anything plastic coated or binder clips. This is a rain or shine event.
